IMPORTANT NOTICES

About this document

This prospectus (the “**Prospectus**”) has been approved by the Financial Conduct Authority (the “**FCA**”) as competent authority under Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”). The FCA only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of Retail Charity Bonds PLC (the “**Issuer**”), Greensleeves Homes Trust (the “**Charity**”) or the quality of the sterling denominated 5.00 per cent. Bonds due 17 December 2030 (the “**Bonds**”) that are the subject of this Prospectus. Investors should make their own assessment as to the suitability of investing in the Bonds.

Certain of the Bonds may immediately be purchased by the Issuer on the Issue Date (any such Bonds so purchased, the “**Retained Bonds**”). The aggregate nominal amount of Retained Bonds (if any) will be specified in the Issue Size Announcement (as defined below).

The proceeds of the Bonds (including (if applicable) the proceeds of any Retained Bonds following a sale of such Retained Bonds to any third party from time to time) described in this Prospectus will be loaned to the Charity by way of a Loan (as defined below) on the terms of a loan agreement (the “**Loan Agreement**”) to be entered into between the Issuer and the Charity on 17 December 2020 (the “**Issue Date**”).

Payments of interest and principal due on the Loan and those due on the Bonds will be identical (save that payments of interest and principal under the Loan will be paid two business days prior to each interest payment date or redemption date, as the case may be, on the Bonds and subject to any withholding taxes either on amounts paid under the Loan or under the Bonds), so that payments of interest and repayment of the Loan by the Charity will provide the Issuer with funds to make the corresponding payment on the Bonds.

The Bonds are transferable debt instruments and are to be issued by the Issuer on the Issue Date. The nominal amount of each Bond (being the amount which is used to calculate payments made on each Bond) is £100. The aggregate nominal amount of the Bonds to be issued (including (if applicable) details of the aggregate nominal amount of any Retained Bonds) will be specified in the issue size announcement published by the Issuer on a regulatory information service (the “**Issue Size Announcement**”) but will not exceed an aggregate nominal amount of £25,000,000.

This Prospectus contains important information about the Issuer, the Charity, the terms of the Bonds and details of how to apply for the Bonds. This Prospectus also describes the risks relevant to the Issuer and the Charity and their respective businesses and risks relating to an investment in the Bonds generally. You should read and understand fully the contents of this Prospectus before making any investment decisions relating to the Bonds.

MiFID II product governance / Retail investors, professional investors and ECPs

Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, “**MiFID II**”); and (ii) all channels for distribution of the Bonds are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services, subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Bonds (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels, subject to the distributor’s suitability and appropriateness obligations under MiFID II, as applicable.

Key Information Document

A key information document (“**KID**”) pursuant to Regulation (EU) No 1286/2014 has been prepared by the Issuer in connection with the Bonds. If you have not received a copy of the KID you should request this from your stockbroker or other financial intermediary prior to making any investment decision in relation to the Bonds.

The Bonds are not protected by the Financial Services Compensation Scheme

The Bonds are not protected by the Financial Services Compensation Scheme (the “**FSCS**”). As a result, neither the FSCS nor anyone else will pay compensation to you upon the failure of the Issuer. **If the Charity or the Issuer goes out of business or becomes insolvent or otherwise fails to pay amounts when due on the Loan or the Bonds (as the case may be), you may lose all or part of your investment in the Bonds.**

No independent investigation by the Issuer of the Charity

The Issuer has not undertaken and will not undertake any investigations or due diligence to establish the creditworthiness of the Charity for the benefit of holders of the Bonds (“**Bondholders**”). The Issuer does not provide any credit enhancement, guarantee or any other credit support in respect of the Charity or its obligations under the Loan Agreement.

How to apply

Applications to purchase Bonds cannot be made directly to the Issuer. Bonds will be issued to you in accordance with the arrangements in place between you and your stockbroker or other financial intermediary, including as to application process, allocations, payment and delivery arrangements. You should approach your stockbroker or other financial intermediary to discuss any application arrangements that may be available to you.

After the closing time and date of the offer period (i.e. 12.00 noon (London time) on 11 December 2020) no Bonds will be offered for sale (a) by or on behalf of the Issuer or (b) by any authorised offeror, except with the permission of the Issuer.

See Section 5 (“*How to Apply for the Bonds*”) for more information.

Holding interests in the Bonds through CREST Depository Interests

You may hold the Bonds through Euroclear UK & Ireland Limited (formerly known as CREST Co Limited) (“**CREST**”). CREST allows bondholders to hold bonds in a dematerialised form, rather than holding physical bonds. Instead of issuing physical bonds, CREST issues what are known as depository interests which are held and transferred through CREST (“**CDIs**”), representing the interests in the relevant Bonds underlying the CDIs (the “**Underlying Bonds**”). Holders of CDIs (the “**CDI Holders**”) will not be the legal owners of the Underlying Bonds. The rights of CDI Holders to the Underlying Bonds are represented by the relevant entitlements against CREST Depository Limited (the “**CREST Depository**”) through which CREST International Nominees Limited holds interests in the Underlying Bonds. Accordingly, rights under the Underlying Bonds cannot be enforced by CDI Holders directly against the Issuer; instead they must be enforced through CREST. **This could result in an elimination or reduction in the payments that otherwise would have been made in respect of the Underlying Bonds in the event of any insolvency or liquidation of CREST, in particular where the Underlying Bonds held in clearing systems are not held in special purpose accounts and are fungible with other securities held in the same accounts on behalf of other customers of CREST.**

The rights of the CDI Holders will be governed by the arrangements between CREST, Euroclear, Clearstream, Luxembourg and the Issuer, including the global deed poll dated 25 June 2001 (as subsequently modified, supplemented and/or restated) (the “**CREST Deed Poll**”). You should note that the provisions of the CREST Deed Poll, the CREST International Manual dated 14 April 2008, as amended, modified, varied or supplemented from time to time (the “**CREST Manual**”), and the CREST Rules contained in the CREST Manual applicable to the CREST International Settlement Links Service contain indemnities, warranties, representations and undertakings to be given by CDI Holders and limitations on the liability of the CREST Depository. CDI Holders are bound by such provisions and may incur liabilities resulting from a breach of any such indemnities, warranties, representations and undertakings in excess of the amounts originally invested by them. As a result, the rights of and returns received by CDI Holders may differ from those of holders of Bonds which are not represented by CDIs.

In addition, CDI Holders may be required to pay fees, charges, costs and expenses to the CREST Depository in connection with the use of the CREST International Settlement Links Service (the “**CREST International Settlement Links Service**”). These will include the fees and expenses charged by the CREST Depository in respect of the provision of services by it under the CREST Deed Poll and any taxes, duties, charges, costs or expenses which may be or become payable in connection with the holding of the Bonds through the CREST International Settlement Links Service.

You should note that none of the Issuer, the Charity, the Manager, the Trustee or the Paying Agent will have any responsibility for the performance by any intermediaries or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations.

You should note that the CDIs are the result of the CREST settlement mechanics and are not the subject of this Prospectus.

What are the key risks that are specific to the Issuer and the Charity?

In purchasing the Bonds, investors assume the risk that the Issuer and/or the Charity may become insolvent or otherwise be unable to make all payments due in respect of the Bonds or the Loan, as applicable. There is a wide range of factors which individually or together could result in the Issuer and/or the Charity becoming unable to make all payments due. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer or the Charity, as the case may be, may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer or the Charity's control. Each of the Issuer and the Charity has identified a number of factors which could materially adversely affect its business and ability to make payments due. These factors include:

Issuer

- The Issuer is an entity which has been established for the purpose of issuing asset-backed securities. It has very limited assets. As investors in the Bonds, holders of the Bonds (“**Bondholders**”) will only have limited recourse to certain of those assets in the event that the Issuer fails to make payments in respect of the Bonds.
- The Issuer’s only material assets in respect of the Bonds will be its rights under the loan agreement pursuant to which the proceeds of the Bonds are loaned to the Charity (the “**Loan Agreement**”) and, accordingly, as investors in the Bonds, Bondholders will take credit risk on the Charity.
- The Issuer is a party to contracts with a number of third parties that have agreed to perform certain services in relation to the Bonds. The nature of some of these services is highly specialised and disruptions in these arrangements could lead to Bondholders incurring losses on the Bonds.

Charity

- Income generated from fees paid by residents is a major source of the Charity’s income. Any surplus following deduction of operation, funding and other costs is reinvested back into the operations of the Charity and used to service the Charity’s debt. Therefore the level of fees charged is a key component in the operation of the Charity. A decrease in the level or amount of fees received from residents may impact the funds available to the Charity for reinvestment and servicing of debt.
- The Charity’s revenue is driven by occupancy level. While a future increase in life expectancy of the population has been predicted, it does not necessarily follow that people will also be dependent (and therefore in need of services of the kind provided by the Charity) for longer. Instead, as life expectancy rises, the number of years without dependency could rise by the same amount, keeping the number of years with dependency constant. Falling overall demand can be matched by withdrawal of capacity, resulting in sustained occupancy levels, but this would have an impact on fee income.
- COVID-19 may have a short to medium term impact on the occupancy level and the operational performance of the Charity. Additionally, there may be an increase to costs following the need for significantly greater usage of higher priced personal protection equipment and increased staff costs reflecting the provision of enhanced care to the Charity’s residents and to cover for staff absences during periods of self-isolating and shielding.
- As the Charity continues to grow its operations, it is required to carefully select new investment opportunities in both existing, operating and new-build care homes. Poor selection of new investments could have an adverse impact on the Charity’s operations. Furthermore, new buildings and developments are subject to project risks such as cost overruns and delays, which can severely impact a new home’s ability to generate revenue.
- Industry competition may reduce the Charity’s ability to retain existing residents or attract new residents. While the Charity continually seeks to track its competitors’ offerings and local demands, the Charity’s future performance is not assured and its revenue may be impacted detrimentally by strong competition.
- An element of the Charity’s income is derived from publicly funded sources and any changes to the current level of public sector funding could have an impact on the income generated by the Charity.

KEY INFORMATION ON THE SECURITIES

What are the main features of the securities?

The Bonds are 5.00 per cent. Bonds due 17 December 2030, with International Securities Identification Number (“**ISIN**”) XS2250730749. The currency of the Bonds is Pounds Sterling (“**£**”).

The nominal amount of each Bond (being the amount which is used to calculate payments on each Bond) is £100.

There are no restrictions on the free transferability of the Bonds.

Status (Ranking)

Ranking

The Bonds will constitute direct, limited recourse obligations of the Issuer secured in the manner described under “*Security*” and “*Limited recourse*” below, and will rank *pari passu* (i.e. equally in right of payments) among themselves.

Security

The Trustee (as defined below) will take security over the Issuer’s rights arising under the Loan Agreement.

Limited recourse

Bondholders will have no rights or recourse to any loan agreements for any other series of bonds issued by the Issuer.

Enforcement

If the Charity does not meet its obligations under the Loan Agreement resulting in the occurrence of an event of default under the terms and conditions of the Bonds, the Trustee will be entitled to accelerate the Loan (which means that it becomes immediately due and payable). The Trustee will be entitled to take such steps as it in its absolute discretion considers appropriate in an attempt to ensure the payment of the outstanding sum under the Bonds and, if necessary, may take action against the Charity to enforce the Issuer’s rights under the Loan Agreement. However, the Trustee will not be bound to take any such enforcement action unless it has been indemnified and/or secured and/or pre-funded to its satisfaction.

Taxation

All payments in respect of the Bonds by the Issuer or any paying agent appointed in respect of the Bonds (each a “**Paying Agent**”) and the Loan by the Charity will be made without withholding or deduction for or on account of taxes unless such withholding or deduction is required by applicable law. In the event that any such deduction is made, neither the Issuer, nor any Paying Agent, nor the Charity (as applicable) will be required to pay additional amounts to cover the amounts so deducted or withheld.

Events of default

An event of default is a breach by the Issuer of certain provisions in the terms and conditions of the Bonds or the occurrence of other specified events. Events of default under the Bonds include (amongst others) the following: (a) (subject to the right of the Issuer to defer the payment of principal on the Bonds until the Legal Maturity Date (as defined below)) default in payment of any principal or interest due in respect of the Bonds, continuing for a specified period of time; (b) non-performance or non-observance by the Issuer of any other obligations under the conditions of the Bonds or the trust deed constituting the Bonds (the “**Trust Deed**”), continuing for a specified period of time; (c) certain events relating to the insolvency or winding-up of the Issuer; and (d) (subject to the right of the Issuer to defer the payment of principal on the Bonds until the Legal Maturity Date) a default under the Loan Agreement which is not remedied within 30 days of the occurrence thereof.

Meetings

The conditions of the Bonds contain provisions for calling meetings of Bondholders to consider matters affecting their interests generally. These provisions permit a certain number of people to bind all Bondholders, including Bondholders who did not attend and vote at the relevant meeting and holders who voted in a manner contrary to the majority.

Governing law

English law.

Interest

The Bonds bear interest from their date of issue at the fixed rate of 5.00 per cent. per annum. The yield of the Bonds is 5.00 per cent. per annum until the Expected Maturity Date (as defined below). Interest will be paid semi-annually in arrear on 17 June and 17 December in each year. If repayment of the Loan is deferred until the Legal Maturity Date (as defined below) rather than being made on the Expected Maturity Date, the rate of interest payable on the Bonds will be increased by an additional 1.00 per cent. per annum from, and including, the Expected Maturity Date to, but excluding, the Legal Maturity Date.

Redemption

Subject to any purchase and cancellation or early redemption, the Bonds are scheduled to be redeemed at 100 per cent. of their nominal amount on 17 December 2030 (the “**Expected Maturity Date**”). However, if and to the extent that the Charity elects to extend the maturity date of the Loan pursuant to its right to do so under the terms of the Loan, the redemption of the Bonds will be postponed until 17 December 2032 (the “**Legal Maturity Date**”).

The Bonds will be redeemed early if the Charity repays the Loan early and in full in circumstances in which it is permitted to do so, at the Sterling Make-Whole Redemption Amount, which is an amount calculated to ensure that the redemption price produces a sum that, if reinvested in a reference bond (in this case a UK gilt), would continue to give the Bondholders the same yield on the money that was originally invested as they would have received had the Bonds not been redeemed.

Representative of holders

Prudential Trustee Company Limited (the “**Trustee**”) will act as trustee for the Bondholders and Allia Bond Services Limited will act as servicer (the “**Servicer**”) for the Issuer.

Where will the securities be traded?

The Bonds are expected to be listed on the Official List of the FCA and admitted to trading on the regulated market of the London Stock Exchange plc (the “**London Stock Exchange**”) and through the London Stock Exchange’s electronic Order book for Retail Bonds (the “**ORB**”).

What are the key risks that are specific to the securities?

- The Bonds are limited recourse obligations of the Issuer and the rights of enforcement for investors are limited.
- Bondholders do not have direct recourse to the Charity in respect of any failure of the Charity to fulfil its obligations under the Loan Agreement. However, the Issuer will assign by way of security its rights, title and interest in the Loan Agreement in favour of the Trustee for the benefit of the Bondholders and the other secured parties.
- The Bonds are not protected by the UK Financial Services Compensation Scheme.
- In certain circumstances, repayment of the Bonds may be deferred to a later date, and such deferral will not constitute a default under the terms of the Bonds, provided the Bonds are repaid on the Legal Maturity Date.
- Neither the Bonds nor the Loan Agreement contains a gross-up provision requiring the Issuer or the Charity to pay any additional amounts to Bondholders or (in the case of the Loan Agreement) the Issuer, to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Bonds or the Loan Agreement.

- If the Issuer does not satisfy the conditions to be taxed in accordance with the Securitisation Companies Regulations 2006 (S.I. 2006/3296) (as amended) (or subsequently ceases to satisfy those conditions), then the Issuer could suffer tax liabilities not contemplated in the cash flows for the transaction described herein.

Conditions to consent: The conditions to the Issuer’s and the Charity’s consent (in addition to the conditions described above) are that such consent (a) is only valid in respect of the Bonds; (b) is only valid during the Offer Period; and (c) only extends to the use of the Prospectus to make a Public Offer of the Bonds in the United Kingdom.

