INVESTING FOR CHILDREN TERMS	20
GLOSSARY OF TERMS	22

OUR AGREEMENT

Our legal relationship is governed by these *Terms of Business* and other documents which we provide to you. These *Terms* will take effect as soon as we have accepted you as a client. Please read them carefully as they set out the basis upon which we will offer our services to you. This document should be read in conjunction with the appropriate *Schedule of Charges* and any other applicable documentation. By registering with us and using our services you confirm your acceptance of these *Terms of Business* and understand that they (together with any applicable agreement/application form which you sign) constitute a legally binding agreement in English law between you and us. Our investment management services are covered by our *Investment Management Terms of Business*.

KEY POINTS

We set out below some of the key points regarding these *Terms of Business* in order to draw them to your attention and to aid your understanding. Please note that these key points are not a substitute for reading the full *Terms* in detail.

OUR PRINCIPAL SERVICE

Our principal service in regard to these *Terms* is stockbroking, including related custody and settlement administration. We also provide other products and services, including our Dealing with Advice service, as listed in these *Terms*.

INVESTMENT RISKS

There are risks involved in any investment. These include:

- Levels of income and prices of investments can and do fluctuate
- You may get back less than the amount originally invested or even lose the full amount
- Past performance is not a reliable indicator of future performance
- Exchange rate risk exists where investments are denominated in a different currency
- Tax treatment of investments can change
- In certain market conditions some investments can become difficult to sell

Please refer to our *Guide to Investing*, available at www.redmayne.co.uk/guide or in hard copy on request, for information on risks in respect of a range of different investments.

YOUR OBLIGATIONS WHEN BECOMING A CLIENT

You must provide us with certain information before we can accept you as a client, including evidence of your identity and source of funds.

Once you have confirmed you have seen or been provided with our *Stockbroking: A Summary of Key Information* and relevant *Schedule of Charges*, we will normally open an account for you immediately. We will need to take a few details from you, but the process is usually completed very quickly. Where an email address has been supplied, online access to your account through our Client Web Access (CWA) service will be provided within seven working days.

COSTS AND CHARGES

Before you commence the service with us, we will provide you with an illustration of costs and charges which will also show the potential impact on the returns.

We are required to issue a summary of all the costs and charges you incur over the previous 12-month period.

YOUR INFORMATION

You acknowledge that we may process information (including personal data) about you, obtained from you and/or other sources such as credit reference agencies, during the course of our relationship with you. This data will be processed in accordance with the Data Protection Act 2018 for the purposes of providing services to you and to allow us to carry out our business, as explained in our *Privacy Policy*, available at www.redmayne.co.uk/terms or in hard copy on request, which may be updated from time-to-time.

We will not provide information to organisations without your consent, unless we are obliged to by law or are requested to do so by

any other regulatory bodies (including, but not limited to, reporting to HMRC on accounts for clients taxed in another jurisdiction). In such cases this will not occur without ensuring the necessary assurances and indemnities are in place to ensure that your personal information is subject to equivalent levels of security at all times.

EXECUTION-ONLY STOCKBROKING

If your account is designated as 'Execution-Only' this means that each investment decision is yours alone, as indicated on each contract note we send you.

We may contact you with regard to certain investment opportunities in the future. When doing so, we would like to emphasise that at no point will we provide you with any advice as to the suitability of a transaction or for the structure of your portfolio as a whole. We may also provide information on the market, a particular sector or even a specific stock. However, this will not be based on your personal circumstances and attitude to risk and would, therefore, not be a personal recommendation.

LIABILITY

We accept liability where we fail to act with reasonable skill, care and diligence, but do not accept liability otherwise.

We are not liable for losses arising out of circumstances beyond our reasonable control. Where we outsource services to a third party (for example, a third party custodian), provided we have exercised reasonable skill and care in their selection and on-going monitoring, we do not accept liability for losses caused by the default or insolvency of such third party.

ENDING OUR AGREEMENT/SUSPENSION OF OUR SERVICES

You can end our Agreement at any time by giving us written notice. This will not affect liabilities which are due from either you or us at the date of termination.

We reserve the right to terminate your account(s) or your access to the service or any portion of it at our sole discretion, with reasonable notice and without limitation for any reason.

CHANGES TO THESE TERMS

We can make changes to these *Terms of Business* from time to time for the reasons and in the manner as set out in these *Terms*.

OTHER IMPORTANT INFORMATION

We record telephone conversations and electronic communications between you and us.

If you owe us money we may 'offset' any amounts you owe us against money we owe to you. If you fail to pay money due to us we may sell your investments to recover the money due.

Should you feel unhappy about any of the services we provide, we encourage you to make your concerns known to us.

Our affiliation to the Financial Ombudsman Service ensures that any investigation will be thorough, fair and impartial.

We are covered by the Financial Services Compensation Scheme and you may be eligible to make a claim in the event of our insolvency.

DEALING WITH ADVICE TERMS

A. DESCRIPTION OF THE SERVICES

- A.1 Our Dealing with Advice service is designed to assist you by providing advice on individual transactions. Your investments are not monitored on an ongoing basis which is the case with our investment management services.
- A.2 Advice can be provided on a full range of financial instruments, including most listed shares, gilts, corporate bonds and collective investments and funds such as unit trusts, OEICs, investment trusts and exchange-traded funds and commodities. We may also offer more specialised investments if they are suitable for you.
- A.3 The advice provided will relate to the adviser's view of the suitability and prospects of the investment at the time the advice is given. It will be based on a comprehensive assessment of your personal financial situation conducted by your adviser at the outset and periodically thereafter. As part of this assessment your adviser will consider your investment objectives along with your attitude to, and capacity for taking, risk. Our Dealing with Advice service is only available for medium, medium/high and high-risk mandates.
- A.4 This service can cover any tax-efficient vehicles that you already have with us, for example, an ISA and/or SIPP, and this will be detailed on your *Agreement Form(s)*.
- A.5 When advice is given it will not necessarily be in the context of other investments held in your account(s) covered by this service agreement.
- A.6 With this service it is your responsibility to ensure that you monitor your investments after the advice is provided.
- A.7 No Capital Gains Tax (CGT) assessments will be made by your adviser. It will be your responsibility to remain aware of any potential CGT liability.
- A.8 All stock market investments contain a degree of risk and, as such, it is important that you take a long-term approach to investing.
- A.9 For a guide to the definitions of our risk categories as well as an indication of the type of investments that may be included within these categories, please refer to our *Guide to Investing*.
- A.10 You will need to complete our *Dealing with Advice Client Agreement Form* and *Client Risk Profile Questionnaire* to ensure the suitability of the service to be provided.
- A.11 Your adviser will discuss the various options before you decide which is most appropriate in view of your individual circumstances.

B. YOUR INVESTMENT OBJECTIVE AND RISK PROFILE

- B.1 In giving advice we will have regard to your Investment Objective and Risk Profile.
- B.2 We need to keep the personal information we hold on your circumstances, your investment objectives and your approach and capacity for taking risk up to date. We undertake to update the information you provide at least on a two-year cycle.
- B.3 You must inform us of any investments, type of investment

or market on which you do not wish us to advise on or deal in for you. You must also inform us in a timely manner where these circumstances change as we may make investment decisions based on this information. We will not be liable for any loss should this information not be updated in a timely fashion.

C. NON-ADVISED SERVICES

- C.1 Our understanding is that you may give us some orders where it is possible that you will not expect us to be responsible for advising you about the investment merits of the transaction concerned and we will be dealing for you on an execution-only basis as per the General Terms.

D. INVESTMENT TRUSTS

- D.1 Investment Trusts advised on may be of such a structure or content that the asset value per share may significantly deviate from the value of the underlying investments. Any such potential for variation will be taken into account by your adviser.

E. REPORTS

- E.1 We are required to send a suitability report after each recommendation (whether this recommendation is accepted or not), which will outline our reason for the recommendation and how it fits with your overall mandate.
- E.2 Where we provide advice to you via the telephone we will assume that you will accept receipt of the required suitability report after the advice or if we have concluded the transaction. However, if you require the suitability report before the transaction is completed, please let us know. Please note, that this may delay the transaction.
- E.3 For any advice (be that 'buy', 'sell' or 'take no action') given face-to-face, we are required to issue a suitability report before the transaction can proceed.

F. CUSTODY OF YOUR INVESTMENTS

- F.1 It is a requirement of our Dealing with Advice service that all stocks and shares are held in a Nominee or CREST Personal Member Account.
-