IF YOU INTEND TO ACQUIRE OR DO ACQUIRE ANY BONDS IN A PUBLIC OFFER FROM AN AUTHORISED OFFEROR, YOU WILL DO SO, AND OFFERS AND SALES OF THE BONDS TO YOU BY SUCH AN AUTHORISED OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH AUTHORISED OFFEROR AND YOU INCLUDING AS TO PRICE, ALLOCATIONS AND SETTLEMENT ARRANGEMENTS. THE ISSUER WILL NOT BE A PARTY TO ANY SUCH ARRANGEMENTS WITH YOU IN CONNECTION WITH THE OFFER OR SALE OF THE BONDS AND, ACCORDINGLY, THIS PROSPECTUS DOES NOT CONTAIN SUCH INFORMATION. THE INFORMATION RELATING TO THE PROCEDURE FOR MAKING APPLICATIONS WILL BE PROVIDED BY THE RELEVANT AUTHORISED OFFEROR TO YOU AT THE RELEVANT TIME.

Under which conditions and timetable can I invest in this security?

The offer of the Bonds is expected to open on 23 November 2020 and close at 12.00 noon (London time) on 11 December 2020 or such other time and date as may be agreed between the Issuer and the Manager and announced via a regulatory information service.

You will be notified by the relevant Authorised Offeror of your allocation of Bonds and instructions for delivery of and payment for the Bonds. You may not be allocated all (or any) of the Bonds for which you apply.

The Bonds will be issued at the issue price (which is 100 per cent. of the nominal amount of the Bonds) and the aggregate nominal amount of the Bonds to be issued will be specified in an issue size announcement (the “**Issue Size Announcement**”) published by the Issuer on a regulatory information service but will not exceed an aggregate nominal amount of £25,000,000.

The issue of Bonds is conditional upon (i) a subscription agreement being signed by the Issuer and the Manager on or about 15 December 2020 (the “**Subscription Agreement**”), (ii) a commitment agreement being signed by the Issuer, the Manager, the Servicer and the Charity on or about 15 December 2020; and (iii) the Loan Agreement being signed by the Issuer and the Charity on or about 17 December 2020. The Subscription Agreement will include certain conditions customary for transactions of this type (including the issue of the Bonds and the delivery of legal opinions and comfort letters in a form satisfactory to the Manager).

The minimum subscription amount per investor is for a principal amount of £500 of the Bonds.

There are no expenses charged to the investor by the Issuer. An Authorised Offeror may charge you expenses. However, these are beyond the control of the Issuer and are not set by the Issuer. The Issuer estimates that, in connection with the sale of Bonds to you, the expenses charged to you by one of the Authorised Offerors known to it as of the date of this Prospectus will be between 1 per cent. and 7 per cent. of the aggregate principal amount of the Bonds sold to you.

The Bonds are expected to be listed on the Official List of the FCA and admitted to trading on the regulated market of the London Stock Exchange and through the ORB. Such listing and admission to trading is expected to take place on or around 18 December 2020.

Why is this prospectus being produced?

The proceeds from the issue of the Bonds (including (if applicable) the proceeds of any Retained Bonds following a sale of such Retained Bonds to any third party from time to time) will be advanced by the Issuer to the Charity pursuant to the Loan Agreement, to be applied by the Charity to pursue the strategy of sustainable development whereby the charitable impact of the Charity expands in an enduring and affordable manner.

The estimated net proceeds of the issue of the Bonds will be specified in the Issue Size Announcement.

The Manager has agreed to procure subscribers for the Bonds pursuant to the Subscription Agreement and will be paid aggregate commissions equal to 0.50 per cent. of the nominal amount of the Bonds (other than any Retained Bonds) issued. The Authorised Offerors will also receive commissions of up to 0.25 per cent. of the nominal amount of the Bonds (other than any Retained Bonds) delivered to them (payable out of the fee paid to the Manager). The Manager and its affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business.

RISK FACTORS

The following section sets out certain risks relating to an investment in the Bonds, including (1) risks relating to the Issuer's ability to make payments under the Bonds, (2) risks relating to the Charity's ability to make payments under the Loan Agreement, (3) risks relating to the structure of the Bonds and (4) risks relating to the market generally.

RISK FACTORS

The following is a description of the principal risks and uncertainties which may affect the Issuer's or, as the case may be, the Charity's ability to fulfil its obligations under the Bonds or the Loan Agreement, respectively.

1. FACTORS THAT MAY AFFECT THE ISSUER'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER THE BONDS

The Issuer is an entity which has been established for the purpose of issuing asset-backed securities. It has very limited assets, and investors in the Bonds will only have limited recourse to certain of those assets in the event that the Issuer fails to make payments in respect of the Bonds

The Issuer is an entity which has been established for the purpose of issuing asset-backed securities, which means that it has been incorporated for specific purposes only (i.e. to issue bonds), will not conduct business more generally and has very limited assets. The Issuer will not engage in any business activity other than the issuance of bonds under an established issuance facility, the lending of the proceeds of the issue of such bonds to charities in the United Kingdom under loan agreements, the entry into and performance of its obligations in respect of such issuance facility and the performance of any act incidental to or necessary in connection with the aforesaid.

The proceeds of the issue of the Bonds (including (if applicable) the proceeds of any Retained Bonds following a sale of such Retained Bonds to any third party from time to time) described in this Prospectus will be loaned to the Charity under the Loan Agreement to be dated the date of issue of the Bonds. Since the Issuer does not have any general income-producing business, its ability to make payments under the Bonds will depend entirely on the Charity making payments to the Issuer under the Loan Agreement.

The Issuer's only material assets corresponding to the Bonds will be its rights under the Loan Agreement and under the issuance facility insofar as they relate to the Bonds and the Loan Agreement. Whilst the Issuer may issue other bonds and advance loans to other charities, the Issuer's rights in respect of those other loan agreements will be held as security for the holders of the corresponding bonds and will not be available to investors in the Bonds described in this Prospectus. Accordingly, in the event that the Issuer fails to make payments in respect of the Bonds, investors in the Bonds will have recourse only to certain of the assets of the Issuer.

If the Charity fails to make payments under the Loan Agreement, the Issuer will not be able to meet its payment obligations in respect of the Bonds.

The Issuer's only material assets corresponding to the Bonds will be its rights under the Loan Agreement and, accordingly, investors in the Bonds will take credit risk on the Charity

Credit risk can be described as the risk that a borrower of money will be unable to repay it. Investors in the Bonds will take credit risk on the Charity. If the Charity becomes unable to pay its debts as they fall due, an investor in the Bonds could lose some or the entire amount of its investment. Accordingly, investors should have regard to the detailed information contained in this Prospectus in relation to the Charity to assess the credit risk of an investment in the Bonds, including the risk factors set out under "*Factors that may affect the Charity's ability to fulfil its obligations under the Loan Agreement*" below.

The Issuer's reliance on third parties

The Issuer is a party to contracts with a number of third parties that have agreed to perform certain services in relation to the Bonds.

For example, the Servicer has agreed to provide services in respect of the Loan Agreement and the Bonds under the Services Agreement (which include, among other things, the provision of certain servicing and cash management services to the Issuer and the forwarding of information to the Trustee received from the Charity and publishing such information on the Issuer's website). Since the Issuer has no employees, it relies entirely on the Servicer to perform these services on its behalf.

The nature of such services provided by the Servicer is highly specialised and it may be difficult to identify a replacement service provider with the requisite skills and experience to perform these roles.

Disruptions in cash management or servicing arrangements, which may be caused by the failure to appoint a successor servicer or a failure of the Servicer to carry out its services, could lead to Bondholders not receiving (or receiving late) payments that are otherwise due on the Bonds.

The Issuer will rely on the Servicer to carry out certain obligations of the Issuer under the respective agreements to which it is a party. In the event that the Servicer were to fail to perform its obligations under the Services Agreement, the Bondholders may be adversely affected. In particular, the failure of the Servicer to deliver or publish information received from the Charity on behalf of the Issuer where it is obliged to do so could mean that Bondholders are not aware of certain information relating to the Charity.

No ability to appoint an administrative receiver in respect of the Issuer

The security granted by the Issuer to the Trustee will not entitle the Trustee to appoint an administrative receiver. Therefore, if the Issuer were to be subject to administration proceedings, the Trustee would have no ability to block such administration. As a result, if such administration proceedings were commenced in respect of the Issuer, the enforcement of the security by the Trustee may be subject to an administration moratorium, which would result in such enforcement, and therefore the ability for the Bondholders to recover against the Issuer, being postponed for a period of time.

For a description of certain risks which may affect the Charity's ability to make payments due under the Loan Agreement, see "*Factors that may affect the Charity's ability to fulfil its obligations under the Loan Agreement*" below.

2. FACTORS THAT MAY AFFECT THE CHARITY'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER THE LOAN AGREEMENT

Fee income

The Charity generates surpluses for reinvestment back into the operation of the Charity and servicing of its debt. Such surpluses are primarily derived from fee income less operational, funding and other costs.

The level of fees charged is therefore a key component in the operation of the Charity and the Charity continually seeks improvement in the quality of care offered and invests in both existing and new facilities to maintain the environment necessary to continue to improve fee levels. However, there can be no guarantee that the Charity will be able to improve or maintain current fee levels.

The Charity may also find it difficult to pass on future operating cost increases to residents, whether funded privately or publicly, particularly if operating cost increases are in excess of prevailing inflation rates.

Accordingly, there is no guarantee that the current ratio of fees to expenses can be maintained. A reduction in that ratio may impact the Charity's ability to make payments under the Loan Agreement, which would, in turn, have an impact on the Issuer's ability to make payments in respect of the Bonds.

Occupancy levels

Occupancy levels are a key driver to revenue of care home properties. The Office for National Statistics projects an increase in the population over 85 years of age over the next 20 years.¹ However, as life expectancy rises it does not necessarily follow that people will also be dependent (and therefore in need of services of the kind provided by the Charity) for longer. Instead, as life expectancy rises, the number of years without dependency could rise by the same amount, keeping the number of years with dependency constant. Falling overall demand can be matched by withdrawal of capacity, resulting in sustained occupancy levels, but this would have an impact on fee income (see “*Fee income*” above). There can be no assurance that current levels of occupancy will be sustained.

Any drop in occupancy levels will have an adverse effect on revenue, which may impact the Charity’s ability to make payments under the Loan Agreement and, in turn, the Issuer’s ability to make payments in respect of the Bonds.

Disruption due to outbreak of a severe communicable disease such as coronavirus (COVID-19)

The outbreak of COVID-19, or the outbreak or threatened outbreak of any other severe communicable disease, may adversely affect the business of the Charity. At the date of this Prospectus, the Charity is continuing to monitor the impact of the COVID-19 outbreak on its operations but has taken, and continues to take, preparations and precautions to address the impact of the disease on its staff and residents, and will continuously monitor the situation to ensure those preparations and precautions are regularly updated as necessary having regard to national scientific and health advice.

Notwithstanding any preparations made or precautions taken by the Charity, there is a risk that the outbreak of any severe communicable disease in one or more care homes could have an impact on occupancy levels and admissions, which may adversely affect fee income. As a result of the initial wave of the COVID-19 pandemic, occupancy levels fell by approximately 9 per cent. from the level at 31 March 2020 to 83 per cent. but steadily recovered during the June to September 2020 period, reaching 86 per cent. by 30 September 2020. Consequently, there was a difference of £1.7m between the income that was likely to have been received by the Charity had occupancy levels remained at March 2020 levels and the actual income received by the Charity during the six month period to 30 September 2020. Please also see “*Occupancy levels*” above.

The outbreak of any severe communicable disease could have an impact on admissions if potential residents do not have confidence in the environment offered by care homes during a pandemic, particularly due to the age profile of the residents. Additionally, the increase in flexible working arrangements as a result of the COVID-19 pandemic may allow for more care to be offered at home by relatives of potential residents thereby delaying admission to care homes. Additionally, there are ongoing costs on the Charity as higher usage of personal protection equipment (“**PPE**”) and other health and safety measures have been put in place, which will have an impact on the revenue of the Charity. These additional costs have, however, been largely offset by grants received under various government support schemes, as well as a reduction in non-essential expenditure by the Charity.

If any of the Charity's employees are suspected of contracting an epidemic disease, this could require the Charity to quarantine some or all of those employees, relocate employees, have employees work from home, employ additional staff (on a temporary or permanent basis, including agency staff) and/or disinfect the facilities used for its operations, any of which could in turn result in additional costs.

If the COVID-19 pandemic (or any comparable pandemic or epidemic) is prolonged, this could result in national and international supply chain shortages for materials which could cause a significant interruption to the Charity's business. In such circumstances, operating costs may rise due to a need to pay more to secure essential supplies.

Given the impact of coronavirus on the construction sector, there is also a risk of delay to the Charity's development projects and the construction of new and existing care homes. Any such delays may adversely impact, amongst other things, fee income, occupancy levels and the growth of the Charity's business (see "*Fee income*", "*Occupancy levels*" and "*Business growth*").

Any of the factors described above may adversely affect the Charity's ability to make payments under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds.

For further detail on the impact of COVID-19 on the business of the Charity, please see the section entitled "*Recent Developments – Description of the Charity*".

Business growth

As the Charity continues to grow its operations, it is required to carefully select new investment opportunities in both existing, operating and new-build care homes. The Charity employs rigorous and multi-level appraisal techniques and ensures extensive due diligence from external and internal advisers before committing to material investments. However, poor selection of new investments (i.e. selection of investments that generate less revenue and/or higher costs than anticipated or which otherwise do not benefit the Charity's operations as intended) could have an adverse impact on the Charity's operations as this would result in a lower cashflow generated by the investments and therefore less cash resources for the Charity, which may adversely affect the ability of the Charity to make payments under the Loan Agreement. This, in turn, would adversely affect the ability of the Issuer to make payments in respect of the Bonds.

Furthermore, new buildings and developments are subject to project risks such as cost overruns and delays, which can severely impact the new home's ability to generate revenue. Due to the lack of qualified building contractors in the market to provide the required services, the costs of the Charity may increase as a result of higher quotations from the limited pool of available contractors. Once building and/or development is complete, there is a risk that the new home will not operate effectively for a variety of reasons, such as inadequate staffing, low occupancy rates or a delay between completion and the achievement of optimum operational efficiency. Any of these factors may lead to a loss of reputation and/or a loss of income for the Charity. Any such loss of reputation and/or loss of income may have an adverse impact on the Charity's ability to make payments under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds.

Competition

The Charity is aware that there are competitors in the market who may offer better pricing, higher standards or a wider range of care. There may also be competitors with a more recognised brand. Competition in the healthcare sector may reduce the ability of the Charity to retain existing residents or attract new residents, which would have a direct impact on the Charity's revenue. A reduction in revenue may impact the Charity's ability to make payments under the Loan Agreement, which would, in turn, have an impact on the Issuer's ability to make payments in respect of the Bonds. While the Charity tracks its competitors' offerings and local demands and, where possible, seeks to equal or better those offerings, no assurance can be given that the Charity will succeed in such an endeavour.

Public sector funding

An element of the Charity's income is or may be derived from publicly funded sources, principally local authorities or the National Health Service. There can be no assurance that the level of public sector funding made available for care services will continue at its current level. Local authorities have cash-limited budgets and this affects the scope of care services funded by them. Additionally, local authorities may reduce fee levels payable to operators or reduce the number of residents they can fund, which could have an impact on income generated by the Charity.

During the year ended 31 March 2020, 25.6 per cent. of residents in the Charity's care homes were publicly funded, which is broadly in line with historic performance.

Accordingly, future changes in public sector funding available for residential care or nursing homes could have an adverse impact on the Charity's ability to make payments under the Loan Agreement. This, in turn, would adversely affect the ability of the Issuer to make payments in respect of the Bonds. The future availability of public finance could also be affected by political considerations, which are not within the Charity's control.

The Charity's funding from local authorities and the National Health Service has not been adversely affected as a result of the COVID-19 pandemic as of the date of this Prospectus. However, there can be no assurance that the level of public sector funding made available to the Charity will not be adversely affected as a result of the COVID-19 pandemic in the future.

Refinancing risk

The current intention of the Charity is to repay the Loan Agreement from available reserves to be built up within the business. The Charity monitors key performance indicators, produces detailed monthly management reporting and regularly reviews its reserves policy to ensure that there are sufficient funds to meet the Charity's needs. However, there is a possibility that the Charity will need to incur new indebtedness in order to refinance the Loan. In that event, the availability of credit for the Charity to refinance the Loan under the Loan Agreement will be significantly dependent upon economic conditions then prevailing in the United Kingdom, being the market where its operations are based, as well as the willingness and ability of lenders to make such loans.

Such lenders typically include banks, insurance companies and finance companies. The availability of funds in the credit markets fluctuates and there can be no assurance that the availability of such funds will remain at or increase above, or will not contract below, current levels. If the Charity is unable to obtain additional financing, it may not be able to meet its obligations under the Loan Agreement, which would, in turn, affect the Issuer's ability to make payments in respect of the Bonds.

Staff

In common with all health providers, the Charity faces challenges in recruiting and retaining qualified staff, particularly nurses. This is being countered to some extent by government initiatives to increase the number of nurses entering or re-entering the profession but remains a significant challenge. The Charity has also obtained a visa sponsorship licence to facilitate recruitment of overseas staff. However, there can be no assurance that, with increased competition for suitably qualified staff, the Charity will succeed in recruiting and retaining staff.

The healthcare sector in the United Kingdom currently meets demand for staff, to a certain extent, by employing staff from outside the United Kingdom. However, there can be no assurance that current government policies permitting this will not change, or that it will remain possible to employ staff from outside the United Kingdom, particularly following the UK's exit from the European Union.

The Charity ensures staff are appropriately remunerated by benchmarking pay levels in this sector. The Charity has also been more successful in retaining staff this year compared to 2019 and staff turnover is significantly lower than the average 30.8 per cent. published by Skills for Care. However, there can be no assurance that the Charity will continue to be able to attract and retain sufficient numbers of suitably qualified staff.

Lack of suitable staff may result in use of more expensive agency staff, which may also lead to inconsistent standards of care. Additionally, any increases to the national minimum living wage in the future may also result in increased costs over and above the usual inflationary levels. To the extent that these increased costs cannot be recovered through fee increases, the Charity's ability to make payments under the Loan Agreement and, in turn, affect the Issuer's ability to make payments under the Bonds may be adversely affected.

Changes in care practice and demographics

The method of care of residents changes from time to time as practice changes. Through involvement with appropriate networks and intelligence from government statistics and forecasts, the Charity ensures it is aware and up-to-date with emerging trends and, where necessary, seeks to adapt service provision to recognise the changes in demographics and demand. In particular, the Charity has in place an ongoing refurbishment and upgrading programme for its existing portfolio of care homes. Furthermore, the Charity invests in new properties which are up-to-date and in line with emerging trends. There may be potential risks associated with such initiatives – see *Business Growth*” above.

However, some developments or trends may require the Charity to make changes currently not anticipated and/or which it may not be able to implement. Inability to maintain best practice could result in possible fines, sanctions or litigation from regulators, thus having an impact on the ability of the Charity to perform in its role as a care home and on the reputation of the Charity, which may have an impact on occupancy levels and revenues. Inability to maintain best practice may also result in the Charity being less attractive to prospective residents and/or the Charity not being able to maintain the same level of fees. As a result, such inability to maintain best practice may impact the Charity’s operations and, in turn, the Charity’s ability to meet its obligations under the Loan Agreement, and further in turn, may affect the Issuer’s ability to make payments on the Bonds.

Additionally, there can be no assurance that the Charity’s current facilities and services will suit any future changes in demographics, life expectancy, expectations and trends as to care provision. There may be cost implications in upgrading the Charity’s current facilities and services to align with any new expectations/requirements and there is no assurance that the Charity will be able to provide its services in line with any new developments or demands. Any failure to identify and adequately plan for these changes may result in a decrease of revenue, which would adversely affect the Charity’s ability to make payments under the Loan Agreement and, in turn, impact the Issuer’s ability to make payments in respect of the Bonds.

Regulatory issues

The Charity is regulated and inspected by the Care Quality Commission (“CQC”) – please see “*Description of the Charity – Regulatory Landscape*”.

Any adverse findings of a CQC inspection could result in adverse publicity and will also be drawn to the attention of the relevant part of the local authority responsible for that geographic area. This could result in the loss of contracts and might have a material adverse effect on the business, results of operations, financial condition or prospects of the Charity. If the CQC findings are seriously adverse, the CQC can mandate a temporary halt to admissions of new residents to a home and, in extreme circumstances, the CQC has the power to order the closure of a home, although this is rarely effected in practice due to the significant impact that a closure would have on the residents.

In some cases, registered managers may need to be replaced (either due to adverse findings or due to natural changes in personnel) and, in such circumstances, a new registered manager would need to be put in place and the relevant approval applied for. This may have an adverse cost and/or temporary care quality issues resulting from the recruitment process.

The CQC also has the option of taking legal action against providers who breach the regulations against which they are inspected and measured. Legal action is usually taken when a provider is breaching several regulations and is unsafe to continue providing services as per their registration. The legal action can include closing a service, removing registration for particular service user groups or limiting activities that can be undertaken. Fines can also be issued (without any financial limit) based on the financial turnover of the provider. CQC now also holds responsibility for Health and Safety matters in the care sector and can instigate legal action where there has been a breach of Health and Safety regulations and can stop a service from running if there are concerns over the safety and wellbeing of residents.

In light of the above, the Charity maintains a governance system suitable to meet current regulatory requirements and monitors CQC publications, updates and the CQC website to ensure its governance system remains valid. The Charity is also part of the CQC Market Oversight scheme which involves regular review by analysts from the CQC of the Charity's financial results, forecasts and key performance data. The Charity also provides regular updates and training to its managers and staff, as well as monthly head office visits to ensure compliance with the regulatory requirements. However, such measures may not be adequate to ensure that the Charity meets all applicable regulatory requirements.

The residential care sector is highly regulated and there has been periodic change to the legislative regime over the last 20 years. Future changes in regulation could result in increased costs for the Charity. This, in turn, could adversely affect the ability of the Charity to make payments under the Loan Agreement and, in turn, the ability of the Issuer to make payments in respect of the Bonds. No assurance can be given as to the impact of any possible changes in regulations after the date of this Prospectus.

Failure to comply with laws and compliance requirements

The Charity knows the significance to its operations of, and is focused on adhering to, all legal and compliance legislation. The Charity is not currently aware of any material failure to adhere to applicable health and safety or environmental laws, litigation or of any breach of regulatory laws, or failure to comply with corporate, employment or taxation laws. If any such breach or failure were to occur, this could have an adverse impact on the Charity's results of operations. Consequently, the Charity engages with appropriate networks and organisations to ensure that all relevant legislation is tracked and regularly reviews its existing policies.

The Charity has the benefit of insurance for, among other things, employer's liability, public liability and professional indemnity at a level which the management of the Charity considers to be prudent for the type of business in which the Charity is engaged and commensurate with registered providers of a similar size. However, there can be no assurance that any such policies will be sufficient (in scope or the amount insured) to cover all losses or claims for which the Charity is otherwise responsible. Any such amounts which are not covered by the Charity's insurance policies would have an adverse impact on the Charity's costs and expenses. Any significant increase in the Charity's costs may have an adverse impact on the Charity's ability to make payments under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds.

Failure by privately funded occupants to pay rent when due

Occupants of the Charity's care homes are, insofar as they are not publicly funded, personally responsible for the rental payments on the relevant occupied properties. In the event that any such tenants fail to pay rent in full on a timely basis, this could also affect the ability of the Charity to meet its payment obligations on a timely basis under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds.

The year-end arrears position of the Charity for the last two years was 2.6 per cent. (as at 31 March 2020) and 2.5 per cent. (as at 31 March 2019) of gross rent. The non-payment, or any delay in payment of material amounts of rental income, could affect the ability of the Charity to meet its payment obligations under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds. In order to minimise bad debts, the Charity reviews debtors monthly and has in place set procedures to follow in the event of non-payment but there can be no assurance that such procedures will be effective. A proportion of the Charity's privately funded residents are on fixed incomes, which could be adversely affected in an economic downturn and therefore affect their ability to make rent payments in a timely manner or at all.

Claims and reputational risks

Given the nature of its business, the Charity may from time to time face legal action from occupants in relation to their care, and from staff for work-related incidents. Although such liability is subject to insurance cover, if the claims record worsens, insurance may become more expensive and this may have an adverse effect on the Charity's operations and revenue. In addition, if there were to be high profile claims, or allegations of

mistreatment or abuse, the reputation of the Charity, and, therefore, its business, might suffer. This may affect the Charity's ability to make payments under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds.

To date, litigation claims made against the Charity have not had a material impact on the revenue or business of the Charity, although there can be no assurance that the Charity will not, in the future, be subject to a claim which may have a material impact upon its revenue or business. Any such claims may have an adverse impact on the Charity's ability to make payments under the Loan Agreement and, in turn, the Issuer's ability to make payments in respect of the Bonds. The Charity has not, as of the date of this Prospectus, been subject to any COVID-related litigation but there can be no guarantee that it will not become subject to any COVID-related litigation in the future.

Buildings insurance

Although the Charity has in place comprehensive insurance cover against the risk of physical destruction of or damage to physical assets (including by means of fire, subsidence, storm damage, contaminated land, asbestos and subsidence problems), any failure by the Charity to keep the relevant insurance policies current in respect of a relevant property may, on the occurrence of any damage to such property (which would otherwise have been recoverable under such insurance policy) result in a corresponding loss in the value of such property. Moreover, even where the relevant insurance policy is current, there could be an administrative delay in obtaining payment by the Charity from the insurers, which could affect the ability of the Charity to meet its respective payment obligations during that period of delay.

Certain types of risks and losses (such as losses resulting from war or terrorism) may be or may become either uninsurable or not economically insurable or may not be covered by the specific insurance policies held by the Charity. Other risks might become uninsurable (or not economically insurable) in the future. If an uninsured or uninsurable loss were to occur, the Charity might not have sufficient funds to repay in full all amounts owing under Loan Agreement, which would impact the ability of the Issuer to pay all amounts owing under the Bonds.

3. RISKS RELATING TO THE PARTICULAR STRUCTURE AND NATURE OF THE BONDS

Investors in the Bonds will have limited recourse to the assets of the Issuer in the event that it fails to make any payments on the Bonds and, further, the rights of enforcement for investors are limited, including that there are restrictions on the ability of investors to petition for bankruptcy of the Issuer

The Bonds are limited recourse obligations of the Issuer and are payable solely from the proceeds of the charged assets. The charged assets are, in general terms, the Issuer's rights under the Loan Agreement and certain related rights under the Issuance Facility Documents (the "**Charged Assets**").

If the Charity fails to make payments to the Issuer under the Loan Agreement and, following the occurrence of an event of default under the Bonds, the Trustee (acting on the instructions of the Bondholders) takes action against the Charity to enforce the Loan Agreement, then any amounts received by the Issuer in respect of the Charged Assets would be available for the Trustee and other priority-ranking parties under the established issuance facility, as well as (if sufficient monies are received) for making payments in respect of the Bonds. However, if payments on the Charged Assets are insufficient to enable the Issuer to make payments to such secured parties and to make full payment in respect of the Bonds, no other assets of the Issuer will be available for payment of any shortfall to the Bondholders. If such a shortfall remains following enforcement and/or realisation of the Charged Assets, no further amounts will be payable to Bondholders and no debt shall be owed by the Issuer in respect of any such shortfall.

Investors should note that, pursuant to the Loan Agreement, the Charity is required to pay to the Issuer amounts representing the arrangement fee pursuant to the Loan Agreement. Such amounts in respect of the arrangement fee are required to be paid in order of priority ahead of the payment of amounts of interest and principal due on

the Loan. In the event insufficient amounts are available in order to pay such amounts, the Servicer is entitled to apply amounts that would have otherwise been available for payments of principal and interest on the Bonds towards the payment of such amounts which may lead to a shortfall of payments of principal or interest on the Bonds leading to losses on the Bonds. Investors are referred to Condition 6.1 in this regard.

None of the Bondholders or the other secured parties shall be entitled at any time to institute against the Issuer, or join in any institution against the Issuer of, any bankruptcy, reorganisation, examination, arrangement, insolvency or liquidation proceedings or other proceedings under any applicable bankruptcy or similar law in connection with any obligations of the Issuer relating to the issuance of the Bonds, save for lodging a claim in the liquidation of the Issuer which is initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer in relation thereto and provided that the Trustee may enforce the security over the Charged Assets and appoint a receiver in accordance with the provisions of the Trust Deed.

Bondholders will have no direct recourse to the Charity in the event that the Charity fails to make payments under the Loan Agreement

The Issuer will assign by way of security its rights, title and interest in the Loan Agreement in favour of the Trustee for the benefit of the Bondholders (and certain other secured parties under the established issuance facility), and the Trustee may enforce the security over the Charged Assets including taking action against the Charity on behalf of the Bondholders. However, the Bondholders will not have any direct recourse against the Charity in respect of any failure by the Charity to make payments under the Loan Agreement.

As a function of the logistical challenges in organising a large number of disparate investors, the terms and conditions of the Bonds provide that the Trustee will not be bound to take any such enforcement action unless it has been indemnified and/or secured and/or pre-funded to its satisfaction. It may not be possible for Bondholders to arrange for the Trustee to be so indemnified or secured or pre-funded, which may result in a delay or failure by the Trustee to take enforcement action and Bondholders may lose some or all of their investment in the Bonds.

The Bonds are not protected by the Financial Services Compensation Scheme

The FSCS is the UK statutory compensation fund of last resort for customers of authorised financial services firms. In the event of the failure of a bank or certain other institutions, the customers of the relevant institution may be able to obtain compensation from the FSCS for certain of their losses. For example, deposits in a bank account are protected by the FSCS up to certain limits.

However, unlike a bank deposit, the Bonds are not protected by the FSCS. If the Issuer is unable to pay any amounts in respect of the Bonds, investors will have no recourse to the FSCS for compensation or any other amounts. If the Issuer or the Charity go out of business or become insolvent, investors may lose all or part of their investment in the Bonds.

In certain circumstances, repayment of the Bonds may be deferred to a later date, and such deferral will not constitute a default under the terms of the Bonds provided the Bonds are repaid no later than the Legal Maturity Date (as defined below)

The Loan Agreement will provide for repayment of the loan by the Charity on 17 December 2030 (the “**Expected Maturity Date**”). However, the terms of the Bonds provide that, if the Charity is unable to repay the loan in full on the Expected Maturity Date, the principal amount of the Bonds corresponding to the unpaid amount of the loan will not become due and payable on the Expected Maturity Date and will be deferred. Such deferral will not constitute an event of default under the Bonds. If the Charity fails to repay the loan on the Expected Maturity Date and repayment is deferred until the Legal Maturity Date (as defined below), under the terms of the loan the Charity will be required to make additional interest payments at the rate of 1.00 per cent. per annum. This means that the interest payments on the Bonds from 17 December 2030 will also increase by

1.00 per cent. per annum. In such circumstances, the deferred amounts of principal in respect of the Bonds will be paid to the holders of the Bonds on 17 December 2032 (the “**Legal Maturity Date**”).

Accordingly, investors in the Bonds may not be repaid their investment on the Expected Maturity Date, and will not be entitled to take action to enforce the Bonds unless the full principal amount outstanding on the Bonds has not been repaid by the Legal Maturity Date.

Neither the Bonds nor the Loan Agreement contains a gross-up provision requiring the Issuer or the Charity to pay any additional amounts to Bondholders or, in the case of the Loan Agreement, the Issuer, to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Loan Agreement or the Bonds

The Issuer will not be obliged to pay any additional amounts to Bondholders to reimburse them for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Bonds by the Issuer or The Bank of New York Mellon, London Branch. Neither will the Charity be obliged to pay any additional amounts to the Issuer to reimburse the Issuer for any tax, assessment or charge required to be withheld or deducted from payments in respect of the Loan Agreement by the Charity. However, in such circumstances, the Charity will be required to take such reasonable steps to ensure that the gross amount of all payments due in respect of the Loan Agreement is paid to the Issuer (in its capacity as Lender under the Loan Agreement). In the event of a withholding or deduction for or on account of tax in respect of payments due on the loan by the Charity resulting in a shortfall in the amounts available to the Issuer to satisfy amounts of interest due on the Bonds, an amount equal to such shortfall will be deferred in accordance with Condition 8.5. Furthermore, unless the Issuer is able to recover in full any amounts so withheld or deducted by way of a refund from the relevant tax authority, the Issuer is unlikely to have sufficient funds available to satisfy any such deferred amounts in full.

Accordingly, in the event of a change of tax law requiring any such withholding or deduction, there may be an adverse effect on the amount of principal or interest receivable by Bondholders under the terms of the Bonds.

The Issuer expects to benefit from specific UK tax treatment given the specific nature of the transactions it conducts. However, if the Issuer does not benefit, or ceases to benefit, from such tax treatment, the Issuer’s ability to make payments in full on the Bonds may be adversely affected

The Issuer has been advised that it should fall within the permanent regime for the taxation of securitisation companies (as set out in the Taxation of Securitisation Companies Regulations 2006 (SI 2006/3296) (as amended) (the “**Securitisation Regulations**”), and as such should be taxed only on the amount of its “retained profit” (as that term is defined in the Securitisation Regulations), for so long as it satisfies the conditions of the Securitisation Regulations. However, if the Issuer does not satisfy the conditions to be taxed in accordance with the Securitisation Regulations (or subsequently ceases to satisfy those conditions), then the Issuer could be subject to additional tax liabilities not contemplated in the cash flows for the transaction described in this Prospectus which could adversely affect its ability to make payments on the Bonds and may result in investors receiving less interest and/or principal than expected.