GENERAL TERMS

1. PROVISION OF SERVICES

- 1.1 Redmayne Bentley is a trading name of Redmayne Bentley LLP, a Limited Liability Partnership, authorised and regulated by the Financial Conduct Authority (FCA) and a member of the London Stock Exchange (LSE). Registered in England and Wales No. OC344361. Registered office: 9 Bond Court, Leeds LS1 2JZ. Legal Entity Identifier (LEI): 213800S3IRIPK1R3JQ58. VAT No: GB 165 8810 81. Our head office telephone number is 0113 243 6941.
- 1.2 Our service encompasses general investment, discretionary, advisory and stockbroking facilities to enable you to trade in securities and complex instruments (as defined by FCA rules).
- 1.3 Our Nominee facility is operated by Redmayne (Nominees) Limited. Where we use the term “Nominee” in these *Terms* we refer to our execution-only stockbroking, dealing with advice and investment management services, SIPPs, ISAs and JISAs which utilise this facility. However, please note that where we refer to our Nominee inactivity fee, this does not apply to accounts where an annual or management fee is charged by us.
- 1.4 Transactions in complex instruments may involve significant risks and be unsuitable, i.e. not appropriate, for many people. You should not deal in these unless you understand the nature of the contracts (and contractual relationships) you are entering into and the extent of your exposure to risk. If operating your account on an execution-only basis, we will need to be satisfied that the transaction in question is suitable, i.e. appropriate, for you in light of your experience, objectives, financial resources and other relevant circumstances. Please complete a *Complex Instruments Appropriateness Assessment* available at www.redmayne.co.uk/complex or in hard copy on request.
- 1.5 Whilst most orders undertaken will be in accordance with our published *Order Execution Policy*, available at www.redmayne.co.uk/orderexecution or in hard copy on request, please note that we may execute orders outside of a recognised market or Multilateral Trading Facility (MTF). You agree that we may do this as we see fit in order to achieve a similar or better result.
- 1.6 We may deal for you in circumstances in which the relevant deal is not regulated by the rules of any investment exchange, i.e. unquoted investments.
- 1.7 Minors cannot use our service. Designated accounts may be held for minors, but they must be operated by a person aged 18 or over.
- 1.8 For the purposes of FCA rules, we will treat you as a Retail Client unless otherwise agreed by you and us. You are entitled to request a different classification, but this would result in a lower level of regulatory protection. You should contact us if you require any further details.
- 1.9 If you are acting as an agent or introducer, we will require you to sign a separate *Terms of Business* setting out our relationship with you. If you are an agent, we will treat you and you alone as our client. If you are an introducer then we will treat the underlying client as our client. We will ensure that in dealing for you we act in your best interests and have available a *Conflicts of Interest Policy* which sets out our standards. This is available from www.redmayne.co.uk/conflict or in hard copy on request. If you wish someone else to trade on your account on your behalf, we will require a completed and signed *Account Authorisation Form*, available from www.redmayne.co.uk/forms or in hard copy on request.
- 1.10 You may ask us to enter into transactions on your behalf in non-readily realisable investments or Complex Instruments. You may subsequently have difficulty selling these investments at a reasonable price and, in some circumstances, it may be difficult to sell at any price. Do not invest in these unless you have carefully thought about whether you can afford to do so and whether they are right for you.
- 1.11 Commissions and other fees and charges will affect the overall return on your investments, particularly if only held for a short period of time. There is an extra risk of losing money when shares are bought in some smaller companies and those held overseas. There is often a big difference between the buying and selling price of these shares. The price may change quickly and, if they have to be sold immediately, you may get back much less than you paid for them.
- 1.12 Unless you enter a formal agreement with us on an advisory or discretionary basis, we will not be able to provide you with personal investment advice and each investment decision is yours alone, as indicated on your contract note. Your account will therefore be dealt with on an ‘execution-only’ basis. However, we may contact you with regard to certain investment opportunities in the future. When doing so, we would like to emphasise that at no point will we provide you with any advice as to the suitability of a transaction or for the structure of your portfolio as a whole. We may also provide information on the market, a particular sector or even a specific stock. However, this will not be based on your personal circumstances and attitude to risk and would, therefore, not be a personal recommendation.
- 1.13 We may not deal in United States of America (or other jurisdictions) securities on your account until we have received signed documentation as required by the appropriate authorities.
- 1.14 In the event that we provide other services in the future, we may require you to enter into a separate agreement in respect of them prior to these services being made available to you.
- 1.15 For an initial period of 14 days after opening an account facility you have the right to cancel the relevant service. This can be done verbally or in writing and we will action your request as soon as practical. Please note, this cancellation right only applies to the service you have signed for and does not apply to any transactions undertaken on your account, which are not subject to this right. As long as you cancel within the specified period there will be no charge made, although you are still obliged to pay any monies due to us at the time you cancel or terminate your agreement for any transactions undertaken.
- 1.16 Unless you notify us to the contrary it will be assumed that you wish us to call you without having been expressly invited to make such a call. The ability to call you in this way is likely to increase the effectiveness of our service to you. We will make such calls only between 8am and 8pm Monday to Saturday and we will comply with any restrictions that you impose.
- 1.17 Complaints in respect of any of our products or services should be addressed in the first instance to your Redmayne Bentley contact or office. Details of our internal complaints handling procedures are available at www.redmayne.co.uk/complaints or in hard copy on

request. If a complaint is not resolved to your satisfaction you may then contact the Financial Ombudsman Service (FOS), an independent dispute resolution scheme. Full details of the FOS can be found on its website at www.financial-ombudsman.org.uk.

- 1.18 We shall pay all sums in Pounds Sterling, unless otherwise agreed between us. Those designated in another currency will be paid using an appropriate exchange rate. As we do not buy currency on a transaction-by-transaction basis, if we settle in a foreign currency, we will from time to time make a fractional gain or loss on exchange, which will be kept or absorbed by us as appropriate, after we have settled such transactions in order to offset our operational expenses.
- 1.19 We reserve the right to decline an applicant as we see fit without necessarily giving a reason.
- 1.20 We can delegate all or any of our functions under these *Terms* to a third party, but we remain responsible to you for them. However, provided we have exercised reasonable skill and care in their selection and ongoing monitoring we do not accept liability for losses caused by the default or insolvency of such third party.
- 1.21 The information contained within these *Terms* is based on our understanding of current legislation and HM Revenue & Customs and HM Treasury practice, however, no liability can be accepted.
- 1.22 You agree that these *Terms* are only supplied in English and we will only communicate with you in English.
- 1.23 These *Terms* are governed by English Law. You agree that these *Terms* may only be dealt with by the Courts of England and Wales except that we may take legal action against you in any country where you may be.
- 1.24 Neither party shall be liable for any delay in performing any of its obligations hereunder, if such delay is caused by circumstances beyond the reasonable control of the party so delaying, including but not limited to acts of God, riot, terrorism, pandemic, fire and floods or power failure.
- 1.25 The Disability Discrimination Act 1995 requires the firm to make reasonable adjustments for any information including letters, brochures and website content provided to disabled clients or prospective clients. We will arrange an accessible format upon request.
- 1.26 We are not responsible for any delay in the settlement of a deal resulting from circumstances beyond our control, or the failure of any other person or party (including you) to perform all the necessary steps to enable completion on the settlement date. We will carry out each transaction for you solely as Agent.
- 1.27 We accept liability where we fail to act with reasonable skill, care and diligence but do not accept liability otherwise.

2. YOUR RESPONSIBILITIES

- 2.1 You will not use our services for any purpose which is unlawful, abusive, libellous or threatening and must have the power and approval to enter into and perform your obligations under these *Terms*.
- 2.2 You will provide us promptly on request with a copy of any documentation as we may reasonably require from time to

time, or information we are required by law to gather.

- 2.3 You will ensure that all investments deposited with us are free of lien or undertaking.
- 2.4 You or any person designated by you will at all times have due authorisation to enter into transactions and act in all respects in relation to these *Terms*.
- 2.5 The execution of any order and/or instruction entered into does not and will not violate, contravene or conflict with any law, decree, order, judgement, charge or other instrument binding on you or any of your assets.
- 2.6 You warrant that by placing an order to sell, you own the relevant investments and will immediately arrange to forward to us the appropriate certificates and correctly completed transfer forms.
- 2.7 You must ensure that cleared funds are available on or before the day they are required.
- 2.8 You must inform us immediately of any changes to your personal details, including your postal address and email address that we use for correspondence purposes. We shall not be liable for any loss that you may suffer where we have not been informed of any change.
- 2.9 We are required by law to verify your identity during our relationship and if you fail to provide such details to us as requested in order to confirm this, including but not limited to your change of address, we reserve the right to not accept instructions from you until we have verified this change.
- 2.10 Please check that the information contained on contract notes, statements and other communications is correct. Where this is not the case please contact us immediately. If you do not do this you could lose your right to redress. If you do not receive a contract note within two working days you should contact us immediately or it may impact on your right to redress.
- 2.11 If you become aware at any time that another party has acquired knowledge of your username and/or password used to access our online portal or dealing password you must make no further use of the account and notify us immediately.
- 2.12 Where the account is in the name of more than one person, any communication may be by either party and your liabilities are joint and several.
- 2.13 We are not registered to undertake business with 'US persons' or persons resident in Canada. You warrant that you are not a US person, and/or that you do not have any affiliation with any US person, citizen and/or green card holder, and are not resident in Canada, which would cause us to be in contravention of this statement.
- 2.14 Any information supplied by us to you, will be complete to the best of our knowledge and you remain entirely responsible for the management of your tax affairs, including making any applicable returns and payment and complying with any applicable laws and regulations.

3. OPENING YOUR ACCOUNT

- 3.1 You should first familiarise yourself with these *Terms of Business* as you will be asked for your agreement to them.