Withholding tax on the Bonds

Provided that the Bonds carry a right to interest and are and continue to be “listed on a recognised stock exchange” (within the meaning of section 1005 of the Income Tax Act 2007), as at the date of this Prospectus no withholding or deduction for or on account of United Kingdom income tax will be required on payments of interest on the Bonds. However, there can be no assurance that the law in this area will not change during the life of the Bonds.

Pursuant to Condition 11, the Issuer shall withhold or deduct from any payments it makes in respect of the Bonds any amounts on account of tax where so required by applicable law. Neither the Issuer nor any other person is required to make any “gross up” payments or otherwise compensate the Bondholders in respect of any

withholding tax applied in respect of payments on the Bonds. Accordingly, where the Issuer is required by law to withhold or deduct any amount from a payment it makes on the Bonds, Bondholders will receive less than the amount they would have received had no such withholding or deduction been made. The difference between the amount a Bondholder would have received (had there been no such withholding or deduction) and the amount it actually receives will not be recoverable by that Bondholder from the Issuer or any other person.

The Bonds pay a fixed rate of interest, and the value of the Bonds may therefore be affected by changes in prevailing interest rates in the market

The Bonds bear interest at a fixed rate. Investors should note that, if interest rates available in the market generally start to rise, then the income to be paid by the Bonds might become less attractive and the price the investors get if they sell such Bonds could fall. However, the market price of the Bonds has no effect on the interest amounts due on the Bonds or what investors will be due to be repaid at maturity of the Bonds if the Bonds are held by the investors until maturity. Investors should also note that inflation will reduce the real value of the Bonds over time, which may affect what investors can buy with their investments in the future and which may make the fixed interest rate on the Bonds less attractive in the future.

The provisions of the Bonds provide for modification of the terms of the Bonds and the waiver of certain rights, in certain circumstances without the consent of the Bondholders

The terms and conditions of the Bonds contain provisions for calling meetings of Bondholders to consider and vote upon matters affecting their interests generally, or to pass resolutions in writing or through the use of electronic consents. These provisions permit defined majorities to bind all Bondholders, including Bondholders who did not attend and vote at the relevant meeting or, as the case may be, did not sign the written resolution or give their consent electronically, and including those Bondholders who voted in a manner contrary to the majority.

The terms and conditions of the Bonds also provide that the Trustee may, without the consent of Bondholders and without regard to the interests of particular Bondholders, agree to (i) any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Bonds, or (ii) determine without the consent of the Bondholders that any event of default shall not be treated as such where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Bondholders to do so or may agree without Bondholder consent to any modification which is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven.

Either the Issuer or the Charity may propose a Restructuring Plan under Part 26A of the Companies Act 2006

Where the Issuer or the Charity encounters, or is likely to encounter, financial difficulties that are affecting, or will or may affect, its ability to carry on business as a going concern, it may propose a Restructuring Plan (a "Plan") with its creditors under Part 26A of the Companies Act 2006 (introduced by the Corporate Insolvency and Governance Act 2020) to eliminate, reduce, prevent or mitigate the effect of any of those financial difficulties. Should this happen, creditors whose rights are affected are organised into creditor classes and can vote on any such Plan (subject to being excluded from the vote by the English courts for having no genuine economic interest in the Issuer or the Charity (as the case may be)). Providing that one class of creditors (who would receive a payment, or have a genuine economic interest in the Issuer or the Charity (as the case may be)) has approved the relevant Plan, and in the view of the English courts any dissenting class(es) who did not approve the relevant Plan are no worse off under such Plan than they would be in the event of the "relevant alternative" (such as, broadly, liquidation or administration), then the English court can sanction the relevant Plan where it would be a proper exercise of its discretion. A sanctioned Plan is binding on all creditors and members, regardless of whether they approved it. Any such sanctioned Plan in relation to the Issuer or the Charity may, therefore, adversely affect the rights of Bondholders and the price or value of their investment in the Bonds, as it may have the effect of modifying or disapplying certain terms of the Bonds (in the case of a sanctioned Plan relating to the Issuer) or the Loan (in the case of a sanctioned Plan relating to the Charity) (by,

for example, writing down the principal amount of the Bonds or the Loan (as the case may be) or modifying the interest payable on the Bonds or the Loan (as the case may be), the maturity date or dates on which any payments are due). In the worst case scenario, the principal amount of the Bonds or the Loan (as the case may be) could be written down to zero. In either such case, Bondholders may lose their entire investment in the Bonds.

Change of law

The conditions of the Bonds are based on English law in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Prospectus, and any such change could materially adversely impact the value of any Bonds affected by it.

4. RISKS RELATED TO THE MARKET GENERALLY

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

The Bonds do not have an established trading market when issued, and one may never develop. Whilst the Issuer has made an application for the Bonds to be admitted to the London Stock Exchange's electronic Order book for Retail Bonds (the "**ORB**") and one or more market makers on the ORB will be appointed in respect of the Bonds, there can be no guarantee that a significant market in the Bonds will develop. If a market for the Bonds does develop, it may not be very liquid. Further, whilst the market maker(s) in respect of the Bonds will be required to quote buy and sell prices during normal business hours, there is no restriction on the prices which they can quote. If the secondary market in the Bonds is not liquid, the prices quoted may be unfavourable to investors, and the prices quoted over time may be volatile. Therefore, investors may not be able to sell their Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. There is no guarantee of what the market price for selling or buying the Bonds will be at any time. Any actual or perceived weaknesses in the creditworthiness of the Issuer or the Charity, the absence of a liquid market in the Bonds and prevailing market conditions generally can all affect the market price of the Bonds and, accordingly, if an investor in the Bonds elects or is required to sell its Bonds in the market, it may achieve a price for its Bonds which is significantly lower than the price it paid for them.

Regulation (EU) No 1286/2014 on key information documents for packaged retail and insurance-based investment products (the "**PRIIPs Regulation**") came into force on 29 December 2014. On 23 December 2016, Regulation (EU) 2016/2340 (the "**Amending Regulation**") amending the PRIIPs Regulation was published in the Official Journal of the EU and came into force on the following day. The Amending Regulation amended the application date of the PRIIPs Regulation such that the provisions of the PRIIPs Regulation have applied directly in all EEA Member States since 1 January 2018. The PRIIPs Regulation introduced a new pre-contractual disclosure regime in relation to (1) "packaged retail investment products" or "PRIIPs" and (2) "insurance-based investment products" (collectively, "**PRIIPs**"). The principal obligations introduced by the PRIIPs Regulation are: (i) an entity that falls within the definition of a "PRIIP manufacturer" will be required to produce a "key information document" (a "**KID**") and publish it on its website; (ii) any person advising on or selling a PRIIP to retail investors must provide the investors with the KID in good time before they are bound by any contract or offer relating to the PRIIP; (iii) a PRIIP manufacturer must regularly review and update the KID; and (iv) a PRIIP manufacturer must establish appropriate complaint and redress procedures for retail investors. The Issuer has prepared a key information document as required by the PRIIPs Regulation for the initial offer and sale of the Bonds as of the date hereof. However, the Issuer gives no assurance pursuant to this Prospectus that the KID will be regularly reviewed or updated. Therefore, the KID may not be kept up-to-date. This may impact the development of a secondary market in the Bonds since, without an up-to-date KID, offering or selling the Bonds or otherwise making them available to any retail investor in the EEA or in the United Kingdom may be unlawful under the PRIIPs Regulation.

Exchange rate risk and exchange controls

The Issuer will pay principal and interest on the Bonds in sterling. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than sterling. These include the risk that exchange rates may significantly change (including changes due to devaluation of sterling or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to sterling would decrease (1) the Investor's Currency-equivalent yield on the Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Bonds, and (3) the Investor's Currency-equivalent market value of the Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Bonds. As a result, investors may receive less interest or principal than expected, or no interest or principal.

DESCRIPTION OF THE CHARITY

This section sets out information about the Charity.

DESCRIPTION OF THE CHARITY

Incorporation and Regulatory

Greensleeves Homes Trust (the “**Charity**”) was incorporated on 8 October 1996 as Charis (58) Limited. It is a registered charity in England and Wales (No. 1060478) and is registered with the England and Wales Companies House as a private limited company (Company No. 3260168). The registered address of the Charity is 54 Fenchurch Street, London EC3M 3JY, England.

The Charity is regulated by the Charity Commission and is also subject to regulation by the Care Quality Commission (“**CQC**”). As a result of its charitable status, the Charity must also comply with the Charities Act 2011. The Charity is operated on a not-for-profit basis so all funds available are invested back into its operations.

Background and History

The Charity is a growing charitable organisation, which provides care for older people in its residential, dementia and nursing homes across England. The Charity commenced operations in 1997 when the Women’s Royal Voluntary Service (“**WRVS**”) decided to transfer the ownership and management of its care homes to an independent organisation. The newly formed Charity took its name from the green arm bands (or sleeves) worn by WRVS volunteers during World War II.

As an organisation, the Charity is constantly adapting to meet the needs of older people. The Charity has successfully introduced the Eden Alternative approach to care, to improve the quality of life for residents at all of its care homes. The Eden Alternative principles provide a framework to transform traditional approaches to care.

The Charity aims to set and maintain the highest standards of good practice within an environment that encourages residents to thrive as individuals and employees to fulfil their ambitions as caring professionals.

The quality of care provided to residents is of paramount importance to the Charity and this ultimately drives all operational issues within the Charity. This has been recognised through national and local awards for a number of homes and above industry average performance in ratings awarded by the regulatory body, the CQC.

As a charitable trust, the Charity operates on a not-for-profit basis, so all funds available are invested back into the operations of the Charity and are not required to be used to pay any dividends. In this way, the Charity is able to offer care and services to residents whilst charging comparatively modest fees compared to its competitors operating in similar areas and offering a similar, above average quality of care.

The Charity currently has the following subsidiaries:

- Greensleeves Developments Limited (“**GDL**”), whose accounts are consolidated into the Charity’s financial statements. GDL is currently considered dormant but is kept in existence in case a trading subsidiary is required for future activities; and
- Whitegates Investments Limited (which owns 100 per cent. of the issued share capital of Whitegates Retirement Home Limited) (the Whitegates companies, together with GDL and the Charity, the “**Group**”), which was acquired as part of the purchase of the Whitegates care home in Westfield, East Sussex in July 2019. All operations under the Whitegates companies were transferred to the Charity soon after the acquisition and the Charity is in the process of liquidating the Whitegates companies.

Twenty two of the Charity's homes are owned on a freehold basis and three homes are owned on a leasehold basis. The freehold properties owned by the Charity as of the date of this Prospectus were valued at £97m as of 24 October 2020.

Over the last ten years, £53.4m has been invested in upgrading and extending the estate as follows:

- £25.7m spent on new homes;
- £20.4m spent extending existing homes; and

- £7.3m invested in upgrading facilities.

	New homes	Existing extended	Upgrading facilities	Total

Total	25,700,000	20,400,000	7,300,000	53,400,000

The Charity’s current developments in new and existing homes will, when complete, enable it to care for an additional 180 residents.

Funding Sources

The Charity seeks to operate a sustainable business model and balances its resident funding accordingly. Historically, a mix of 75 per cent. privately funded and 25 per cent. publicly funded residents has been considered appropriate. The Charity is therefore less reliant on public sector funding than many other care home operators. For the year ended 31 March 2020, the Charity charged an average weekly fee of £1,019¹ versus an industry benchmark of £837². The fees ranged from £794 to £1,533, depending on the service provided.

The following table shows the percentage increase in fees over the past five years:

	2015	2016	2017	2018	2019	2020
Average fee for the year (£)	684	735	805	871	942	1019
Annual fee increase		7.5%	9.5%	8.2%	8.2%	8.2%
Average annual fee increase						8.3%

Quality of Care

As described below under “*Regulatory Landscape*”, the CQC monitors, inspects and regulates care homes in the UK, providing an overall rating for each home and also individual ratings covering the categories of “safety”, “effectiveness”, “care”, “responsiveness” and “well-led”. As of the date of this Prospectus, the CQC has inspected 24 of the Charity’s 25 homes and rated two as Outstanding and 19 as Good (i.e. 87.5 per cent. Good or above). This compares favourably with the sector average of approximately 82.8³ per cent. of either Outstanding or Good. None of the Charity’s homes are rated Inadequate and remedial plans are in place for the three homes rated Requires Improvement. One home (The Orchards, Ely), which was acquired by the Charity in July 2019, has not yet been inspected by the CQC.

³ CQC state of health and adult social care in England (overall ratings represent combined residential and nursing homes ratings)

The development of a new freehold 66-bed home, Henley House, was completed on 25 September 2020. Henley House is awaiting CQC inspection and approval for registration and once this is completed, Henley House will replace Thornbank, the Charity’s existing home in Ipswich. All residents and staff from Thornbank will relocate to Henley House when CQC registration has been achieved. Thereafter, Thornbank will be marketed for sale.

Occupancy Levels

The Charity currently maintains levels of occupancy higher than the industry standard¹ and the Charity achieved occupancy in its homes (calculated based on phased resident build up at new homes) of 92.6 per cent. for the year ended 31 March 2020. The occupancy levels for the last five years are as follows:

	2016	2017	2018	2019	2020
Occupancy for the year	93.4%	93.2%	93.5%	91.9%	92.6%

Staff

The Charity recognises that staffing is a key factor in determining the quality of its product, to the extent that staff availability is a central consideration in evaluating new sites.

In order to maintain quality standards, the Charity:

- adopts a policy of “insourcing” - catering, laundry, maintenance are all permanent, establishment posts under the direction of the local Home Manager; and
- minimises use of agency staff.

As at 31 March 2020, staff contracts totalled 1,517 staff across 25 homes and head office.

A breakdown by category is presented below:

Staff Category	Number
Carers	982
Homes Support Staff (Admin, catering etc)	416
Homes Management	45
Nursing	28
Head Office	46
Total	1,517

Of the 1,517 staff contracts, 1,398 are permanent contracts and 119 are part time contracts. Hourly paid staff are all paid above the National Living Wage.

Homes’ staff costs including agency costs as a percentage of fee income were 63.90 per cent. in the year ended 31 March 2020 as against an industry benchmark of 58.60 per cent.²

The Charity ensures that employees are appropriately trained and runs its own accredited training scheme with three divisional training managers overseen by the Divisional Support Managers and coordinated by the Learning and Development Manager. All new staff are required to undergo an Employee Engagement Programme tailored to their job type. Carers must also participate in a programme aligned to the National Care Certificate. In the year ended 31 March 2020, the Charity invested £282,000 in staff training and its staff undertook a total of 12,230 hours of face-to-face training and 6,301 hours of e-learning.

¹ Knight Frank 2019 Care Homes Trading Performance Review

² Knight Frank 2019 Care Homes Trading Performance Review

Staff turnover averaged 18.5 per cent. during the year ended 31 March 2020 against an industry average of approximately 30.8 per cent.¹ This reflects the ongoing commitment of the Charity to rewarding staff appropriately and investing significantly in training to further develop the quality of care provided to its residents.

Business Growth

The Charity has historically generated sustained levels of financial surpluses and, in recent years, has undertaken significant investment in existing and additional homes. This has enabled the Charity to expand greatly the number of residents for whom it can provide care.

	2014-15	2015-16	2016-17	2017-18	2018-19	2019-20
Number of homes	17	20	20	22	24	25
Resident capacity	632	789	789	872	872	1,037
Growth in capacity	0.3%	24.8%	0.0%	10.5%	11.4%	6.8%

Growth to date has been achieved through three major routes:

- acquisition of currently operating homes;
- new build – leasehold and freehold; and
- development of the existing portfolio.

It is anticipated that this will continue in the future on a selective and sustainable basis.

Business Plan

The Charity has two key strategic aims: quality improvement and sustainable development. A commitment to quality improvement will ensure continuous enhancement in the quality of care provided to residents and service users. A platform of sustainable development will ensure the charitable impact of the Charity expands in an enduring and affordable manner.

The following keys to success for the Charity have been identified:

- maintain current average occupancy, which has been historically above the national average;
- ensure fees remain competitive in each local market and homes remain attractive;
- maintain tight control of cost base and, in the long-term, seek to increase income more than expenditure in order to re-invest in service development for the benefit of current and future beneficiaries;
- invest in current estate and establish a live pipeline of profitable, new homes to sit alongside the Charity’s existing homes;
- actively manage the quality of services provided and promote achievements internally and externally; and
- continue to manage finances of the Charity in a prudent and sustainable manner.

Products and Services

The focus of the Charity’s work is to provide residential, dementia and nursing care, comfort and security to older people, at an economic price that reflects its charitable status. The Charity aims to provide residents with a “home for life” and the ultimate goal is to have all 25 homes which it currently manages validated formally with the Eden Alternative philosophy. As of the date of this Prospectus, 19 homes have been formally validated.

¹ Skills for Care Report 2020

The Charity constantly monitors its performance including satisfaction of its residents. In the latest Ipsos Mori poll for “Your Care Rating”, it outperformed the survey average in each category (as presented below):

2019 – 20 Results	Average	Greensleeves Care
Overall Performance Rating	893	914
Staff and Care	891	910
Home Comforts	869	901
Choice and Having a Say	883	901
Quality of Life	938	952

Each category is scored based on the below:

- Staff and Care – This category covers areas such as how residents are treated and looked after; whether familiar staff are available throughout the week; if the staff are professional and capable of providing the care required; do staff deal with residents’ complaints or concerns; whether residents have access to outside medical professionals such as doctors, nurses and dentists.
- Home Comforts – This category covers the home and services; for example, is the home clean, tidy and well maintained? Are varied menu selections available? Is the food offering of good quality and are residents’ specific requests catered for? Is the laundry service up to standard?
- Choice and Having a Say – This covers whether all levels of staff are available for residents or relatives to speak to; whether their requests are heard and fulfilled accordingly; if care provision and activities are tailored according to the requests made.
- Quality of Life – This category covers how residents feel about life in the home; can they have visitors when they choose? Do they feel safe, happy and part of a family? Is their privacy respected? Are they able to spend their time doing the activities and hobbies they personally enjoy?
- Overall Performance Rating – This is an overall score calculated based on the four individual themes above.

In line with its charitable objects, the Charity aims to maximise its public benefit. Any trading surpluses are reinvested back into the Charity to expand and improve services to its beneficiaries. As a result, the Charity is able to offer training to staff and high quality care to residents while charging competitive and comparatively modest fees.

The Charity’s operating model means that it is able to extend its services and support to some of the most vulnerable people in society whose care fees are often paid from public funds. All the Charity’s residents receive the same, personalised care and support irrespective of how they are funded.

Generating a sustainable surplus means that the Charity is able to offer a home for life to its residents. The Charity has a policy of offering a home in perpetuity to all its residents irrespective of how they are funded.

Regulatory Landscape

In England, care homes are regulated by CQC, principally under the Health and Social Care Act 2008 (“HSC”) and subordinate regulations, but elements of the Care Standards Act 2000 still apply.

The HSC includes an approval/registration process which has three broad elements to it. First, registration and approval of the particular “service provider” to provide “regulated activities”. Once approved, the service provider (whether a corporate entity or an individual) becomes a “registered provider” and CQC issues a registration certificate setting out the activities for which the service provider is approved. Secondly, each “location” (site/property) from which the registered provider wishes to provide regulated activities must be

approved and registered against the registered provider status. Thirdly, there is a requirement for managers of individual locations to be approved and registered (referred to as “registered managers”). Applications for such approvals are made to CQC and assessed according to set criteria.

In addition, CQC oversees the actual operation and delivery of care services, principally via an inspection regime. CQC inspectors inspect physical premises either on an agreed or unannounced basis. The inspections cover the provision of regulated activities and assess the service against five broad criteria:

- Is the service safe?
- Is the service effective?
- Is the service caring?
- Is the service responsive to people’s needs?
- Is the service well led?

Each criterion is then scored, with four grades being available: Outstanding; Good; Requires Improvement; or Inadequate. There will then be an overall rating of the service using one of those four grades.

Where any aspect is rated “Inadequate” or “Requires Improvement”, recommendations will be made by CQC to achieve compliance with the applicable standards. In addition, where a service is rated “Inadequate”, warning notices will be served and appropriate action taken by CQC to achieve future compliance and the immediate safety of service users. It is possible for enforcement action to be taken by CQC and it has available the ultimate sanctions of prosecution or revocation of registrations. Revocation is usually a last resort as those using the service will need continuity of care. Inspection reports are publicly available on the CQC website at <https://www.cqc.org.uk>.

Use of Proceeds

The Charity will use the proceeds of the issue of the Bonds to pursue the strategy of sustainable development whereby the charitable impact of the Charity expands in an enduring and affordable manner.

Share Capital and Major Shareholders

The Charity is a company limited by guarantee and does not have share capital. The Board of Trustees has overall responsibility for the running of the Charity. The Board of Trustees is responsible for the overall policy, direction and strategy of the Charity and for the oversight of its financial affairs. All attend Trustees' meetings, at which the important matters affecting the Charity are discussed and decisions made.

Recent Developments

As a result of the emergence of COVID-19, various aspects of the Charity's business have been affected, in common with other adult social care providers within the care homes sector in the UK. There have been COVID-19 Outbreaks¹ in a number of the Charity's homes, but corrective action has been taken (see below in respect of "*Mitigating Action*"). To the best of the Charity's knowledge, no COVID-19 Outbreaks were recorded between mid-May 2020 and 30 September 2020. Following 30 September 2020, and as of 20 November 2020, to the best of the Charity's knowledge, there have been only two further Outbreaks, which were recorded at Queen Elizabeth House in Bromley (the "**Bromley Outbreak**") and at Glebelands in Wokingham (the "**Wokingham Outbreak**"). The first case in the Bromley Outbreak was recorded on 21 October 2020 and the most recent case was recorded on 2 November 2020. The first case in the Wokingham Outbreak was recorded on 3 November 2020 and the most recent case was recorded on 16 November 2020. There can be no assurance that there will not be further Outbreaks in the Charity's homes. The main impacts of the COVID-19 pandemic on the Charity are highlighted below.

Occupancy Levels and Admissions

Occupancy levels have fallen since 31 March 2020. As a result of the initial wave of the COVID-19 pandemic, occupancy levels fell by approximately 9 per cent. from the level at 31 March 2020 to 83 per cent. but steadily recovered during the June to September 2020 period, reaching 86 per cent. by 30 September 2020. As a result, there was a difference of £1.7m between the income that was likely to have been received by the Charity had occupancy levels remained at March 2020 levels and the actual income received by the Charity during the six month period to 30 September 2020. As a result, the Charity revised its budget and reduced planned expenditure to ensure underlying trading remains profitable.

¹ An "**Outbreak**" is defined as two or more staff and/or residents in any one of the Charity's homes having tested positive for COVID-19.

The below table indicates the monthly occupancy levels of the Charity between April 2020 and September 2020.

	Monthly occupancy
April	89.51%
May	84.97%
June	83.86%
July	85.23%
August	85.59%
September	86.31%

Increased Operational Costs and Staff Costs

Operational costs have increased following the need for significantly greater usage of higher priced personal protection equipment (“PPE”) and costs associated with providing deep cleans to homes and measures put in place to enable safe visits.

Staff costs have also increased as a result of COVID-19, reflecting the provision of enhanced care to residents and to cover for staff absences during periods of self-isolating, shielding and furlough. Some homes worked to different shift patterns to minimise COVID-19’s impact and this has led to higher costs.

These additional costs have been largely offset by grants received under various government support schemes, as well as a reduction in non-essential expenditure by the Charity.

Development Activity

Planned extension and development works at Borovere in Alton, Croxley House in Croxley Green, Rickmansworth and Mount Ephraim House in Tunbridge Wells are progressing but the COVID-19 pandemic has led to some delays. Works at Borovere are now completed. Phase one of the Croxley House project is now scheduled for completion in November 2020, representing a delay of three months. Progress at Mount Ephraim House has been slower and completion is now expected in summer 2021, representing a delay of several months. The new 66 bed freehold home in Ipswich, Suffolk was completed on time with handover to the Charity in September 2020. The COVID-19 pandemic has impacted the construction of another new freehold home adjacent to Rye Hospital in Sussex and construction of the facility is now expected to commence later in 2021 rather than in the first quarter of the year.

Mitigating Action

Infection control and management has been prioritised across the Charity’s homes and all homes operate to Public Health England guidelines and follow government advice for care homes. Infection prevention and control has been successfully implemented and, to the best of the Charity’s knowledge, between mid-May 2020 and 30 September 2020, no Outbreaks were recorded at any of the Charity’s homes. As described above, following 30 September 2020, and as of 20 November 2020, to the best of the Charity’s knowledge, the only Outbreaks in the Charity’s homes have been the Bromley Outbreak and the Wokingham Outbreak but there can be no assurance that there will not be further Outbreaks in the Charity’s homes.

Access to weekly testing for staff and tests every 28 days for residents means the Charity is able to act quickly if a case of COVID-19 is detected. All new admissions or re-admissions to the Charity’s homes enter a 14-day period of self-isolation to minimise risks to others.

Essential PPE to protect staff and residents has been available at all homes at all times and PPE stock levels are monitored weekly to ensure a minimum supply of twelve weeks’ stock is maintained. In particular, the Charity has built up a centralised stock of PPE to last through the winter of 2020/2021.

The government has recently announcement that care home residents and staff will be priority recipients of any vaccine against COVID-19 approved for use in the United Kingdom and so care homes are expected to be the first sector of the economy to be shielded from the impact of the COVID-19 pandemic.

Other than the above, there are no recent events that are, to a material extent, relevant to the evaluation of the Charity's solvency.

INFORMATION ABOUT THE BONDS

This following section summarises the key features of the Bonds.

The full terms and conditions of the Bonds are contained in Appendix B (*“Terms and Conditions of the Bonds”*). It is important that you read the entirety of this Prospectus, including the Terms and Conditions of the Bonds, before deciding to invest in the Bonds. If you have any questions, you should seek advice from your financial adviser or other professional adviser before deciding to invest.

INFORMATION ABOUT THE BONDS

		Refer to
<p>What is a bond?</p>	<p>A bond is a form of borrowing by a company seeking to raise funds from investors. The company that issues a bond promises to pay interest to each investor in the relevant bond periodically until the date when the relevant bond becomes repayable (usually on the specified maturity date, although a bond may also become repayable early in certain circumstances), at which time the company also promises to repay the amount borrowed.</p> <p>An investor does not have to keep a bond until the date when the bond matures. Unlike a typical bank loan, a bond is a tradable instrument, so can be sold to another investor in the market. The market price of a bond will fluctuate between the start of the bond's life and when it matures.</p> <p>This Prospectus relates to a proposed issue of Greensleeves Homes Trust 5.00 per cent. Bonds due 17 December 2030 issued by Retail Charity Bonds PLC and secured on a loan to the Charity.</p>	<p>N/A</p>
<p>Who is issuing the Bonds?</p>	<p>The Bonds will be issued by the Issuer.</p> <p>The Issuer is an entity which has been established for the purpose of issuing asset-backed securities, which means that it has been incorporated for specific purposes only (i.e. to issue bonds), will not conduct business more generally and has very limited assets. The Issuer will not engage in any activities which are not related to the issue of bonds.</p> <p>The Issuer has been incorporated with a view to making it easier for United Kingdom charities to raise money from investors in the capital markets, without each such charity having to issue bonds directly. Instead, the Issuer may issue bonds from time to time and lend the proceeds of such issue to a charity. Payments of interest and principal due on the loan and those due on the bonds will be identical (save that payments of interest and principal under the loan will be required to be paid two business days prior to each interest payment date or redemption date, as the case may be, on the bonds) so that payments of interest and repayment of the loan by the charity will provide the Issuer with funds to make the corresponding payment on the related bonds.</p> <p>The proceeds of the Bonds (including (if applicable) the proceeds of any Retained Bonds following a sale of such Retained Bonds to any third party from time to time) described in this Prospectus will be loaned to the Charity by way of the Loan on the terms of the Loan Agreement. The Issuer will depend on the Charity to make payments under the Loan Agreement in order for it to be able to make payments on the Bonds. Therefore, investors in the Bonds will be assuming credit risk on the Charity, as to which investors</p>	<p>Appendix B <i>("Terms and Conditions of the Bonds")</i></p> <p>Section 7 <i>("Description of the Issuer")</i></p>

	<p>should refer to Section 2 (<i>“Risk Factors – Factors that may affect the Issuer’s ability to fulfil its obligations under the Bonds – The Issuer’s only material assets corresponding to the Bonds will be its rights under the Loan Agreement and, accordingly, investors in the Bonds will take credit risk on the Charity”</i>).</p>	
<p>What are Retained Bonds?</p>	<p>When the Bonds are issued by the Issuer, the Issuer may immediately purchase some of the Bonds (any such Bonds so purchased, the “Retained Bonds”). The aggregate nominal amount of Retained Bonds (if any) will be set out in the Issue Size Announcement.</p> <p>Any Retained Bonds will be held by The Bank of New York Mellon, London Branch in its capacity as bond custodian in respect of such Retained Bonds (or any successor or replacement custodian thereto) (the “Custodian”) pursuant to a bond custody agreement dated the Issue Date between the Issuer and the Custodian (or such other custody agreement entered into from time to time between the Issuer and the Custodian) in respect of the Retained Bonds (the “Custody Agreement”).</p>	N/A
<p>How will the Issuer deal with any Retained Bonds?</p>	<p>If any Retained Bonds are issued, the Issuer may, following agreement with the Charity and the Manager (or, failing agreement with the Manager, any third party), sell or dispose of all or some of such Retained Bonds in the market by private treaty at any time provided that:</p> <p>(i) the relevant Bonds will, following the relevant sale or disposal, be exempt from all United Kingdom stamp duties on transfer and will not be “deeply discounted securities” for the purposes of Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005; or</p> <p>(ii) if the Issuer would otherwise be in any material doubt, HM Revenue & Customs has prior to the relevant sale or disposal confirmed to the Issuer in writing that the relevant Bonds will be exempt from all United Kingdom stamp duties on transfer and will not be “deeply discounted securities” for the purposes of Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005 following the relevant sale or disposal.</p> <p>The proceeds of any such Retained Bonds (following a sale or disposal to any third party from time to time) will be loaned to the Charity under the terms of the Loan Agreement.</p> <p>Any Retained Bonds shall, following a sale to any third party from time to time, cease to be Retained Bonds to the extent of and upon such sale or disposal. Bonds which have ceased to be Retained Bonds shall carry the same rights and be subject in all respects to the same conditions as other Bonds.</p>	<p>N/A</p> <p>Appendix D (<i>“Loan Agreement”</i>)</p>