GENERAL TERMS

- 3.2 These *Terms* apply from when your account is opened. You agree to notify us of any material changes to information you have provided to us, and agree to provide other information we reasonably request in order to comply with our obligations. Before you commence the service with us, we will provide you with an illustration of costs and charges which will also show the potential impact on the returns. Where an email address has been supplied, online access to your account through our Client Web Access (CWA) service will be provided within seven working days.
- 3.3 You can elect to open a Nominee, ISA, JISA or SIPP account, although we will require you to complete the appropriate agreement/application form. Alternatively, if you choose to open your new account in a certificated form, we will allow you to trade in non-Complex Instruments only. This also means that you will receive a share certificate (for which there will be an additional charge) from us for every purchase that you make. Please note, share certificates are not available for all stocks and shares.
- 3.4 All of our services are available to residents of the United Kingdom above the age of majority. Where an account is established with a designation for a minor (the nominee) or as a bare trust, this will be operated by the account holder until such time as documentary evidence and confirmation from the account holder that the nominee has reached the age of majority, at which point the account will be transferred. Full details of both the minor, including evidence of the child (birth certificate/passport) and account holder will be required before the account can be fully opened.
- 3.5 Certain services are also available to selected overseas residents, companies, partnerships, trusts, investment clubs, charities and approved pension schemes. All such accounts will be operated by us on a Nominee basis only. In these cases, and for residents of the Channel Islands and the Isle of Man, we will need additional documents from you before you can commence trading. Failure to confirm and provide the requested information may mean we cannot proceed with opening an account for you and/or undertaking a transaction for you.
- 3.6 All entities, including most trusts, must be in possession of a valid Legal Entity Identifier (LEI) before we can undertake a transaction on their behalf. You should apply for this directly, but we can help you with an application, although there will be a delay between applying and receiving this, meaning we will be unable to undertake any transaction for you in the intervening period.
- 3.7 Investment clubs should ensure that they are either constituted in accordance with a ProShare approved investment manual, or they have taken legal advice in producing their own constitution or altering the legal ProShare approved constitution. Where the investment club has altered or produced its own constitution, it declares it can represent to us that it is not a collective investment scheme under section 235 of the Financial Services and Markets Act 2000. A letter of authorisation must be drawn up between the members of the investment club nominating a member for communication purposes. We shall at all times communicate with this member. A further member should be nominated in order to place dealing instructions. This may be the same person. You remain responsible for ensuring that when any of the members change, or you nominate a different person for communication or dealing purposes, that a new letter of authorisation is signed and forwarded to us.
4. DEALING
- 4.1 Each order you place constitutes an offer to purchase the services detailed in these *Terms*. Once accepted by us, your order is irrevocable, unless, prior to its execution, you receive confirmation from us of any amendment or cancellation.
- 4.2 Client instructions may be made by telephone or in person. The majority are received by telephone and this is the preferred way for us to accept orders. We may also, at our absolute discretion, accept instructions by letter or email but these may be subject to a time delay before execution. We will record the date and time that an instruction is placed. Our records will be conclusive evidence of your instruction.
- 4.3 We will place all orders in accordance with our *Order Execution Policy*. This means that when executing orders on your behalf we will take all reasonable steps to achieve the best outcome for you, taking into account the nature of your order, the priorities you place upon us in fulfilling those orders and the market in question. We will review this policy annually to ensure that it allows us to obtain the best results for our clients. A copy of this policy is available from www.redmayne.co.uk/orderexecution or in hard copy on request.
- 4.4 Where you ask us to trade in investments not directly covered by our *Order Execution Policy*, (for example, those traded outside a regulated market) we will require your express consent to do so, before undertaking such orders. This may result in a delay in the order(s) being executed.
- 4.5 There are two main ways in which you can give us an instruction and your contract note will indicate which of these you have given to us. It is important to understand these:
- At Best (or at 'Market'): This is by far the most common type of instruction which serves clients very well. What it means is that we will normally check the current market price whilst you are on the telephone, and deal as soon as possible. As market prices can change at any time, you accept that it is possible the price could have moved up or down since it was quoted to you.
 - At a Limit: This means that, in the case of a purchase, we will not pay more than the 'limit' price and in the case of a sale, that we will not sell for you for less than the 'limit' price. Limits will be kept until the end of the calendar month, and are accepted on a 'best endeavours' basis. An additional charge will be made on all limit orders executed. This facility may not be available on certain types of securities.
- 4.6 The standard settlement period for shares traded on the London Stock Exchange is two working days (known as "T+2"). Clients dealing with share certificates will generally require settlement for ten working days (known as "T+10") and this can usually be arranged although there will often be a charge from the market in respect of this. This amount is available on request and will be relevant if your contract note bears the code 'SP' in the price column. Other, non-standard settlement periods can sometimes be arranged but this must be done in advance of dealing and will normally incur an extra charge from the market. Cleared funds must be in place by settlement date for purchases and we reserve the right to trade with the settlement period adjusted accordingly where you do not hold funds on deposit with us. The settlement date cannot be changed once the deal has been executed. We shall not be liable for any price variance relating to transactions requiring non-standard settlement.

-
- 4.7 If you wish to close a transaction, we must be told at the outset that it is a closing transaction. A closing transaction cannot settle before the settlement date of the transaction it closes out. Closing concessions cannot be given for deals less than two business days prior to the due settlement date and are not permitted for foreign stocks and shares.
- 4.8 We do not permit short selling and where this is identified, we reserve the right to close the position immediately. Any remaining outstanding balance will be your responsibility.
- 4.9 We always endeavour to issue contract notes on the day the deal is executed. The contract note contains all the details of the transaction and you should check it carefully. If you have any questions regarding the contract note, you should inform us immediately. If we do not hear from you otherwise by return, your agreement with the contents of the contract note will be assumed. Contract notes will be issued by First Class mail or via our Client Web Access service, available at www.redmayne.net. If you do not receive a contract note within two working days you should contact us immediately or it may impact on your right to redress.
- 4.10 You should retain all contract notes for taxation purposes. If you require a further copy an additional charge may be levied.
- 4.11 Orders in Unit Trusts and OEICs will be placed for the earliest possible execution - this may not necessarily be the same day as the day the order is given. Purchases will be registered in our Nominee name, and sales must already be held in the same way. Please note, on occasion, a fund manager reserves the right to make an adjustment to the price given to us - this is commonly known as an early redemption and in this situation a revised contract note will be issued to you.
- 4.12 If you instruct us to purchase an Undertaking for Collective Investment in Transferable Securities (UCITS) fund that has a Key Investor Information Document (KIID), we will issue these documents before the transaction which will contain the annual cost of the fund.
- 4.13 If you instruct us to purchase a Packaged Retail and Insurance-based Investment Product (PRIIP), we may issue the Key Investor Document (KID) after the transaction if you agree and we are dealing with you over the telephone. We will, however, in such situations provide you verbally with the annual cost of the product or security.
- 4.14 If you instruct us to convert between different share classes in Unit Trusts and OEICs, you should be aware that you may be unable to trade in that fund for a period of time, which may be up to two weeks or more. It is your responsibility to check the fund factsheet and KIID/KID to ensure that the conversion will be beneficial to you, as it may not always be in your interest to convert if you choose to convert into a unit class which results in you paying higher charges overall.
- 4.15 We will not normally aggregate orders, i.e. add one client's order to others. If this is necessary it will be disclosed on the contract note. Aggregation of orders in this way may in some cases lead to a transaction being dealt at an inferior price than might have been achieved under normal circumstances.
- 4.16 Should your account contain a 'leveraged instrument' and the instrument in question depreciates by more than 10%, and thereafter at multiples of 10%, from its original value, an email (or letter if we do not hold your email address) will be sent to you or your appointed representative the business day following the depreciation.
- 4.17 We may advise you on or deal for you in investments that are the subject of or could be affected by stabilisation. The effect of this may keep the share price at an artificial level and should not be taken as any indication of the level of interest from other investors.
- 4.18 Please note that demand for our services and market conditions may fluctuate. We cannot accept responsibility for any actual or potential loss or expense you incur if for any reason, other than our negligence, there is a delay or change in market conditions before the execution of your order is completed.
- 4.19 We reserve the right to refuse or not complete an order. We may also refuse to buy or sell if you owe us money from a previous deal, or for any other valid reason.
- 4.20 We reserve the right to cancel a transaction without notice where we believe there is sufficient justification. This may include, for example (but not limited to), circumstances where we are requested to do so by our counterparty or the relevant exchange, or where we believe it is necessary to maintain an orderly market or where you execute multiple trades in the same security within a short period of time. We shall not be liable for any loss or expense you incur as a result of the cancellation of a transaction in such circumstances.
- 4.21 All transactions will be subject to the rules, regulations, customs and market practice of the relevant investment exchange on which the transaction is dealt. All applicable regulations will be binding on you.
- 4.22 You should be aware that certain securities require us to notify them of the investor's nationality. If the proportion of overseas shareholders exceeds a stated proportion, they are empowered to dispose of shareholdings as they see fit. This may result in a compulsory disposal of your shares.
- 4.23 Partners, employees, associates and authorised representatives of Redmayne Bentley may have a position or engage in stock market transactions.
- 5. OVERSEAS DEALING**
- 5.1 If you wish to buy or hold overseas shares, a Nominee account will be necessary.
- 5.2 We will ask you to sign a *W-8BENe* form (or a different form if applicable) before you deal in shares whose income is derived from the US in order to satisfy US tax regulations. We will ask you to sign a further form upon expiry of this document if you are still holding stocks whose income is sourced from the US, usually after a period of three years. If you do not complete these form(s), before the date we specify (usually 30 days), we reserve the right to sell your stocks because holding them may jeopardise our ability to reclaim US withholding tax for other clients.
- 5.3 Please note that exchange rate fluctuations may have an adverse effect on the value of investments when dealing in overseas markets.
- 5.4 For sales of overseas stocks outside our normal custodial arrangements we require the certificates/stock and transfer forms in our possession before we can deal. This is
-

GENERAL TERMS

because of the increased complications and risk involved in dealing in some overseas shares. Please note, some stocks cannot be sold in certificated form and must be transferred into an account with us first. This service, where available, attracts a higher minimum commission, may be subject to restrictions and could mean that you are unable to deal until such time as the shares are transferred successfully.

- 5.5 Dealing hours in overseas markets vary, but we will deal for you as soon as we can (during UK market hours) at the best price available to us. When you deal outside of the overseas market's normal business hours, the price may vary considerably from the previous closing or subsequent opening price on that market.
- 5.6 Due to market restrictions, please note that when trading in overseas stocks, we may require you to forward cleared monies to us ahead of any purchase being undertaken. This is to alleviate currency risk and allows us to forward these to our overseas custodian in time for settlement. Conversely, when selling stocks in an overseas market, it will not always be possible to settle with you on the intended settlement date until these monies are received.

6. SETTLEMENT FOR SALES

- 6.1 Unless otherwise held by us on a deposit account for you, monies will be paid out to you on the appropriate settlement date. Where monies are paid by us to you, our default method is to pay you via BACS. Settlement of orders in the market may happen in one of two ways: (a) actual settlement; or (b) contractual settlement. We will always settle orders with you by way of contractual settlement even where we contract with underlying custodians on an actual settlement basis, assuming we are in receipt of all necessary documentation to us in good time, to allow us to do this. This means that the crediting of cash in your account will occur on the due settlement date of your order (and not the actual settlement date, as it would under actual settlement). At all times we will ensure that your rights as a retail client are protected. In the event that you do not deliver all necessary documents to us in good time to facilitate settlement on the contracted settlement date, then settlement will occur upon the actual settlement date.
- 6.2 Instructions to sell shares must not be given if you have lost or mislaid your certificate - you must first obtain a replacement certificate from the relevant Company Registrar and ensure that any certificate(s) and transfer form(s) are in our hands at least two working days before the settlement date, so we meet your/our obligations with the market and we can make payment to you on the settlement date. If you fail to do this you will be deemed to be not meeting the terms of your contract with us and we will not be able to pay you. We will try to contact you but an additional charge of £20 will be made if the necessary paperwork has not been received by this time. If we are unable to contact you, or the shares are not on their way to us, we will buy back the shares on your behalf at full commission without further reference to you in accordance with our *Order Execution Policy* (www.redmayne.co.uk/orderexecution) in order for us to deliver on our commitment on your behalf to the market. Any remaining outstanding balance will be your responsibility.
- 6.3 If your sale relates to shares bought recently through us, but for which a share certificate is still outstanding, you must tell your stockbroker when giving your instruction and preferably quote the bargain reference for the purchase. We are unable to sell shares recently purchased through another

source until you are in receipt of the share certificate.