		Refer to
What is the Custody Agreement?	The Issuer will, if any of the Bonds to be issued are Retained Bonds, enter into the Custody Agreement with the Custodian whereby it appoints the Custodian to act as custodian and hold such Retained Bonds on its behalf. The Custody Agreement will contain customary terms for custody agreements and limited recourse and non-petition language on terms similar to the Terms and Conditions of the Bonds. If applicable, the Custodian will be one of the secured parties under the Trust Deed.	N/A
Why doesn't the Charity issue the Bonds directly?	<p>There are various constraints on the Charity issuing the Bonds directly and also several advantages for both investors and the Charity in the Bonds being issued by the Issuer:</p> <p><i>Listing and costs for the Charity:</i> The Issuer has been established as a means to enable charities to access the capital markets with reduced transaction costs using a master set of legal documents, including an Issuance Facility Agreement, a Master Trust Deed and an Agency Agreement. The terms of these legal documents contain contractual provisions that can be used to issue further bonds in the future. This has the overall effect of making a capital markets exercise of this nature cost-effective for charities. However, it will be necessary for the Issuer and other charities wishing to use the facility to prepare a new prospectus. Each prospectus is subject to review by the UK Financial Conduct Authority and must be approved on a case-by-case basis.</p> <p><i>ISA and SIPPS:</i> it is a requirement for eligibility for inclusion in a United Kingdom individual saving account or a self-invested pension plan that assets be obligations of a body corporate having issued share capital. The Issuer qualifies for this. The Charity does not.</p>	N/A
Who is the Charity?	The Charity is Greensleeves Homes Trust, a private limited company incorporated and domiciled in England and Wales, with registered number 3260168 and registered charity number 1060478.	Section 3 ("Description of the Charity")
What are the terms of the Bonds?	<p>The Bonds will be subject to Appendix B ("<i>Terms and Conditions of the Bonds</i>").</p> <p>The Bonds:</p> <ul style="list-style-type: none"> • entitle the Bondholders to receive semi-annual interest payments at a fixed interest rate of 5.00 per cent. per annum, subject to Condition 8; • have a nominal amount of £100 per Bond; • are scheduled to be redeemed on 17 December 2030, although if the Charity fails to repay the Loan on that date, redemption shall be deferred until 17 December 2032 without default. 	<p>the Charity fails to repay the Loan on 17 December 2030 and repayment is deferred until 17 December 2032, under the terms of the Loan the rate of interest payable on the Bonds will increase by an additional 1.00 per cent. per annum;</p> <ul style="list-style-type: none"> • will be redeemed at 100 per cent. of their principal amount on 17 December 2030 or, if redemption is deferred, on 17 December 2032; • may be redeemed early if the Charity repays the Loan early and in full, at the Sterling Make-Whole Redemption Amount (as defined below); and • are intended to be admitted to trading on the London Stock Exchange’s regulated market and through ORB. 	
<p>What does it mean that the Bonds are “secured on a loan” to the Charity?</p>	<p>The proceeds of the Bonds (including (if applicable) the proceeds of any Retained Bonds following a sale of such Retained Bonds to any third party from time to time) will be lent by the Issuer to the Charity on the terms of the Loan Agreement. The Loan Agreement will be in substantially the form set out in Appendix D of this Prospectus. The terms of the Loan and those of the Bonds will be aligned such that payments of interest and repayments of principal are identical (save that payments of interest and repayments of principal under the Loan will be required to be paid two business days prior to each interest payment date or redemption date, as the case may be, on the Bonds, and subject to any withholding for or on account of taxes either on amounts paid under the Loan or under the Bonds), so that payments of interest and principal by the Issuer in respect of the Bonds will be funded by the interest and principal which the Issuer receives from the Charity under the Loan Agreement.</p> <p>The Issuer’s rights in respect of the Loan Agreement from the Charity (and certain related rights) will be charged as security and assigned to the Trustee for the benefit of the Bondholders and certain other secured parties. This means that if the Charity fails to make payments of interest or principal under the Loan Agreement and this results in the occurrence of an event of default under the terms and conditions of the Bonds, the Trustee (acting on the instructions of the Bondholders) may enforce the terms of the Loan Agreement against the Charity, and if any amounts are recovered under the Loan they will be available, following payment of certain costs related to enforcement (such as the fees of the Trustee), for payment to the holders of the Bonds. The Loan Agreement contains certain covenants which the Charity must comply with such as, for example: (i) a requirement that, as at each relevant testing date, the sum of (A) the group’s unencumbered properties (that is, those not subject to any security in favour of a third party), (B) tangible fixed assets, (C) cash and investments that are deemed equivalent to cash (such as UK government bonds) (subject to a</p>	<p>Appendix D (“<i>Loan Agreement</i>”)</p>

The holders of the Bonds will not have recourse to the other assets</p>	

		Refer to
	of the Issuer in connection with the other bond issues.	
Why are the Bonds being issued? What will the proceeds be used for?	The Charity will use the proceeds of the issue of the Bonds to pursue the strategy of sustainable development whereby the charitable impact of the Charity expands in an enduring and affordable manner.	Section 3 (<i>“Description of the Charity”</i>)
Will I be able to trade the Bonds?	<p>The Issuer will make an application for the Bonds to be admitted to trading on the London Stock Exchange plc, on its regulated market and through ORB. If this application is accepted, the Bonds are expected to commence trading on or around 18 December 2020.</p> <p>Once admitted to trading, the Bonds may be purchased or sold through a broker. The market price of the Bonds may be higher or lower than their issue price depending on, among other things, the level of supply and demand for the Bonds and movements in interest rates. See Section 2 (<i>“Risk Factors – Risks related to the market generally – The secondary market generally”</i>).</p>	Section 10 (<i>“Additional Information – Listing and admission to trading of the Bonds”</i>)
How will payments on the Bonds be funded?	Payments of interest and principal by the Issuer in respect of the Bonds will be funded by the interest and principal which the Issuer receives from the Charity under the Loan. Payments of interest and principal due on the Loan and those due on the Bonds (other than any Retained Bonds) will be identical (save that payments of interest and principal under the Loan will be required to be paid two business days prior to each interest payment date or redemption date, as the case may be, on the Bonds, and subject to withholding for or on account of taxes either on amounts paid under the Loan or under the Bonds), and accordingly the Loan has characteristics that demonstrate capacity to produce funds to service any payments due and payable on the Bonds.	<p>Section 7 (<i>“Description of the Issuer”</i>)</p> <p>Section 3 (<i>“Description of the Charity”</i>)</p> <p>Appendix D (<i>“Loan Agreement”</i>)</p>
What is the interest rate and can the interest rate change?	The Bonds bear interest from their date of issue at the fixed rate of 5.00 per cent. per annum. The yield of the Bonds is 5.00 per cent. per annum until the Expected Maturity Date (as defined below). Interest will be paid semi-annually in arrear on 17 June and 17 December in each year. If repayment of the Loan is deferred until the Legal Maturity Date (as defined below) rather than being made on the Expected Maturity Date, the rate of interest payable on the Bonds will be increased by an additional 1.00 per cent. per annum from and including, the Expected Maturity Date to, but excluding, the Legal Maturity Date (see <i>“When will the Bonds be repaid?”</i> below).	Condition 8 (<i>“Interest”</i>) of Appendix B (<i>“Terms and Conditions of the Bonds”</i>)
When will interest payments be made?	<p>The first payment of interest in relation to the Bonds is due to be made on 17 June 2021.</p> <p>Following the first payment, interest is expected to be paid on 17 December and 17 June in each year up to and including the date</p>	Condition 8 (<i>“Interest”</i>) of Appendix B (<i>“Terms and Conditions of the</i>

		Refer to
	the Bonds are repaid.	<i>Bonds</i> ”)
How is the amount of interest payable calculated?	The Issuer will pay a fixed rate of 5.00 per cent. interest per year in respect of the Bonds. Interest will be payable in two semi-annual instalments. Therefore, for each £100 nominal amount of Bonds that you buy on 17 December 2020, for instance, you will receive £2.50 on 17 June 2021 and £2.50 on 17 December 2021, and so on every six months until and including the Expected Maturity Date (unless you sell the Bonds or they are repaid by the Issuer) (as such terms are defined below and see “ <i>When will the Bonds be repaid?</i> ” below). As the amount of interest payable will increase following the Expected Maturity Date, the amount payable thereafter will be re-calculated accordingly.	Condition 8 (“ <i>Interest</i> ”) of Appendix B (“ <i>Terms and Conditions of the Bonds</i> ”)
What is the yield on the Bonds?	On the basis of the issue price of the Bonds of 100 per cent. of their nominal amount, the initial yield (being the interest received from the Bonds expressed as a percentage of their nominal amount) of the Bonds on the Issue Date is 5.00 per cent. per annum until 17 December 2030. This initial yield is not an indication of future yield.	N/A
What will the Bondholders receive in a winding up of the Issuer?	<p>The Issuer has been established for the purpose of issuing asset-backed securities, which means that the risk of its entering into insolvency proceedings is low, even if the Charity fails to make payments on the Loan thereby preventing the Issuer from making payments on the Bonds. If the Issuer does become insolvent, it does not have any other financial or trade creditors which would rank ahead of the Bondholders (other than as contemplated under the Issuance Facility Documents (as defined in Appendix B (“<i>Terms and Conditions of the Bonds</i>”))).</p> <p>There is, however, no assurance that the Issuer’s continued solvency will mean the Issuer can meet its payment and other obligations in respect of the Bonds.</p> <p>If the Charity does not meet its obligations under the Loan Agreement resulting in the occurrence of an event of default under the terms and conditions of the Bonds, the Trustee shall be responsible for accelerating the Loan (which means that it becomes due and payable). The Trustee will be responsible for taking such steps as it in its absolute discretion considers appropriate in an attempt to ensure the payment of the outstanding sum and, if necessary, (acting on the instructions of Bondholders) shall take action against the Charity to enforce the Issuer’s rights under the Loan Agreement (see below in respect of the Bond Waterfall). However, the Trustee will not be bound to take any such enforcement action unless it has been indemnified and/or secured to its satisfaction.</p> <p>The obligations of the Issuer to the Bondholders in respect of the Bonds are limited in recourse to certain Charged Assets (being, in</p>	Section 7 (“ <i>Description of the Issuer</i> ”)

	<p>general terms, the Issuer’s rights under the Loan Agreement and certain related rights under the Issuance Facility Documents), which means that the holders of the Bonds will not have recourse to the other assets of the Issuer in connection with the other bond issues of the Issuer (see Diagram (<i>Limited Recourse</i>) below).</p> <p>Diagram (<i>Limited Recourse</i>)</p>  <p>Further information is contained in the detailed provisions of Condition 6.2 (“<i>Post-Enforcement</i>”) of Appendix B (“<i>Terms and Conditions of the Bonds</i>”).</p> <p>In a post enforcement scenario, i.e. if the Trustee (acting on the instructions of the Bondholders) takes enforcement action in relation to the Charged Assets, monies received will be used to make payments to the following parties in the order of priority below (the "Bond Waterfall"): </p> <ol style="list-style-type: none"> 1. (Any outstanding) Trustee fees and expenses insofar as they relate to the enforcement of the Bonds and/or the related Loan 2. (Any outstanding) Agent or (if applicable) Custodian fees and expenses insofar as they relate to the Bonds and are not otherwise payable out of the Expense Reserve Account* 3. (Any outstanding) Servicer fees and expenses insofar as they relate to the enforcement of the Bonds and/or the related Loan 4. (Any outstanding) payment of certain other amounts to cover the Issuer's general expenses due from the Charity under the Loan

Will the Bonds be rated by a credit rating agency?	No. Neither the Bonds nor the Issuer is rated by a credit rating agency, and the Issuer does not intend to seek a credit rating for the Bonds.	N/A
When will the Bonds be repaid?	<p>The Bonds are scheduled to be redeemed at 100 per cent. of their nominal amount on the Expected Maturity Date. However, if and to the extent that the Charity elects to extend the maturity date of the Loan pursuant to its right to do so under the terms of the Loan, the redemption of the Bonds will be postponed until the Legal Maturity Date.</p> <p>The Bonds may be redeemed early if the Charity repays the Loan early and in full in circumstances in which it is permitted to do so, at the Sterling Make-Whole Redemption Amount.</p> <p>The “Sterling Make-Whole Redemption Amount” is an amount which is calculated to ensure that the redemption price produces a sum that, if reinvested in a reference bond (in this case a UK gilt), would continue to give the Bondholder the same yield on the money that was originally invested as they would have received had the Bonds not been redeemed.</p>	Condition 10 (“ <i>Redemption and Purchase</i> ”) of Appendix B (“ <i>Terms and Conditions of the Bonds</i> ”)
Do the Bonds have voting rights?	Bondholders (other than holders of any Retained Bonds) have certain rights to vote at meetings of Bondholders, but are not entitled to vote at any meeting of shareholders of the Issuer.	Condition 17 (“ <i>Meetings of Bondholders, Modification and Waiver</i> ”) of Appendix B (“ <i>Terms and Conditions of the Bonds</i> ”)
Who will represent the interests of the Bondholders?	The Trustee is appointed to act on behalf of the Bondholders as an intermediary between Bondholders and the Issuer throughout the life of the Bonds. The main obligations of the Issuer (such as the obligation to pay and observe the various covenants in the terms and conditions of the Bonds) are owed to the Trustee. These obligations are enforceable by the Trustee only, not the Bondholders themselves. Although the entity chosen to act as the Trustee is chosen and appointed by the Issuer, the Trustee must act	Appendix B (“ <i>Terms and Conditions of the Bonds</i> ”)

	in the interests of the Bondholders in accordance with the terms of the Trust Deed.	
Can the terms and conditions of the Bonds be amended?	<p>The terms and conditions of the Bonds provide that the Trustee may agree to: (a) any modification of any of the provisions of the Trust Deed that is, in the opinion of the Trustee, of a formal, minor or technical nature or is made to correct a manifest error (which is an error that is clear, plain and obvious) or an error which, in the opinion of the Trustee, is proven; (b) waive, modify or authorise a proposed breach by the Issuer of a provision of the Trust Deed or the terms and conditions of the Bonds if, in the opinion of the Trustee, such modification is not prejudicial to the interests of the Bondholders. The Trustee can agree to any such changes without obtaining the consent of any of the Bondholders.</p> <p>Bondholders may also sanction a modification of the terms and conditions of the Bonds by passing an extraordinary resolution.</p>	<p>Condition 17 (<i>“Meetings of Bondholders, Modification and Waiver”</i>) of</p> <p>Appendix B (<i>“Terms and Conditions of the Bonds”</i>)</p>
How do I apply for Bonds?	Details on how to apply for the Bonds are set out in Section 5 (<i>“How to Apply for the Bonds”</i>).	Section 5 (<i>“How to Apply for the Bonds”</i>)
What if I have further queries?	If you are unclear in relation to any matter, or uncertain if the Bonds are a suitable investment, you should seek professional advice from your broker, solicitor, accountant or other independent financial adviser before deciding whether to invest.	N/A

HOW TO APPLY FOR THE BONDS

The following section sets out what you must do if you wish to apply for any Bonds.

HOW TO APPLY FOR THE BONDS

<p>How and on what terms will Bonds be allocated to me?</p>	<p>Applications to purchase the Bonds cannot be made directly to the Issuer. Bonds will be issued to you in accordance with the arrangements in place between you and your stockbroker or other financial intermediary, including as to application process, allocations, payment and delivery arrangements. You should approach your stockbroker or other financial intermediary to discuss any application arrangements that may be available to you.</p> <p>It is important to note that none of the Issuer, the Charity, the Servicer, the Manager or the Trustee is party to such arrangements between you and the relevant authorised offeror (each an “Authorised Offeror”), being a person to whom the Issuer and, as applicable, the Charity have given their consent to use this Prospectus in accordance with Article 5(1) of the Prospectus Regulation. You must therefore obtain this information from the relevant Authorised Offeror. Because they are not party to the dealings you may have with the Authorised Offeror, the Issuer, the Charity, the Servicer, the Manager and the Trustee will have no responsibility to you for any information provided to you by the Authorised Offeror.</p>
<p>What is the issue price of the Bonds?</p>	<p>The Bonds will be issued at the issue price of 100 per cent. (the “Issue Price”). Any investor intending to acquire any Bonds from an Authorised Offeror will do so at the Issue Price subject to and in accordance with any terms and other arrangements in place between such Authorised Offeror and such investor, including as to price, allocations and settlement arrangements. Neither the Issuer nor (unless acting as an Authorised Offeror in that capacity) the Manager is party to such arrangements with investors and accordingly investors must obtain such information from the relevant Authorised Offeror. Neither the Issuer nor (unless acting as an Authorised Offeror in that capacity) the Manager has any responsibility to an investor for such information. See “<i>What is the amount of any expenses and taxes specifically that will be charged to me?</i>” below for further information.</p>
<p>How and when must I pay for my allocation and when will that allocation be delivered to me?</p>	<p>You will be notified by the relevant Authorised Offeror of your allocation of Bonds (if any) and the arrangements for the Bonds to be delivered to you in return for payment.</p>
<p>When can the Authorised Offerors offer the Bonds for sale?</p>	<p>An offer of the Bonds may be made by the Manager and the other Authorised Offerors in the United Kingdom, Guernsey, Jersey and/or the Isle of Man during the period from 23 November 2020 to 12.00 noon (London time) on 11 December 2020, or such other time and date as agreed between the Issuer and the Manager and announced via a regulatory information service (which is expected to be the Regulatory News Service operated by the London Stock Exchange) (the “Offer Period”).</p> <p>After the end of the Offer Period, no Bonds will be offered for sale (i) by or on behalf of the Issuer or (ii) by the Authorised Offerors (in their capacity as Authorised Offerors) except with the consent of the Issuer.</p>
<p>Is the offer of the Bonds</p>	<p>The issue of Bonds is conditional upon (i) a subscription agreement being</p>

conditional on anything else?	signed by the Issuer and the Manager on or about 15 December 2020 (the “ Subscription Agreement ”), (ii) a commitment agreement being signed by the Issuer, the Manager, the Servicer and the Charity on or about 15 December 2020; and (iii) the Loan Agreement to be dated the date of issue of the Bonds being signed by the Issuer and the Charity. The Subscription Agreement will include certain conditions customary for transactions of this type (including the issue of the Bonds and the delivery of legal opinions and comfort letters in a form satisfactory to the Manager).
Is it possible that I may not be issued with the number of Bonds I apply for? Will I be refunded for any excess amounts paid?	You may not be allocated all (or any) of the Bonds for which you apply. This might happen for example if the total amount of orders for the Bonds exceeds the aggregate nominal amount of Bonds ultimately issued. There will be no refund as you will not be required to pay for any Bonds until any application for Bonds has been accepted and the Bonds have been allocated to you.
Is there a minimum or maximum amount of Bonds that I can apply for?	The minimum application amount for each investor is £500. There is no maximum amount of application.
How and when will the results of the offer of the Bonds be made public?	The results of the offer of the Bonds (including details of the aggregate nominal amount of Retained Bonds (if any)) will be made public in the Issue Size Announcement, which will be published prior to the Issue Date. The Issue Size Announcement is currently expected to be made on or around 11 December 2020.
Who can apply for the Bonds? Have any Bonds been reserved for certain countries?	Subject to certain exceptions, Bonds may only be offered by the Authorised Offerors in the United Kingdom, Guernsey, Jersey and/or the Isle of Man during the Offer Period. No Bonds have been reserved for certain countries.
When and how will I be told of how many Bonds have been allotted to me?	You will be notified by the relevant Authorised Offeror of your allocation of Bonds (if any) in accordance with the arrangements in place between you and the Authorised Offeror.
Have any steps been taken to allow dealings in the Bonds before investors are told how many Bonds have been allotted to them?	No steps have been taken to allow the Bonds to be traded before informing you of your allocation of Bonds.
What is the amount of any expenses and taxes specifically that will be charged to me?	The Issuer will not charge you any expenses. An Authorised Offeror may charge you expenses. However, these are beyond the control of the Issuer and are not set by the Issuer. The Issuer estimates that, in connection with the sale of Bonds to you, the expenses charged to you by one of the Authorised Offerors known to it as of the date of this Prospectus will be between 1 per cent. and 7 per cent. of the aggregate principal amount of the Bonds sold to you.
What are the names and addresses of those distributing the Bonds?	As of the date of this Prospectus, the persons listed below are initial Authorised Offerors who have each been appointed by the Issuer and the Manager to offer and distribute the Bonds in the United Kingdom, Guernsey, Jersey and/or the Isle of Man during the Offer Period:

	<p>City & Continental Ltd Cheyne House Crown Court 62-63 Cheapside London EC2V 6AX</p> <p>AJ Bell Securities Limited 4 Exchange Quay Salford Quays Manchester M5 3EE</p> <p>Equiniti Financial Services Limited Aspect House Spencer Road Lancing West Sussex BN99 6DA</p> <p>Redmayne Bentley LLP 9 Bond Court Leeds LS1 2JZ</p>
	<p>The Issuer and, as applicable, the Charity have also granted consent to the use of this Prospectus by other relevant stockbrokers and financial intermediaries during the Offer Period on the basis of and so long as they comply with the conditions described in Section 11 (<i>“Important Legal Information – Public Offer of the Bonds – Authorised Offerors and Consent to use this Prospectus – Conditions to Consent”</i>). Neither the Issuer, the Charity nor the Manager has authorised, nor will they authorise, the making of any other offer of the Bonds in any other circumstances.</p>
<p>Will a registered market-maker be appointed?</p>	<p>A registered market-maker through ORB will be appointed in respect of the Bonds from the date on which the Bonds are admitted to trading on the regulated market of the London Stock Exchange. Market-making means that a person will quote prices for buying and selling the Bonds during trading hours.</p>

TAXATION

If you are considering applying for Bonds, it is important that you understand the taxation consequences of investing in the Bonds. You should read this section and discuss the taxation consequences with your tax adviser, financial adviser or other professional adviser before deciding whether to invest.

TAXATION

Tax legislation, including in the country where you are domiciled or tax resident and in the Issuer's country of incorporation, may have an impact on the income that you receive from the Bonds.

United Kingdom Taxation

The following applies only to persons who are the beneficial owners of Bonds and is a summary of the Issuer's understanding of current United Kingdom law and published HMRC practice (which may not be binding on HMRC) relating to certain aspects of United Kingdom taxation relating to the Bonds and is of a general nature and not intended to be exhaustive. References to "interest" refer to interest as that term is understood for United Kingdom tax purposes. Some aspects may not apply to certain classes of persons (such as dealers and persons connected with the Issuer), to whom special rules may apply. The United Kingdom tax treatment of prospective Bondholders depends on their individual circumstances and may be subject to change in the future. Prospective Bondholders who may be subject to tax in a jurisdiction other than the United Kingdom or who may be unsure as to their tax position should seek their own professional advice.

References to "**Bondholders**" in this section entitled "*United Kingdom Taxation*" should be taken to include references to holders of CDIs. The statements below assume that the holders of CDIs are, for United Kingdom tax purposes, absolutely beneficially entitled to the Bonds and to any payments on the Bonds.

A. Interest on the Bonds

Payment of interest on the Bonds

Payments of interest on the Bonds may be made without deduction of or withholding on account of United Kingdom income tax provided that the Bonds carry a right to interest and the Bonds are and continue to be "listed on a recognised stock exchange" within the meaning of section 1005 of the Income Tax Act 2007. The London Stock Exchange is a recognised stock exchange. Bonds will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the Financial Services and Markets Act 2000) and admitted to trading on the London Stock Exchange. Provided, therefore, that the Bonds carry a right to interest and are and remain so listed on a "recognised stock exchange", interest on the Bonds will be payable without withholding or deduction on account of United Kingdom tax.

In other cases, an amount must generally be withheld from payments of interest on the Bonds that have a United Kingdom source on account of United Kingdom income tax at the basic rate (currently 20 per cent.), subject to any other available exemptions and reliefs. However, where a double tax treaty applicable to a Bondholder provides for a lower rate of withholding tax (or for no tax to be withheld), HMRC can issue a notice to the Issuer to pay interest to the Bondholder without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

Interest with a United Kingdom source received without deduction or withholding on account of United Kingdom tax will not be chargeable to United Kingdom tax in the hands of a Bondholder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Bondholder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency in connection with which the interest is received or to which the Bonds are attributable (and where that Bondholder is a company, unless that Bondholder carries on a trade in the United Kingdom through a permanent establishment in the United Kingdom in connection with which the interest is received or to which the Bonds are attributable). There are exemptions for interest received by certain categories of agent (such as some brokers and investment managers). The provisions of an applicable double taxation treaty may also be relevant for such Bondholders.

B. United Kingdom Corporation Tax Payers

In general, Bondholders which are within the charge to United Kingdom corporation tax (including, for non-United Kingdom resident Bondholders, where Bonds are acquired or held for the purposes of a trade carried on in the United Kingdom through a permanent establishment in the United Kingdom) will be charged to tax as income on all returns, profits or gains on, and fluctuations in value of, the Bonds (whether attributable to currency fluctuations or otherwise) broadly in accordance with their U.K. GAAP or IFRS accounting treatment.

C. Other United Kingdom Tax Payers

Taxation of Interest

Bondholders who are individuals (and certain trustees) and are resident for tax purposes in the United Kingdom or who carry on a trade, profession or vocation in the United Kingdom through a branch or agency to which the Bonds are attributable will generally be liable to United Kingdom tax on the amount of any interest received in respect of the Bonds.

Taxation of Chargeable Gains

A disposal of Bonds by an individual Bondholder who is resident in the United Kingdom, or who carries on a trade, profession or vocation in the United Kingdom through a branch or agency to which the Bonds are attributable, may give rise to a chargeable gain or allowable loss for the purposes of the United Kingdom taxation of chargeable gains.

Accrued Income Scheme

On a disposal of Bonds by a Bondholder, any interest which has accrued since the last interest payment date may be chargeable to tax as income under the rules of the accrued income scheme as set out in Part 12 of the Income Tax Act 2007, if that Bondholder is resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Bonds are attributable.

The Bonds may constitute variable-rate securities for the purposes of the accrued income scheme. Under the accrued income scheme on a disposal of Bonds by a Bondholder who is resident in the United Kingdom or carries on a trade in the United Kingdom through a branch or agency to which the Bonds are attributable the Bondholder may be charged to income tax on an amount of income which is just and reasonable in the circumstances. The purchaser of such a Bond will not be entitled to any equivalent tax credit under the accrued income scheme to set against any actual interest received by the purchaser in respect of the Bonds (which may therefore be taxable in full).

Individual Savings Accounts

The Bonds will be qualifying investments for the stocks and shares component of an account (an “ISA”) under the Individual Savings Account Regulations 1998 (the “ISA Regulations”) provided that: (i) at the time the Bonds are first held in the account, the Bonds are; and (ii) the Bonds remain, listed on the official list of a recognised stock exchange within the meaning of section 1005 of the Income Tax Act 2007. The London Stock Exchange is a recognised stock exchange for these purposes. Individual Bondholders who acquire or hold their Bonds through an ISA and who satisfy the requirements for tax exemption in the ISA Regulations will not be subject to United Kingdom tax on interest or other amounts received in respect of the Bonds, provided that the ISA otherwise satisfies the requirements for tax exemption in the ISA Regulations.

The current overall yearly subscription limit for an ISA (except for a “Junior”, “Help to Buy”, “Innovative Finance” and “Lifetime” ISA) is £20,000 (which may be split between a cash ISA and a stocks and shares ISA in any proportion the saver chooses).

The opportunity to invest in Bonds through an ISA is restricted to individuals. Individuals wishing to purchase the Bonds through an ISA should contact their professional advisers regarding their eligibility.

D. Stamp Duty and Stamp Duty Reserve Tax (SDRT)

No United Kingdom stamp duty or SDRT is payable on the issue of the Bonds or on a transfer of the Bonds.

E. US Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a “foreign financial institution” may be required to withhold on certain payments it makes (“**foreign passthru payments**”) to persons that fail to meet certain certification, reporting, or related requirements. The issuer may be a foreign financial institution for these purposes. A number of jurisdictions (including the United Kingdom) have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. A foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes under current law. Certain aspects of the application of FATCA and IGAs to instruments such as the Bonds, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to foreign passthru payments on instruments such as the Bonds, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to foreign passthru payments on instruments such as the Bonds, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register. Holders should consult their own tax advisors regarding how these rules may apply to their investment in the Bonds. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Bonds, no person will be required to pay additional amounts as a result of the withholding.

DESCRIPTION OF THE SERVICER

This section sets out information about the Servicer.

DESCRIPTION OF THE SERVICER

The Issuer has contracted with Allia Bond Services Limited (the “**Servicer**”), to provide certain services in relation to the Loan and the Bonds. These services include, in particular, liaising with the Charity (on the Issuer’s behalf) to ensure the Charity is aware of its obligations under the Loan Agreement to be dated the date of issue of the Bonds and administering correspondence received from the Charity. A summary of the duties of the Servicer is set out below. The Issuer cannot perform these functions itself because it does not have any employees and therefore contracts with the Servicer to perform them on its behalf. Investors should refer to Section 2 (“*Risk Factors – Factors that may affect the Issuer’s ability to fulfil its obligations under the Bonds - The Issuer’s reliance on third parties*”) for further information.

The Servicer is a private limited company incorporated under the laws of England and Wales with company number 09033937 whose registered office is at Future Business Centre, King’s Hedges Road, Cambridge, United Kingdom, CB4 2HY. It is a wholly owned subsidiary of the Manager, which itself is a subsidiary of Allia Ltd, a charitable community benefit society registered under the Co-operative and Community Benefit Societies Act 2014 (registered number 28861R).

Duties of the Servicer

The duties that the Servicer has agreed to perform are set out in a Services Agreement entered into between the Issuer and the Servicer. These services include, among others:

- a) management of the Issuer’s bank accounts including effecting payments from and to the Series Charged Account (which includes payments of principal and interest due on the Bonds) and the unsecured Expense Reserve Account (as set out in more detail below);
- b) monitoring and recording all receipts of funds into the Issuer’s bank accounts;
- c) at a prudent time prior to any scheduled payment date for amounts due to the Issuer, liaising with the Charity to ensure it is aware of its payment obligations under the Loan Agreement and to confirm receipt of the relevant funds to the Issuer to the extent such funds are received on or before their due date;
- d) notifying the Issuer, the registrar, the agent and the Trustee of (i) any unpaid interest and/or (ii) any early repayment in respect of the Loan Agreement;
- e) to the extent the Servicer receives any correspondence from the Charity in accordance with the Loan Agreement (including any compliance certificate, notices of prepayment, annual statements of social impact and notices of the occurrence of an event of default under the Loan Agreement), forward such correspondence as soon as practicable upon receipt to the Issuer and, to the extent the Issuer is so required, to the Trustee on behalf of the Issuer (investors should note, however, that the Servicer has no obligation to take any enforcement action in relation to the loan, as to which see Section 2 (“*Risk Factors – Risks relating to the particular structure and nature of the Bonds – The Servicer is under no obligation to take enforcement action in relation to the Loan Agreement*”));
- f) publishing any information required to be delivered to the Issuer by the Charity pursuant to the terms of the Loan Agreement on the relevant section of the investor website of the Issuer;
- g) promptly giving notice in writing to the Issuer and the Trustee of the occurrence of any default under a Loan Agreement upon becoming aware thereof and serving loan default notices on the Charity; and

- h) certain additional corporate administration services ancillary to the Issuer's activities (including, for example, in relation to the audit and tax affairs of the Issuer and the management of external marketing communications on behalf of the Issuer).

Management of Issuer Accounts

The Servicer has agreed to operate the bank accounts of the Issuer pursuant to the Services Agreement. The relevant bank accounts have been opened by National Westminster Bank plc (the "**Account Bank**"), a company registered in England with company number 00929027 whose registered office is at 135 Bishopsgate, London EC2M 3UR, pursuant to the terms of an Account Agreement dated 26 June 2014 between the Issuer, the Account Bank, the Servicer and the Trustee. The Services Agreement contains certain detailed provisions as to the amounts that can be paid into, and out of, the Issuer's bank accounts as summarised below:

Series Charged Account

The Series Charged Account is secured in favour of the Trustee (pursuant to the trust deed dated 26 June 2014 as supplemented from time to time) and is specific to the Bonds. The Series Charged Account is the account into which the proceeds of the Bonds (before being paid to the Charity) and payments of interest and principal received by the Issuer from the Charity are credited. Following receipt from the Charity, payments of principal and interest due on the Bonds are, in turn, made from the Series Charged Account by the Servicer in accordance with the order of priorities set out in Condition 6 ("*Order of Payments*") in Appendix B ("*Terms and Conditions of the Bonds*"). Investors should refer to Section 2 ("*Risk Factors – Risks relating to the particular structure and nature of the Bonds – Investors in the Bonds will have limited recourse to the assets of the Issuer in the event that it fails to make any payments on the Bonds and, further, the rights of enforcement for investors are limited, including that there are restrictions on the ability of investors to petition for bankruptcy of the Issuer*").

Expense Reserve Account

The Expense Reserve Account is not secured in favour of the Trustee (and neither the holders of the Bonds nor any other secured party has the benefit of it) and is a general reserve available to meet the general expenses of the Issuer. This account is funded by payments of arrangement fees by each relevant charity (such as the Charity) on each relevant issue date of bonds by the Issuer and on each interest payment date of each series of bonds (other than the last interest payment date) under each relevant loan agreement entered into between the Issuer and the relevant charity. Neither the holders of the Bonds nor any other secured party has any recourse to the balance standing to the credit of this account. The Services Agreement contains detailed provisions governing the amounts that may be paid out of this account by the Servicer, these include the following:

- a) fees and expenses in relation to a particular series of bonds that are payable on the issue date of such series;
- b) periodic expenses of the Issuer including, for example, trustee fees, agent fees and listing fees;
- c) an amount representing the Issuer's retained profit into the Issuer profit account;
- d) tax payable by the Issuer;
- e) companies registrar fees and expenses;
- f) amounts due in respect of certain professional services provided to the Issuer; and
- g) fees payable to the Servicer.

Remuneration

The Servicer shall be paid a fee as agreed between it and the Issuer.

Resignation and removal of the Servicer

The Servicer may resign at any time by giving at least 60 days' written notice to the Issuer.

The Servicer may be removed by the Issuer, giving reasons for such removal at any time forthwith by notice in writing from the Issuer if the Servicer:

- a) commits any material breach of the Services Agreement which is either incapable of remedy or has not been remedied within 30 days of the earlier of (i) the Issuer serving notice upon the Servicer requiring it to remedy the same; and (ii) the Servicer becoming aware of the breach;
- b) files a petition in bankruptcy or makes an assignment for the benefit of its creditors;
- c) is unable to pay or meet its debts as they fall due or suspend payment of its debts;
- d) consents to the appointment of an insolvency official or it enters an insolvency process; or
- e) ceases to carry on its business.