- 6.4 You agree that any share certificate(s) forwarded to us, will be held either by us in our safe or registered temporarily into the name of our Nominee, in order to meet your/our obligations with the market. On the expected settlement date, these shares will pass to the purchaser and the sale proceeds will be received by us and credited to your account held with us.
- ### 7. SETTLEMENT FOR PURCHASES
- 7.1 You must ensure that cleared funds are available on or before the day they are required.
- 7.2 You should be aware that we require cleared payment by the settlement date shown on your contract note at the latest. Failure to comply with this may result in an additional charge being made, and may be interpreted as you not meeting the terms of your contract with us. In some cases, funds are required in advance of dealing. Interest may also be charged for the overdue period. These charges are detailed within the appropriate *Schedule of Charges*, available at www.redmayne.co.uk/terms or in hard copy on request. On the expected settlement date, for any purchases you place, your money will be transferred from your account to us, to enable us to settle your obligation with the market on your behalf. In the event of any delay in the settlement process, your money will continue to be treated as client money by us in accordance with FCA rules. You agree that upon settlement of your transaction your investments will be temporarily registered in the first instance in our Nominee name and remain in it until such time as full payment has been received from you. You will receive the benefits of holding the stock from the date on which you place the deal, regardless whether the transaction has settled or not - fulfilling 'contractual settlement'.
- 7.3 Please note that cash will not normally be accepted.
- 7.4 Where we have not received your payment by the settlement date we shall attempt to contact you initially by telephone and then by letter or email. If the payment is not on its way, or we are unable to contact you, we may at such time as we consider appropriate:
- Sell the stocks/shares at the prevailing market price and charge you full commission.
 - Close out any other open transactions (whether or not the planned settlement dates have been reached in accordance with our *Order Execution Policy*) to cover or reduce any loss (or the risk of further loss) on your account. This will have the effect of reducing your risk regarding future adverse market movements in respect of the unsettled transaction(s) but could mean you miss out on favourable market movements from which you would have benefited if transactions had been settled properly. You will be responsible for paying any outstanding deficit on your account including normal commissions and charges, and any interest and legal costs associated with collecting this.
- 7.5 In order for us to meet settlement deadlines, it is vital that cheques received from you can be paid in immediately on receipt and are met on first presentation. Cheques must always show your account number on the reverse.
- 7.6 We shall only accept cheques drawn from an account in your name and/or your partner's name (where you are named on the account), or from a recognised financial institution for your benefit. Please ensure that any cheques are made payable to 'Redmayne Bentley.'

-
- 7.7 Where cheques contain errors, which mean they are not (or would not be) met or are returned unpaid by a bank, we may make an additional charge - these errors include misdated and unsigned cheques or those where 'words and figures' differ. You will be expected to make good the payment immediately and interest will be charged for the overdue period.
- 7.8 If you wish to pay for your account by debit card, please telephone your Redmayne Bentley office during office hours - a member of staff will call you back on a secure payment line. Alternatively, you can make a secure payment online by visiting www.redmayne.co.uk/payment. You should ensure that the card is in your name and recorded at the address attributed to your account.
- 7.9 You will only be entitled to receive the benefits of 'netting' in respect of purchase and sale transactions due for settlement on the same day. Netting will not be permitted under any other circumstances.
- 7.10 Without prejudice and in addition to any general lien, right of 'offset' or other similar rights which we may be entitled to within these *Terms of Business*, we reserve the right to exercise any contractual lien and power of sale in our favour, insofar as there remains any outstanding amounts due from you to us. This includes interest applied to overdue amounts and all costs associated with legal advice or representation in respect of the recovery of these.
- 7.11 If you purchase stocks/shares outside of a Nominee, ISA, JISA, SIPP or CREST Personal Member Account, we will register them in the account holder name(s) and arrange for you to receive the original share certificate. Please note, share certificates are not available for all stocks and shares and a Nominee account is required in these instances.
- ## 8. CLIENT MONEY
- 8.1 Where a Nominee account is held, a Redmayne Bentley deposit account will also be opened for you unless we are advised or instructed to the contrary. Funds will be credited/debited to this account on settlement day. If sale proceeds/monies are to be withdrawn from your deposit account, please request this either in writing or by contacting your usual office. These will only be paid to the account holder and will not be made payable to a third party. Only the withdrawal of cleared funds will be permitted. Our default payment method is via BACS, although other arrangements for remitting funds to your bank can be arranged but will incur an additional charge. Deposit statements, detailing cash movements in the corresponding period, are issued to you on a monthly basis.
- 8.2 Client money will be held with Lloyds Bank plc and other banks (including Barclays Bank plc) we may choose from time to time in accordance with the FCA client asset rules and our Treasury policy. These require us to hold it in a client bank account, which is designated as a trust account, segregating your funds from ours at a bank approved by the FCA. Funds will be held by us in a pooled client deposit account in UK banks or building societies, who are members of the UK Financial Services Compensation Scheme (FSCS) and may be placed in accounts with notice periods of, or on deposit for fixed terms of up to 95 days. We do this in order to better spread the risk of default by the institutions with whom they are held, obtain better rates of interest and to avoid charges for depositing client money, which may otherwise be passed onto you. Placing money in notice or term deposit accounts does not affect your ability to deal or withdraw your money from us; however, such amounts may not be immediately available for distribution to you in the event of our default or by one of the institutions with whom your money is held. These accounts will also include the balances of other clients. You are, therefore, protected under the terms and subject to the conditions of the FSCS, although this means that in the event of default of that institution, if the sum held is in excess of the amount protected by this scheme and there is any unreconciled shortfall in the money held in the account, you may share pro rata in that shortfall.
- 8.3 We may also place your client money with an approved institution outside the UK and/or EEA. Where we effect a deal on your behalf, or income is paid on investments, whether inside or outside the UK and/or EEA, your client money might have to pass through a third party such as an exchange, clearing house, settlement agent or intermediate broker located either inside or outside the UK and/or EEA. We will ensure that any third party used by us who holds your assets is selected and appointed by us specifically for this purpose and we will exercise all due skill, care and diligence in the selection and periodic monitoring of such agents. In these circumstances the applicable legal and regulatory regime may be different from that in the UK and if that institution fails, and is thereby unable to repay all of its creditors, your client money may be treated differently than if it were held in the UK. In the event of such an institution being declared in default, we will make a claim on your behalf, including, where applicable, through any available compensation scheme.
- 8.4 Where any client money is held by the firm on the client's behalf (except where this is required for settlement of a bargain or for monies held in an income account), we will pay any interest due in accordance with any agreement we hold for you, at a rate of 2.5% below Bank of England UK bank base rate, subject to there being a minimum of £10 per half year becoming due to you. Any interest payable will be credited gross to your deposit account in January and July each year. Interest may not be payable in respect of monies not held in Pounds Sterling.
- 8.5 We will also pay interest to you should we fail to pay in a timely manner at a rate equivalent to that which you would otherwise have been entitled to should that money have been on deposit with us.
- 8.6 In the event that interest received or payable to you becomes a negative rate by way of market conditions, we reserve the right to pass on the negative charge in full. This will be because we are being charged by institutions for depositing funds on your behalf.
- 8.7 Where monies have been forwarded to us and we cannot allocate them to an account because insufficient information was provided, we are required by regulation to return those paid to us to the originating bank. Please ensure that any instruction paid to us contains, as a minimum, your client account number.
- 8.8 We may cease to treat your money as client money and, accordingly, release it from our client bank account and pay this to a designated charity of our choice if there has been no movement on your balance for a period of at least six years (notwithstanding any steps taken by us to trace you). We undertake to make good any valid claims against any released balances.
-

GENERAL TERMS

9. FEES AND CHARGES

- 9.1 We will charge fees and commissions in accordance with our published rates detailed in the appropriate *Schedule of Charges* and *Ancillary Charges*, available at www.redmayne.co.uk/terms or in hard copy on request. We may also charge for any expenses extraordinarily incurred whilst administering your account. Please contact your Redmayne Bentley office for details.
- 9.2 Government stamp duty, stamp duty reserve tax (SDRT), VAT and any other applicable taxes will be charged at the prevailing rates. If such rates change, we will apply the revised rates as and when they become due.
- 9.3 In limited circumstances we may seek to change our fees or charges under this contract in order to reflect changes in the costs we incur in providing this service. We will notify you at least 30 days in advance of any such change taking place. Please note that if after receipt of this notice of change, you do not instruct us to close your account as detailed in 14.4 of this document this will imply your acceptance of the change.
- 9.4 On an annual basis we will send you a summary of the costs and charges you have incurred over the previous 12-month period.
- 9.5 You agree to pay our fees and charges plus costs and expenses we incur on your behalf. You also agree to be responsible for any costs and losses that we incur in providing our services to you except where such costs and losses are caused by us.

10. PROTECTION OF YOUR ASSETS HELD WITH US

- 10.1 Investments held in our Nominee service will, by default, be held by us in a pooled (or omnibus) account. This is standard practice across most firms who operate dematerialised accounts. This means that your holdings will be pooled with those investments of our other clients and registered primarily in the name of Redmayne (Nominees) Limited. Pooling in this context means that individual client entitlements may not be separately identifiable (other than by our records) and that in the event of a default of a custodian leading to a shortfall, all clients in that security will share pro rata in that shortfall. There is a risk that your investments could be withdrawn or used to meet the obligation of other persons, or that the balance of assets held does not reconcile with the quantity required to be held, which in turn leads to a shortfall. In the unlikely event that we identify a client's entitlements within such a pool being used to cover for another, for example, due to a clerical error, we will fund this until such time as there is no shortfall. In the event of our liquidation and any shortfall arising, this means that you may share proportionately in this shortfall. We do not believe this situation is likely to arise as we maintain records of all underlying movements. In the event of a shortfall arising during the course of our reconciliations with a third party or due to an error on our part, for example, due to a timing difference, we shall make good this shortfall with the equivalent cash value and our records will indicate which clients have been affected by this shortfall.
- 10.2 If your investments are held in our Nominee service you may lose any incentives or shareholder benefits that would otherwise be attached to these.
- 10.3 If your investments are held in our Nominee service, due to

the nature of applicable laws or market practices in certain overseas jurisdictions, we may decide that your investments should be registered in our name or in the name of the person who is a custodian for the purposes of FCA rules. Such a custodian may be located outside the UK and/or EEA. In these circumstances the applicable legal and regulatory regime may be different from that in the UK. Non-UK shares may be held overseas. This is because there may be different settlement, legal and regulatory requirements for the separate identification of investments from those applying in the UK. A charge may be made by us when you request us to transfer non-UK shares from another account or your own name into our Nominee service. We will advise you of this at the time.

- 10.4 You may alternatively request that your assets are held in a designated (or 'segregated') account, whereby your investments are held solely in an account for your benefit. This means that in the event of our liquidation that any shortfall identified in your account, will be borne by you alone. Due to the increased administrative costs incurred by us in operating designated accounts we reserve the right to charge additionally for this facility – any such charge will be made on an annual basis. Please note that this option is only available for investments capable of being held in CREST, notably UK and Irish Equities, and you should check prior to agreeing to operate a designated account, whether such a facility would be of benefit to you.
- 10.5 If you transfer to us investments to be added to your account, these will be transferred into your account held in our Nominee service. This will normally take around ten business days from the receipt of the share certificates and correctly completed transfer form(s). For non-eligible shares, this will take longer. You may not be able to sell these investments until this transfer is complete. You warrant that you are the beneficial owner of all shares transferred into your account and these are free of lien or undertaking.
- 10.6 Should you wish to take advantage of holding shares electronically, but hold these in your own name, a further option is permitted by CREST, whereby you can operate a CREST Personal Member Account. As all holdings maintained will be in your name, you will then receive all company correspondence direct and be able to elect for scrip dividends, where permitted. This means that your shares are held solely for your benefit and in the event of our liquidation that any shortfall identified in your account, will be borne by you alone. Due to the additional administrative costs incurred by us in operating such an account, we will charge additionally for this facility – any such charge will be made on an annual basis. Please note that this option is only available for shares capable of being held in CREST, notably UK and Irish Equities, and you should check prior to agreeing to operate a CREST Personal Member Account, whether such a facility would be of benefit to you. A similar facility is operated for entities and this is called a Corporate Member Account and that same charge would apply.
- 10.7 You may wish to receive share certificates for each purchase made. This will ensure that your name appears on the share register and you will receive all documentation direct from the company. This facility is not available on all types of shares and additional charges will apply for each transaction undertaken in a certificated form – this will increase the overall cost of your investment. Please note that in order to increase the efficiency of stock markets across the world and eliminate the risk of paper transfers, share certificates are now in the minority, with most investors choosing to operate

a Nominee account.

- 10.8 An account inactivity custody fee of £40 on Nominee accounts will apply where, at the close of business on the last business date in June, no trades have been conducted or separate portfolio fees collected on the account in the previous three complete years. In order to avoid subsequent inactivity fees, you may sell or transfer out your assets and close your account at any time, but if you do not, this charge will then be applied each year thereafter until such time as a trade is conducted upon the account. The account inactivity fee does not apply to accounts where a separate management/custody fee is otherwise collected.
- 10.9 You may instruct us at any time (including at the time of closure) to transfer your investments from us into your own name or to another Nominee account, subject to the payment of a fee. Please note that certificates, or other evidence of title, may not always be available. We will advise you of this at the time.
- 10.10 We may refuse to accept certain investments transferred or delivered to us, by you, or for you.
- 10.11 The firm does not participate in stock lending. This means that we will not lend stock to a third party nor will money be borrowed on your behalf against the security of that stock.
- 10.12 We accept liability only for the performance of our own Nominee companies, including losses, but not for any other custodian or registrar.
- 10.13 We have insurance which covers each claim against the Nominee company up to £10,000,000.
- 10.14 We participate in the FSCS; eligible investments are covered by the Compensation Scheme up to £50,000 (from April 2019 this will increase to £85,000) and cash deposits are separately covered under the Deposits Protection scheme up to £85,000 per individual, per institution, in the event that the institution fails.
- 11. DIVIDENDS, INCOME AND CORPORATE ACTIONS**
- 11.1 If you buy shares and are entitled to a dividend or other corporate action, but are not registered in time to receive it directly, we will claim it for you. Conversely, if you sell shares and receive any dividend or other document(s) to which you are not entitled, we will claim it from you.
- 11.2 If you sell shares and then receive a Letter of Allotment or Entitlement or Scrip Certificate in respect of new shares, you should forward these to us immediately, duly signed. If we have not received these documents at least 48 hours before the closing date for the offer, we reserve the right to buy the shares in for you at a cost equivalent to the benefit owed and in accordance with our *Order Execution Policy*, available at www.redmayne.co.uk/orderexecution or in hard copy on request, and you will be debited with the full cost plus any associated charges.
- 11.3 When we hold shares for you in a company which makes an optional corporate action (including any held by us on your behalf in a CREST Personal Member Account, we will write to you asking for your instructions within a certain timescale. Please note that the length of time required to process an optional event is often only a few business days and our deadline will expire before that set by the company or their registrars. This is to ensure that we have sufficient time to process instructions for all our clients. You must also ensure that we hold the requisite information on your account, which includes countries in which you pay tax, Nationality, and National Insurance (or other tax identification required) number for individuals or LEI for entities. We cannot be held responsible for any losses arising if that notification failed to reach you, if your subsequent instruction reaches us after this period has expired or if we are unable to accept your instruction due to the lack of identification. In the case of a rights issue, open offer or other event which requires payment from you, you must ensure that cleared funds are held in the correct account by the deadline in order that we can meet our payment obligations. Where the deadline set is less than three business days, we will not send a notification, but your usual office or executive will attempt to contact you by telephone on a 'best endeavours' basis. We will not be liable to you for any loss or 'opportunity cost' suffered in the event we cannot contact you and obtain your instructions.
- 11.4 Elections, once given, will be deemed to be irrevocable and final.
- 11.5 You may take up certain corporate action(s) in your own name. We may charge you for doing this.
- 11.6 Where we do not receive any instructions from you by the deadline specified in relation to a corporate action, we will select the basic default option specified by the company or registrars involved, or in the case of a rights issue, allow them to lapse.
- 11.7 Where, after acting for you and our other clients for a corporate action, we are left with a fractional entitlement to part of a share, unit or cash, we may add these together, sell them (in the case of shares or units) and keep the proceeds to set against our operating expenses.
- 11.8 Where securities or cash are due to you as a result of a corporate action (whether optional or not), these will be credited to your account at such time as we receive them.
- 11.9 When we hold investments for you in a company that makes an income payment, we will collect this on your income account, or in the case of ISAs/JISAs, add this to your available cash balance. These payments will normally be paid into your account as soon as reasonably practical after we receive them. Please note, any income due will not be paid by us until received by us. This may mean a short delay from pay date before we are able to credit your account held with us, for example, with distributions paid on overseas securities. The monies held on your income account will not accrue interest and at the end of each month the total sum will be transferred to your deposit account held with us. If you would prefer the total income collected in that period to be paid to you, written notification is required and evidence required that the account is held in your own name, for example, a spoiled cheque or bank statement. This payment will be issued to you by BACS and a statement detailing all income received will then be issued to you monthly. Should you wish to view this electronically, you can arrange this via our Client Web Access service, available at www.redmayne.net. This option is available to accounts held within both our Nominee and ISA services.
- 11.10 Scrip or stock dividends will not be elected for on your holdings and we are not responsible for informing you that a scrip or reinvestment alternative exists.

GENERAL TERMS

- 11.11 Any investment you receive as a result of a takeover, conversion or other offer will be rounded down to the nearest whole unit. In the event that these new shares or units are not eligible to be held electronically, these will be held by us in certificated form. Please note that the availability of such certificates may be restricted, and you may not be able to sell until such time as we have received the certificates or confirmation of the new units/shares. At that point, we will confirm receipt to you.
- 11.12 In the case of redemption of stocks and shares, we will credit the amount received from the redemption into your account and confirm this to you. Should there be a takeover, conversion or other offer we will write and advise you. We will then follow your instructions, so long as you have given us sufficient time to do so and we hold the requisite information about you and/or an LEI (in the case of an entity), in order for us to correctly report details of the transaction to the regulator. Should there be an unconditional takeover and we have not received instructions from you, we shall accept the offer on your behalf if the timetable permits.
- 11.13 If your investments are pooled with those of our other clients you may find that your entitlement in respect of your investments during a corporate action is different to what you would have received if our Nominee service was not holding your investment and if you held this directly.
- 11.14 If we are notified of a class action or group litigation order that is being processed or taken concerning investments that our Nominee service is holding or has held on your behalf we will be under no obligation to inform you or otherwise act on that notification.
- 11.15 Due to the complexity of the tax regimes in other countries, we will not, as a general rule, reclaim tax credits on dividends or other income on foreign securities. However, the reduction at source of some of the tax credits on dividends or other income for US and Canadian shares which we receive, may be permitted where we have received properly completed documentation for eligible non-resident investors.
- 11.16 You should be aware that if you maintain a holding where a separate handling charge is made on us, for example, American Depositary Receipts (ADRs), then this will be debited from your account.
- 11.17 You should be aware that due to the complexity of investment restrictions in other countries, it is possible that you may not be able to participate in certain corporate events that you may otherwise have been entitled to. We cannot be held responsible for this loss of entitlement.
- 12. COMMUNICATIONS, REPORTING AND SHAREHOLDER COMMUNICATIONS**
- 12.1 We endeavour to issue contract notes via our Client Web Access service or by First Class mail on the day the deal is executed.
- 12.2 When sending communications to you we will use the permanent postal or email address or telephone number of the first applicant or holder that you have provided.
- 12.3 Secure access to view your account(s) is available through our Client Web Access (CWA) service. An email address must be registered on your account. Access is typically provided for all new accounts. A CWA username is sent to you via email and a password sent by post. Email notifications advise you when any future contract notes and statements are available to view within your CWA account. You have the option to switch to receiving paper contract notes and statements at any time within the 'Preferences' section of your CWA account.
- 12.4 In order to protect your personal or confidential data such as valuations, contract notes, recommendations or updates on your investments held with us, some email communications will be sent to you via a secure mechanism called Mimecast.
- 12.5 Amendments are deemed to be notified by us to you, if written notice is sent to you at your last known address.
- 12.6 We will issue communications to you using one of the following mediums:
- By posting the communication in our Client Web Access service
 - By post or email
 - Verbally by telephone or in person
- 12.7 If you wish to attend shareholder meetings and /or vote, this facility is available via CWA. Please note that a charge is payable to arrange attendance at Annual General Meetings (AGMs). Please refer to our *Ancillary Charges*, available at www.redmayne.co.uk/terms or in hard copy on request.
- 12.8 We will assume that you have received a communication from us:
- Two days after we post it to you, if it is sent to you by post
 - Immediately upon sending, if it is given to you verbally
 - When notification is received by your internet service provider, if it is sent to you by email
- 12.9 We will not exercise voting rights on your behalf, unless you have a Client Web Access account (this facility may not be available for overseas companies).
- 12.10 You will be issued a statement/valuation listing the investments held by us on your behalf on a quarterly basis. You may request that we provide these to you at any time. We may charge you for this service. Statements issued are based on transaction date and may therefore include unsettled items.
- 12.11 Where statements or valuations are not normally supplied by us to you, we reserve the right to charge for these. This includes the production of duplicates where the originals have been mislaid. Where we provide you with a valuation, we will use mid-market prices sourced primarily from the LSE. These will not necessarily be identical to those recorded in daily newspapers or any other medium as exchange rates and alternative trading venues may be referenced. We are not liable to you if different prices may have been available on an alternative trading venue.
- 12.12 Where we collect income payments on your behalf, we will supply you with a consolidated tax certificate as soon as reasonably practical after the end of the tax year. The consolidated tax certificate will be quoted in Pounds Sterling and no exchange rates will be quoted for overseas shares.
- 12.13 In limited circumstances we may seek to change these *Terms of Business*. We will only seek such a variation in order to reflect changes in the way that we deal for you and/or look after your investments which arise from changes to the legal/regulatory regime or standard stockbroking

-
- practice. In any event we will notify you at least 30 days in advance of any such change taking place. Please note that continued use of our services after implementation of such a change implies your acceptance of it.
- 12.14 We do not accept responsibility for any documents (including cheques and share certificates) which go missing in transit to and from our offices, with the exception of share certificates dispatched by us to you. In such cases our liability will be for one month from the date of dispatch and will be limited to the registrars charge for issuing a replacement certificate.
- 12.15 Under the FCA's 'Major Shareholding Regime' shareholders have an obligation to make a declaration (to the FCA and the underlying issuer) when their shareholding in a specific company reaches a certain size. This applies to all your investments whether held through our Nominee service or otherwise. These rules rarely affect private clients with respect to shareholdings in major companies, but can sometimes surprise clients with regards to shareholdings in small or 'penny shares' companies. Please note that such changes may arise, not only as a result of your acquisition or disposal of shares in a specific company, but due to the acquisition or disposal by third parties and/or as a result of events changing the breakdown of voting rights in that specific company. Details of the rules, for the UK including the relevant thresholds and reporting procedure, can be found in the FCA handbook at www.fshandbook.info/FS/html/FCA. Please note, similar disclosure rules are applied in other jurisdictions. You are responsible for monitoring the level of your shareholdings and making the relevant disclosures when your shareholding reaches, exceeds or falls below certain threshold levels.
13. DATA PROTECTION AND DATA SECURITY
- 13.1 You acknowledge that we may process information (including personal data) about you, obtained from you and/or other sources such as credit reference agencies, during the course of our relationship with you. This data will be processed in accordance with the Data Protection Act 2018 for the purposes of providing services to you and to allow us to carry out our business, as explained in our *Privacy Policy*, available at www.redmayne.co.uk/terms or in hard copy on request, which may be updated from time-to-time.
- 13.2 We will not provide information to organisations without your consent, unless we are obliged to by law or are requested to do so by any other regulatory bodies (including, but not limited to, reporting to HMRC on accounts for clients taxed in another jurisdiction). In such cases this will not occur without ensuring the necessary assurances and indemnities are in place to ensure that your personal information is subject to equivalent levels of security at all times.
- 13.3 For security, regulatory and compliance monitoring purposes we record client telephone conversations and store emails and we may use these for training purposes. We also reserve the right to ask you security questions personal to your account details for your protection. This may include a unique password.
- 13.4 In order to comply with UK anti-money laundering legislation, we will check your details at credit reference and fraud prevention agencies when opening your account or subsequently. Please note that we are also required to verify the identity of any third party who is permitted to give instructions on the account.
- 13.5 Such agencies may keep a record of our enquiry. By opening an account with us, you freely consent to the processing and disclosure of the personal information for these purposes.
- 13.6 If the identity of you or any other party for whom we are obliged to seek evidence of identity cannot be confirmed, we may be prevented from carrying out any instruction you wish us to undertake. We will have no liability in respect of losses incurred in such circumstances.
14. ACCOUNT CLOSURE
- 14.1 We reserve the right to terminate your account(s) or your access to the service or any portion of it at our sole discretion, without notice and without limitation for any reason.
- 14.2 Closure will not affect any outstanding transaction, balances or any rights or obligations which may already have arisen between you and us.
- 14.3 Where an account belonging to you contains a cash balance only of less than £100 and has been inactive for two or more years, we reserve the right to close the account and send you the balance, less any charges that are or would become due to us.
- 14.4 You may instruct us to close your account verbally unless asset(s) are held or controlled by us, when we will require the instruction in writing. If the account held is in joint names, we will require written instructions from all parties to close the account or transfer it to another account held with us or another provider. We will only transfer the assets to an account in your name.
- 14.5 Subject to the payment of any relevant charges and providing there is no outstanding debt we shall arrange to close or transfer your investments as soon as reasonably practical. This process will ordinarily take no more than 30 days, but in certain circumstances could take longer.
- 14.6 We may transfer client money to another firm on a transfer of business provided that the sums transferred will be held in accordance with the FCA's client asset rules and that the transferee is authorised and regulated by the FCA.
- 14.7 Where the account is in the name of more than one person, your liabilities are joint and several. In the event of death, the account will continue in all respects in the name(s) of the survivor(s) although a new account will be established for the sole survivor.
- 14.8 Where the account is in a sole name, in the event of death the account will automatically become Execution-Only and no action can be taken on the account until we are in receipt of the Grant of Probate/Certificate of Confirmation. We are not responsible for any losses in the account during this period.
-

ISA TERMS

15. YOUR RESPONSIBILITIES

- 15.1 You must be the sole owner of your ISA and there must be no reason why you should not enter into this agreement. We will not be responsible for any claims or demands made by someone who has an interest in your ISA. We will not be responsible for any other claims or demands in connection with our duties except where a liability is incurred as a result of our own negligence, wilful default or fraud. You will indemnify us against any loss or liability (except where caused by our own negligence, wilful default or fraud) which has been incurred as a result of providing the service to you or which otherwise would not have been incurred.
- 15.2 You must contact us immediately if you are (as applicable): no longer resident in the UK; cease to perform duties as a Crown employee serving overseas; or cease to be married to, or in a civil partnership with, such a person. You will be able to keep your ISA open, but unable to make further ISA subscriptions.

16. OPENING YOUR ISA

- 16.1 You may open an ISA if you are resident in the UK and are aged 18 or over. You may also apply if you are (or are married to, or in a civil partnership with) a Crown employee working outside of the UK, but being paid out of UK public revenue.
- 16.2 You cannot open an ISA jointly with anyone else.
- 16.3 In accordance with the Regulations you may subscribe up to HM Revenue & Customs ISA limits in any tax year.
- 16.4 You may only open one Stocks and Shares ISA in any tax year.
- 16.5 We only offer a Stocks and Shares ISA.
- 16.6 Your ISA will be activated when a subscription is paid and a valid application form received. All subscriptions must be made from your own resources and be received in Pounds Sterling. Ways to subscribe:
- Make a secure payment online at www.redmayne.co.uk/payment
 - Electronic transfer from your bank
 - Cheque
 - Debit card - please contact your Redmayne Bentley office and a member of staff will return your call on a secure line.
 - By transfer from your Redmayne Bentley Nominee account.
- 16.7 Subscriptions must be made with a minimum initial investment of £1,000.
- 16.8 Any future subscriptions must comply with the ISA Regulations and these *Terms*. Regardless of the number of withdrawals you make, you may replace these without the replacement counting towards your annual subscription limit as long as the replacements are made within the same tax year. Where a withdrawal is made, any subsequent subscription in the same tax year that would otherwise count towards the subscription limit will do so only to the extent that previously withdrawn amounts have been fully replaced.
- 16.9 Your ISA application covers the current tax year and each subsequent tax year until we receive no subscriptions for one full tax year. We reserve the right to require you to complete a fresh application for each new tax year should

you change your service option.

- 16.10 Your application form must be completed in full. If you fail to complete all of the required information, we may provisionally open your ISA plan and contact you for further information. You must supply such information within 30 calendar days following your application. If you fail to provide such information, we reserve the right to cancel any transaction(s) already undertaken by selling out or buying back the required investments and accounting to you for any difference together with our associated costs.
- 16.11 Shares received from an Approved All-Employee Savings-Related Share Option and/or Profit Sharing Scheme may be transferred directly into your ISA. For an Approved All-Employee Savings-Related Share Option you need to do this within 90 calendar days of the exercise date. For Profit Sharing, it will be necessary to do this within 90 calendar days of the date that you instruct the trustees to transfer ownership to you, or the release date, whichever date is the earliest. In either case, we must receive your documents at least ten business days prior to the end of the 90-day period. The value of your subscription will be calculated by reference to the aggregate market value of the shares at the date of transfer (usually the date of receipt by us). This will be the closing middle market share price on the date of transfer.
- 16.12 You may ask us to sell investments that are held outside an ISA in either your name, or in the case of joint accounts in both yours and your spouse's name and we will pay the proceeds from the sale(s) to your ISA following settlement.
- 16.13 We will pay your dividends, distributions, gilt and bond interest to your ISA.

17. QUALIFYING INVESTMENTS

- 17.1 We will comply with the ISA Regulations in maintaining your ISA. Should any of your stocks and shares not be qualifying investments under these Regulations, or any changes to them in the future mean that they are no longer qualifying investments, then we will ask you whether you wish us to sell them and pay the proceeds to your ISA or re-register them into your own name. We may charge you for this.
- 17.2 Applications can be made for public offers of shares or new bond issues in qualifying companies, including investment trusts, using cash held in an ISA plan. If you are using sale proceeds, the funds from the transaction must be available before the deadline to take up the offer.

18. SETTLEMENTS

- 18.1 You must ensure that there is sufficient money in your ISA to cover payments on the date of dealing, otherwise your ISA may become void. Should there be insufficient money in your ISA to pay for a purchase, or other money that you owe us, we may take other uninvested money we hold for you to cover the shortfall. Should there be insufficient money to cover what is owed to us, we may sell stocks and shares we hold for you (whether under this agreement or any other agreement entered into with us) as we choose.
- 18.2 We may add interest to any amount owing in accordance with our published rates, which are available on request.

19. TRANSFERRING AN EXISTING ISA TO REDMAYNE BENTLEY

- 19.1 You may apply to transfer the whole of your current year ISA subscription(s) and/or your previous years' investments in whole or in part to us in accordance with the Regulations.
- 19.2 Only such investments as are specified in the Regulations can be transferred into an ISA.
- 19.3 You must complete the appropriate *ISA Application/Transfer Form*, available from www.redmayne.co.uk/forms or in hard copy on request, which must be returned to us by post.
- 19.4 Any ISAs transferred to us will be amalgamated with any existing ISA plan that you may hold with us.
- 19.5 The transfer process will ordinarily take no more than 30 days, but in certain circumstances could take longer.
- 19.6 Once we receive your written instructions you may not be allowed to trade the shares held during the transfer process.
- 19.7 We reserve the right to refuse any application to open or transfer in an ISA.

20. WITHDRAWALS FROM YOUR ISA

- 20.1 You may withdraw money from your ISA by communicating with us in writing. Should you have insufficient money in your ISA to cover the withdrawal, you will need to tell us which of your stocks and shares you wish us to sell. We will send you the money after having received your instructions, or, should we sell stocks and shares, no later than one business day after it becomes due to you.
- 20.2 We will send you the money by BACS where bank details are held, although other arrangements for remitting funds to your bank (including by cheque) can be arranged but will incur an additional charge. All relevant administration charges will be deducted from your ISA prior to the withdrawal. We will require your instructions in writing.
- 20.3 You may also withdraw stocks and shares from your ISA. We require your instructions in writing and will register them in your name. It may take up to eight weeks before you receive all of your share certificates. Alternatively, you may wish to transfer your shares to our Nominee service. You will need to complete a separate application form, available at www.redmayne.co.uk/forms or in hard copy on request. We may charge you for this. Please note that for some stocks it may not be possible to transfer them into certificated form.
- 20.4 Should you not comply with this agreement or with the ISA Regulations then we may have to close or void your ISA. If so, we will write to inform you.

21. TAX RELIEF

- 21.1 We will make the necessary claims for tax relief in respect of investments where UK tax has been deducted in accordance with the Regulations, but not necessarily in respect of any international securities.
- 21.2 You authorise us to provide HM Revenue & Customs with relevant information about your ISA plan(s).

22. FEES AND CHARGES

- 22.1 We will deduct the annual administration charge on or around the 1st October each year from the uninvested money that you hold within your ISA. This fee will be levied in full in arrears and not on a pro rata basis.
- 22.2 Should there be insufficient money in your ISA to cover our fees we will then request payment of the balance from you and we reserve the right to sell stocks and shares we hold for you, as we choose, to cover these. Our standard Stockbroking charges would apply in such instances.

23. CORPORATE ACTIONS

- 23.1 Should a company have a bonus or other similar issue, we will credit the ISA with the new stocks and shares, or the cash proceeds, so long as they are eligible to be held in your ISA. Should they not be eligible, then we will write to you for your instructions.
- 23.2 Should a company have a rights issue, we will ask you for your instructions in the matter. Please note, you may only take up rights within your ISA if there is sufficient cleared money in that plan to pay for them. In the event that you make an election for more shares than you are entitled to receive, we shall amend your election without recourse to you.

24. COMMUNICATION

- 24.1 Each quarter you will be issued with a statement which details: the stocks and shares held, as well as any cash held in your ISA; any transactions since your last statement; the current value of your stocks and shares; and the basis on which your ISA was valued. We will use mid-market prices sourced primarily from the London Stock Exchange (LSE). These will not necessarily be identical to those recorded in daily newspapers or any other medium as exchange rates and alternative trading venues may be referenced. We are not liable to you if different prices may have been available on an alternative trading venue. These statements will not include any measurement of performance.

25. TERMINATION OF THE AGREEMENT

- 25.1 If the value of your ISA falls below £250 we reserve the right to close your ISA. We will write to you to inform you should this be the case. Our standard closure fees will apply.
- 25.2 Should you choose to close your ISA, we will return your monies after deduction of fees and expenses. We only accept instructions in writing. We will also send you a valuation and statement of your ISA as at the date the agreement ends.
- 25.3 We will notify you in writing if, by reason of any failure to satisfy the provisions of the ISA regulations, an ISA has, or will, become void. In such an event that a plan must be fully voided and closed, then this action will be subject to an appropriate settlement charge. The remaining balance (if any) will then be returned to you. In such an event that a plan is deemed void you must declare the details of any interest, dividends and capital gains or losses arising on the investments to the tax authorities. This may result in a tax liability.

ISA TERMS

- 25.4 You may ask us to transfer a whole or partial component of your ISA to another registered ISA Manager who has agreed to accept it either in the form of stocks and shares and/or cash. The transfer process will ordinarily take no more than 30 days, but in certain circumstances could take longer.
- 25.5 Once we receive your written instructions you may not be allowed to trade the shares held during the transfer process.
- 25.6 In the event of death, this agreement shall end and we will require formal notice of your death. From the date of your death, tax relief will no longer apply to your ISA and all income paid to your ISA will be subject to tax. We will then hold the existing stocks and shares and cash in your ISA. Once we receive the Grant of Probate we will, as instructed, either: sell all holdings; transfer the holdings; or use the account towards an Additional Permitted Subscription (APS) transfer, if applicable. We will not provide investment advice to the executor of your will or administrator of your estate. We are not responsible for any losses to your ISA as a result of us or your personal representative(s) not being able to administer your investments following your death.
-

INVESTING FOR CHILDREN TERMS

26. YOUR RESPONSIBILITIES

26.1 You must be aged 18 years or over and a parent or guardian with parental responsibility in relation to the child to open a JISA for them. At the age of 16 years or above, the child can take responsibility for their JISA, including deciding on investments (but not being able to place instructions until they are aged 18), reporting and administration. We will not be responsible for any claims or demands made by someone who has an interest in the child's JISA. We will not be responsible for any other claims or demands in connection with our duties except where a liability is incurred as a result of our own negligence, willful default or fraud. You will indemnify us against any loss or liability (except where caused by our own negligence, willful default or fraud) which has been incurred as a result of providing the service to you or which otherwise would not have been incurred.

26.2 You must write to us immediately if the child for whom this account is opened is (as applicable): no longer resident in the UK; ceases to perform duties as a Crown employee serving overseas; or ceases to be married to, or in a civil partnership with, such a person.

27. OPENING YOUR ACCOUNT

27.1 We will open an account upon receipt of a correctly completed *Junior ISA (JISA) Application/Transfer Form*, available from www.redmayne.co.uk/forms or in hard copy on request, and any other information that we may require from time to time.

27.2 You cannot open an account jointly with anyone else.

27.3 You authorise us to provide HM Revenue & Customs with relevant information about the child's account(s).

27.4 In accordance with the Regulations you may subscribe up to HM Revenue & Customs subscription limits in any year. Should the allowance not be fully utilised in any one year the opportunity to invest additional monies for that particular year is lost, unused allowances cannot be carried forward (subject to certain circumstances). A year begins on the opening of a JISA and on 6th April thereafter.

27.5 We offer a Stocks and Shares JISA (which has the facility to hold cash). We do not offer a Cash-Only JISA.

27.6 You may only have one Stocks and Shares JISA per child.

27.7 The JISA will be activated when a subscription is paid. All subscriptions must be made from your own resources and be received in Pounds Sterling. All monies received will be treated as a gift to the child. Ways to subscribe:

- Make a secure payment online at www.redmayne.co.uk/payment
- Electronic transfer from your bank
- Cheque
- Debit card - please contact your Redmayne Bentley office and a member of staff will return your call on a secure line.
- By transfer from your Redmayne Bentley Nominee account.

27.8 Subscriptions must be made with a minimum initial investment of £250.

27.9 Initial and future subscriptions to JISAs and SIPP's must comply with HM Revenue & Customs Regulations and these Terms. Once monies have been subscribed to a JISA

or SIPP, it is not possible to reclaim or access these funds. With a JISA account only the child, upon reaching 18 years of age, has entitlement and access to these monies, and with a SIPP it is only accessible upon normal retirement age.

27.10 Your *Junior ISA (JISA) Application/Transfer Form* covers the current year and each subsequent year until we receive no payments for one full year. We reserve the right to require you to complete a fresh application form for each new year should you change your service option.

27.11 The *Junior ISA (JISA) Application/Transfer Form* must be completed in full. If you fail to complete all of the required information, we may provisionally open your account and contact you for further information. You must supply such information within 30 calendar days following your application. If you fail to provide such information, we reserve the right to cancel any transaction(s) already undertaken by selling out or buying back the required shares and accounting to you for any difference together with our associated costs.

27.12 You may ask us to sell qualifying stocks and shares which are in your name and we will pay the proceeds from the sale(s) to the child's account. These monies will be treated as a gift to the child.

27.13 We will pay any dividends, distributions, gilt and bond interest arising from investments made to the child's account. Please note, in the case of a JISA, that these monies cannot be withdrawn until the child reaches the age of 18.

27.14 A JISA is only available to eligible UK residents.

28. CONTROL AND ACCESS

28.1 For JISAs and Bare Trusts, once the child reaches 18 years old (16 years in Scotland for bare trusts), control of the account will transfer to the child without incurring any tax liability. We will write to them at this time. The child can also apply for control from the age of 16 years upon production of a valid National Insurance Number and written correspondence authorising the transfer of control.

28.2 Until the child takes control of the account, you will control the investment and be responsible for ensuring it is appropriate.

29. SETTLEMENTS

29.1 You must ensure that there is sufficient money in the child's account to cover payments on the date of dealing, otherwise the child's account may become void. Should there be insufficient money in the child's account to pay for a purchase, or other money that is owed to us, we may take other uninvested money we hold for the child to cover the shortfall. Should there be insufficient money in the child's account to cover what is owed to us, we may sell other stocks and shares we hold for the child (whether under this agreement or any other agreement entered into with us) as we choose.

30. TRANSFERRING TO/FROM REDMAYNE BENTLEY

30.1 You may apply to transfer JISAs or CTFs to us, and JISAs from us, in accordance with the Regulations. Please note that these can only be transferred in whole and will

therefore include both current year and previous years' investments. We will accept transfers either in cash and/or in specie, but not all providers may permit this and you may be required to sell investments before any transfer can be effected.

30.2 CTF transfers to us will automatically be transferred into a Redmayne Bentley JISA.

30.3 Only such investments as are specified in the Regulations can be transferred into a JISA.

30.4 Where an account is transferred to us it will be accepted free of charge (except charges such as Stamp Duty and other dealing costs associated with the acquisition of investments).

31 WITHDRAWALS/TERMINATION OF THIS AGREEMENT

31.1 Withdrawals can only be made in the following circumstances:

- i. The parents of a child who is terminally ill may make a claim to HM Revenue & Customs to be allowed to access the funds in the child's account. If the claim is agreed a letter will be issued to the child's parents/guardians letting them know that the funds can be withdrawn.
- ii. In the event that the child dies while the account is still open the tax benefits will cease. Proof of death would need to be produced before the account could be closed. We would then act on the instructions of the child's legal representatives. Upon settlement of the fund, any fees or costs would be deducted.

31.2 On the child's 18th birthday, the investments held in a JISA will automatically be transferred into an adult ISA in the child's name. Funds cannot be withdrawn until an *ISA Application/Transfer Form*, available from www.redmayne.co.uk/forms or in hard copy on request, is completed. We will write to the child at this time.

31.3 We will notify you if, by reason of any failure to satisfy the provisions of the appropriate regulations, a JISA has, or will, become void.

31.4 In the event that the account is terminated by us, you will be informed in writing at the last registered address. Investments held within the account will then be transferred to another provider after deduction of our published charges.

GLOSSARY OF TERMS

AGREEMENT

A completed application or agreement form in respect of any service that we offer.

AIM

AIM, previously known as the Alternative Investment Market, is the London Stock Exchange market for smaller and growing companies. The shares traded on AIM are considered higher risk than those listed on the main market.

BACS

BACS is an electronic system to make payments directly from one bank account to another. This is how the majority of payments are made to our clients.

BUSINESS DAYS

Days during which the London Stock Exchange and banks in England and Wales are open for business, with the exception of weekends and Bank Holidays.

CLIENT ASSET RULES

These are defined by our regulator, the Financial Conduct Authority, and are designed to protect both a client's assets and/or money. They ensure that firms operate a clear policy and segregate assets that belong to a client from those which belong to the firm.

COMPLEX INSTRUMENTS

Securities which may contain a higher degree of risk. These include Contingent Convertible Bonds ('CoCos'), Derivatives, Futures, Options, Synthetic Exchange Traded Products (ETPs), Warrants and certain other Investments.

CTF

Child Trust Fund accounts and also any new regulations or changes to them. We no longer offer CTFs, however, you can apply for a Junior ISA (JISA).

CLIENT WEB ACCESS (CWA)

Secure portal at www.redmayne.net that allows you to view your balances, holdings, statements and contract notes online.

DEALING HOURS

Currently 08:00 to 16:30, Monday to Friday (excluding Bank Holidays).

STOCKBROKING SERVICES

Our Execution-Only Stockbroking and Dealing with Advice services.

DEFAULT

An event whereby you do not settle your account with us in the agreed timeframe, including (but not limited to) failing to deliver stock to us for settlement of a trade, and failing to remit funds due to us.

DEPOSIT ACCOUNT

An account opened and operated by us for use in connection with your account.

EEA

The European Economic Area.

EUROCLEAR

The centralised system for the settlement of securities traded on the London Stock Exchange, otherwise known as CREST.

EXCHANGE TRADED PRODUCTS (ETPS)

Exchange Traded Products (ETPs), such as Exchange Traded Funds (ETFs) and Exchange Traded Commodities (ETCs), are listed exchange traded securities on the London Stock Exchange's Main Market which track the performance of underlying indices or commodities. ETPs can be physical or synthetic: a physical ETP is backed by the underlying assets, whereas a synthetic ETP does not have a physical underlying asset.

EXECUTION-ONLY

We act on your instructions and offer no advice as to whether such an investment is suitable for you.

FCA

The Financial Conduct Authority. Where we refer to the FCA, this term will also apply to any successor regulator of the financial services industry.

FOCUSED INDEPENDENT ADVICE

Our advisory services provide advice on all types of investment instruments that might be suitable for our clients, although we do not provide a universal financial planning service on non-investment instruments or products.

INCOME PAYMENT

The payment by a company of income arising in the form of a dividend, interest or distribution.

INTEREST

A calculation based on the Sterling base rate as defined by the Bank of England.

INDIVIDUAL SAVINGS ACCOUNT (ISA)

Individual Savings Accounts and also any new regulations or changes to them.

JUNIOR INDIVIDUAL SAVINGS ACCOUNT (JISA)

Junior ISAs and also any new regulations or changes to them.

KID/KIID

Key Investor Document/Key Investor Information Document. These are documents produced to provide a summary of the investment vehicle to allow comparisons to be made more easily with other comparable instruments.

LEI

Legal Entity Identifier – This is an identifier required by law for every entity e.g. Company, in order to undertake a transaction for the entity or its clients.

LEVERAGE

The use of various financial instruments e.g. Warrants, Rights or Derivatives or borrowed capital, to increase the potential return or loss of an investment.

LSE

The London Stock Exchange.

MiFID/MiFID II

Markets in Financial Instruments Directive. This directive governs much of the way we deal and communicate with you and was subject to an update (MiFID II) which came into effect on 3rd January 2018.

MULTILATERAL TRADING FACILITY (MTF)

A regulated market operating in accordance with the provisions of the regulations as defined under MiFID.

NOMINEE

Redmayne (Nominees) Limited or any other Nominee company appointed by us from time to time that we decide to use. The Nominee used is a wholly owned non-trading entity of us and will only be used for the holding of client assets.

OEIC

Open Ended Investment Company. Similar to unit trusts, but have a corporate structure and a single price rather than a bid/offer spread.

PERIODIC REPORT

A Periodic Report is often known as an Investment Report and should contain the following:

- A statement of the contents and the valuation of the portfolio
- The total amount of fees and charges incurred during the reporting period
- A comparison of performance during the period covered
- The total amount of dividends, interest and other payments received during the reporting period
- Information about other corporate actions giving rights in relation to designated investments held in the portfolio

PRIIPS (PACKAGED RETAIL AND INSURANCE-BASED INVESTMENT PRODUCTS)

These include many categories of funds and also Investment Trusts.

QUALIFYING INVESTMENT

Stocks and shares and/or cash which can be held in an approved tax-efficient vehicle, such as an Individual Savings Account (ISA) or Junior ISA (JISA) in accordance with the regulations. Stocks and shares means United Kingdom (UK), European Community (EC) and certain other Foreign equities officially listed on a recognised stock exchange, Qualifying Investment Trusts, Unit Trusts, Open Ended Investment Company (OEIC), Exchange Traded Products (ETPs), Gilts, Corporate Bonds and convertibles officially listed on a recognised stock exchange.

RELEVANT LAW

All laws, regulations, rules and customs which apply to us and any transaction which we carry out for you. It includes the ISA Regulations, Rules of the FCA and any other relevant regulator, and the rules, customs and practices of LSE and of any other market or exchange on which a transaction is carried out.

RETAIL CLIENT

As defined under the Financial Conduct Authority rules, a client who is not a professional client or an eligible counterparty.

SIPP

Self-Invested Personal Pension.

STABILISATION

The market price of a security is manipulated for the limited purpose of preventing or slowing down a decline in the price of the security.

TAX YEAR

A period commencing on 6th April in each calendar year and ending on 5th April in the following calendar year.

TERMS

These *Terms of Business* together with our *Order Execution Policy* (www.redmayne.co.uk/orderexecution), *Conflicts of Interest Policy* (www.redmayne.co.uk/conflict) and *Privacy Policy* (www.redmayne.co.uk/terms), and any versions which may supersede them at the time of any subsequent subscription/application completed by you.

UCITS

Undertakings for Collective Investment in Transferable Securities. This is a European Directive governing the pan-European promotion and structure of certain funds.

WE, US, OUR

Redmayne Bentley, its associated limited companies and our office network.

YOU, YOUR, YOURS, YOURSELF, CLIENT

An individual, joint account holder or other legal entity, who has opened an account under these *Terms of Business* and to whom we provide a service.