Any such resignation or removal shall only take effect upon the appointment by the Issuer of a successor Servicer, provided that (in the case of a resignation of the Servicer) if a successor is not appointed by the day falling 10 days prior to the expiry of any notice of resignation or (in the case of a removal of a Servicer) if a successor is not appointed by the day falling 60 days after the Issuer giving notice to remove the Servicer, the Servicer shall be entitled, on behalf of the Issuer, to appoint in its place a successor Servicer which is required to be a reputable institution of good standing.

Investors should refer to Section 2 ("*Risk Factors – Factors that may affect the Issuer's ability to fulfil its obligations under the Bonds – The Issuer's reliance on third parties*") for further information.

Delegation

The Servicer may not delegate to any third party the performance of all or any part of its obligations under the Services Agreement without the prior written consent of the Issuer. Subject to the Servicer's limitation of liability (see "*Limitation of liability of the Servicer*" below) the Servicer shall be liable to the Issuer for all matters so delegated and for the acts and omissions of any such third party or delegate.

Limitation of liability of the Servicer

The Servicer acts as the Issuer's agent in performing the functions set out above. The Services Agreement therefore provides that the Servicer is not liable for any liabilities suffered by the Issuer arising out of the performance by the Servicer (and/or its directors, officers, employees or agents) of its responsibilities under the Services Agreement except for such losses and/or damages resulting from fraud, negligence, wilful default and/or bad faith on the part of the Servicer (and/or its directors, officers, employees or agents) in the performance of its responsibilities under the Services Agreement.

No other person responsible

None of the Manager, the Charity (save as indicated above), the Servicer, the Trustee or any of the paying or transfer agents referred to in this Prospectus has independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by any of the Manager, the Charity (save as indicated above), the Servicer, the paying or transfer agents or the Trustee as to the accuracy or completeness of the information contained or incorporated by reference in this Prospectus or any other information provided by the Issuer in connection with the Bonds. Each investor contemplating purchasing any Bonds should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and the Charity. or on behalf of the Issuer, the Charity, the Trustee, the Servicer or the Manager to any person to subscribe for or to purchase any Bonds.

PUBLIC OFFER OF THE BONDS

Authorised Offerors

If, in the context of the Public Offer (as defined below), you are offered Bonds by any entity, you should check that such entity is authorised to use this Prospectus for the purposes of making such offer before agreeing to purchase any Bonds. To be authorised to use this Prospectus in connection with the Public Offer (referred to below as an “**Authorised Offeror**”), an entity must comply with the Conditions to Consent referred to below and either be:

- the Manager, AJ Bell Securities Limited, Equiniti Financial Services Limited or Redmayne Bentley LLP; or
- named on the Issuer’s website (<https://rcb-bonds.com/bonds/greensleeves2020>) and identified as an Authorised Offeror in respect of the Public Offer; or
- authorised to make such offers under the Financial Services and Markets Act 2000, as amended, or other applicable legislation implementing MiFID II and have published on its website that it is using this Prospectus for the purposes of the Public Offer in accordance with the consent of the Issuer.

Other than as set out above, none of the Issuer, the Charity, the Servicer or the Manager has authorised the making of a Public Offer by any person in any circumstances and such person is not permitted to use this Prospectus in connection with any offer of the Bonds.

Conditions to Consent

Valid offers of Bonds may only be made by an Authorised Offeror in the context of the Public Offer in the United Kingdom and during the period from 23 November 2020 to 12.00 noon (London time) on 11 December 2020 (referred to below as the “**Conditions to Consent**”).

If you are in any doubt about whether you can rely on this Prospectus and/or who is responsible for its contents, you should take legal advice.

Please see below for certain important legal information relating to the Public Offer.

Offer Jurisdictions

This Prospectus has been prepared for the purposes of an offer of the Bonds in the following jurisdictions only:

- United Kingdom;
- Jersey;
- Guernsey; and
- Isle of Man.

As of the date of this Prospectus, under the terms of the UK-EU Withdrawal Agreement, the Prospectus Regulation is directly applicable in the United Kingdom. Accordingly, the Prospectus Regulation requires that offers of Bonds can only be made to the public in the United Kingdom in circumstances where (i) the offer is made on the basis of an approved prospectus or (ii) the offer is made under an exemption from the requirement for an approved prospectus under the Prospectus Regulation. In this Prospectus, an offer of the type described in (i) is referred to as a “**Public Offer**”.

The Prospectus has been approved by the FCA as competent authority in the United Kingdom. Accordingly, this Prospectus may be used by Authorised Offerors (as described below) to make Public Offers of the Bonds in the United Kingdom during the period from 23 November 2020 to 12.00 noon (London time) on 11 December 2020.

Jersey, Guernsey and the Isle of Man are not Member States of the EEA and, accordingly, the Prospectus Regulation does not apply to those jurisdictions. The section “*Authorised Offerors and Consent to use this Prospectus*” below is applicable only in the context of the Prospectus Regulation and thus applies only to Public Offers of Bonds in the United Kingdom. Nevertheless, as a separate matter, each Authorised Offeror is also authorised by the Issuer to use the Prospectus in connection with offers of the Bonds to the public in Jersey, Guernsey and the Isle of Man during the period from 23 November 2020 to 12.00 noon (London time) on 11 December 2020, or such other time and date as agreed between the Issuer and the Manager and announced via a regulatory information service (which is expected to be the Regulatory News Service operated by the London Stock Exchange) (the “**Offer Period**”) and in accordance with the applicable securities laws and regulations of those jurisdictions.

Persons who are not Authorised Offerors are not authorised to use this Prospectus to make any offers of the Bonds in any jurisdiction. A potential investor in the Bonds should satisfy itself that the person purporting to make an offer of the Bonds to such potential investor is an Authorised Offeror.

Save as provided above, none of the Issuer, the Charity, the Servicer or the Manager has authorised, nor do they authorise, the making of any offer of Bonds in circumstances in which an obligation arises for the Issuer or any other person to publish or supplement a prospectus for such offer.

Authorised Offerors and Consent to use this Prospectus

The Issuer accepts responsibility for the content of this Prospectus with respect to the resale or final placement of the Bonds by any Authorised Offeror (as defined below), provided that the conditions attached to that consent are complied with by the Authorised Offeror (General and Specific Consent).

The Charity accepts responsibility for the content of this Prospectus with respect to the resale or final placement of the Bonds by any Authorised Offeror, provided that the conditions attached to that consent are complied with by the Authorised Offeror (General Consent only).

This Prospectus can only be used in connection with Public Offers of Bonds by persons to whom the Issuer and the Charity have given their consent (Specific Consent or General Consent) to use the Prospectus, in accordance with Article 5(1) of the Prospectus Regulation. Persons to whom the Issuer and, as applicable, the Charity have given such consent are referred to herein as the “**Authorised Offerors**”.

The Specific Consent and the General Consent are subject to the conditions described under “*Conditions to Consent*” below.

Specific Consent

The Issuer consents (the “**Specific Consent**”) to the use of this Prospectus in connection with the Public Offer of Bonds in the United Kingdom during the Offer Period by:

- the Manager;
- AJ Bell Securities Limited, Equiniti Financial Services Limited or Redmayne Bentley LLP; and
- any other financial intermediary appointed after the date of this Prospectus and whose name and address is published on the Issuer’s website (<https://rcb-bonds.com/bonds/greensleeves2020>) and identified as an Authorised Offeror in respect of the Public Offer.

General Consent

In addition to the specific consents given above, the Issuer and the Charity also consent (the “**General Consent**”) and hereby offer to grant their consent to the use of this Prospectus in connection with a Public Offer of the Bonds in the United Kingdom during the Offer Period by any financial intermediary which satisfies the following conditions:

- (1) it is authorised to make such offers under the Financial Services and Markets Act 2000, as amended, or other applicable legislation implementing MiFID II (in which regard, potential investors should consult the Financial Services Register maintained by the Financial Conduct Authority at: <https://register.fca.org.uk>); and
- (2) it accepts the Issuer’s and the Charity’s offer to grant consent to the use of this Prospectus by publishing on its website the following statement (with the information in square brackets completed with the relevant information):

*“We, [insert legal name of financial intermediary], refer to the offer of 5.00 per cent. Bonds due 17 December 2030 (the “**Bonds**”) described in the Prospectus dated 23 November 2020 (the “**Prospectus**”) published by Retail Charity Bonds PLC (the “**Issuer**”). In consideration of the Issuer and the Charity offering to grant their consent to our use of the Prospectus in connection with the offer of the Bonds in the United Kingdom (the “**Public Offer**”) during the Offer Period and subject to the other conditions to such consent, each as specified in the Prospectus, we hereby accept the offer by the Issuer and the Charity in accordance with the Authorised Offeror Terms (as specified in the Prospectus) and confirm that we are using the Prospectus accordingly”.*

The “**Authorised Offeror Terms**”, being the terms to which the relevant financial intermediary agrees in connection with using the Prospectus, are set out below under “*Authorised Offeror Terms and Authorised Offeror Contract*”. Any financial intermediary wishing to use the Prospectus in connection with a Public Offer of the Bonds on the basis of the Issuer’s and the Charity’s General Consent pursuant to the foregoing provisions must read the Authorised Offeror Terms carefully. By publishing the statement at paragraph (2) above on its website, such financial intermediary will enter into a contract with the Issuer and the Charity on the terms of the Authorised Offeror Terms.

Any financial intermediary who wishes to use this Prospectus in connection with a Public Offer of the Bonds on the basis of the Issuer’s and the Charity’s General Consent is required, for the duration of the Offer Period, to publish on its website the statement (duly completed) specified at paragraph (2) above.

Conditions to Consent

The conditions to the Issuer’s Specific Consent and the Issuer’s and the Charity’s General Consent (in addition to the Conditions described above) are that such consent:

- (a) is only valid in respect of the Bonds;
- (b) is only valid during the Offer Period; and

- (c) only extends to the use of this Prospectus to make Public Offers of the Bonds in the United Kingdom.

Consent given in accordance with Article 5(1) of the Prospectus Regulation

In the context of any Public Offer of Bonds, each of the Issuer and the Charity (in relation to the information indicated on pages 2 and 3 of this Prospectus only) accepts responsibility, in the United Kingdom, for the content of this Prospectus in relation to any person (an “**Investor**”) who purchases any Bonds in a Public Offer made by an Authorised Offeror, where that offer is made during the Offer Period and provided that the conditions attached to the giving of the consent for the use of this Prospectus are complied with. Such consent and conditions are described above under “*Authorised Offerors and Consent to use this Prospectus*”.

None of the Issuer, the Charity, the Servicer or the Manager has any responsibility for any of the actions of any Authorised Offeror, including compliance by an Authorised Offeror with applicable conduct of business rules or other local regulatory requirements or other securities law requirements in relation to such Public Offer.

Save as provided above, none of the Issuer, the Charity, the Servicer or the Manager has authorised the making of any Public Offer by any offeror and the Issuer has not consented to the use of this Prospectus by any other person in connection with any Public Offer of Bonds. Any Public Offer made without the consent of the Issuer is unauthorised and none of the Issuer, the Charity, the Servicer or the Manager accepts any responsibility or liability for the actions of the persons making any such unauthorised offer.

If, in the context of a Public Offer, an Investor is offered Bonds by a person which is not an Authorised Offeror, the Investor should check with such person whether anyone is responsible for this Prospectus for the purposes of the Public Offer and, if so, who that person is. If the Investor is in any doubt about whether it can rely on this Prospectus and/or who is responsible for its contents it should take legal advice.

ARRANGEMENTS BETWEEN INVESTORS AND THE FINANCIAL INTERMEDIARIES WHO WILL DISTRIBUTE THE BONDS

IN THE EVENT OF ANY PUBLIC OFFER BEING MADE BY AN AUTHORISED OFFEROR, THE AUTHORISED OFFEROR WILL PROVIDE INFORMATION TO INVESTORS ON THE TERMS AND CONDITIONS OF THE PUBLIC OFFER AT THE TIME THE PUBLIC OFFER IS MADE.

Authorised Offeror Terms and Authorised Offeror Contract

This section sets out the Authorised Offeror Terms in connection with the Issuer’s and the Charity’s General Consent for use of the Prospectus in connection with Public Offers of the Bonds as described under “Authorised Offerors and Consent to use this Prospectus” above. Any financial intermediary who intends to use the Prospectus on the basis of such General Consent must read this section carefully.

The “**Authorised Offeror Terms**”, being the terms to which the relevant financial intermediary agrees in connection with using this Prospectus, are that the relevant financial intermediary:

- (1) will, and it agrees, represents, warrants and undertakes for the benefit of the Issuer, the Charity and the Manager that it will, at all times in connection with the Public Offer:
 - (a) act in accordance with, and be solely responsible for complying with, all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the “**Rules**”), including the Rules published by the United Kingdom Financial Conduct Authority (“**FCA**”) (including the guidance published by the FCA (or its predecessor, the Financial Services Authority) for distributors in “*The Responsibilities of Providers and Distributors for the Fair Treatment of Customers*”) from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Bonds by any person and disclosure to any potential Investor, and will immediately inform the Issuer and the Manager

if at any time such financial intermediary becomes aware or suspects that it is or may be in violation of any Rules and take all appropriate steps to remedy such violation and comply with such Rules in all respects;

- (b) comply with the restrictions set out under Section 9 (“*Subscription and Sale*”) in this Prospectus which would apply as if it were a Manager and consider the relevant manufacturer’s target market assessment and distribution channels identified under the “MiFID II product governance” legend set out in this Prospectus;
- (c) ensure that any fee (and any other commissions or benefits of any kind) received or paid by that financial intermediary in relation to the offer or sale of the Bonds does not violate the Rules and, to the extent required by the Rules, is fully and clearly disclosed to Investors or potential Investors;
- (d) hold all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Bonds under the Rules, including authorisation under the Financial Services and Markets Act 2000 and/or the Financial Services Act 2012;
- (e) comply with applicable anti-money laundering, anti-bribery, anti-corruption and “know your client” Rules (including, without limitation, taking appropriate steps, in compliance with such Rules, to establish and document the identity of each potential Investor prior to initial investment in any Bonds by the Investor), and will not permit any application for Bonds in circumstances where the financial intermediary has any suspicions as to the source of the application monies;
- (f) retain Investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the Manager and the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the Manager in order to enable the Issuer and/or the Manager to comply with anti-money laundering, anti-bribery, anti-corruption and “know your client” Rules applying to the Issuer and/or the Manager;
- (g) ensure that no holder of Bonds or potential Investor in Bonds shall become an indirect or direct client of the Issuer or the Manager for the purposes of any applicable Rules from time to time, and to the extent that any client obligations are created by the relevant financial intermediary under any applicable Rules, then such financial intermediary shall perform any such obligations so arising;
- (h) co-operate with the Issuer and the Manager in providing such information (including, without limitation, documents and records maintained pursuant to paragraph (f) above) upon written request from the Issuer or the Manager as is available to such financial intermediary or which is within its power and control from time to time, together with such further assistance as is reasonably requested by the Issuer or the Manager:
 - (i) in connection with any request or investigation by the FCA or any other regulator in relation to the Bonds, the Issuer or the Manager; and/or
 - (ii) in connection with any complaints received by the Issuer and/or the Manager relating to the Issuer and/or the Manager or another Authorised Offeror including, without limitation, complaints as defined in rules published by the FCA and/or any other regulator of competent jurisdiction from time to time; and/or

- (iii) which the Issuer or the Manager may reasonably require from time to time in relation to the Bonds and/or as to allow the Issuer or the Manager fully to comply with its own legal, tax and regulatory requirements,

in each case, as soon as is reasonably practicable and, in any event, within any time frame set by any such regulator or regulatory process;

- (i) during the period of the initial offering of the Bonds: (i) not sell the Bonds at any price other than the Issue Price (unless otherwise agreed with the Manager); (ii) not sell the Bonds otherwise than for settlement on the Issue Date; (iii) not appoint any sub-distributors (unless otherwise agreed with the Manager); (iv) not pay any fee or remuneration or commissions or benefits to any third parties in relation to the offering or sale of the Bonds (unless otherwise agreed with the Manager); and (v) comply with such other rules of conduct as may be reasonably required and specified by the Manager;
 - (j) either (i) obtain from each potential Investor an executed application for the Bonds, or (ii) keep a record of all requests such financial intermediary (x) makes for its discretionary management clients, (y) receives from its advisory clients and (z) receives from its execution-only clients, in each case prior to making any order for the Bonds on their behalf, and in each case maintain the same on its files for so long as is required by any applicable Rules;
 - (k) ensure that it does not, directly or indirectly, cause the Issuer or the Manager to breach any Rule or subject the Issuer or the Manager to any requirement to obtain or make any filing, authorisation or consent in any jurisdiction;
 - (l) comply with the conditions to the consent referred to under “*Conditions to Consent*” above;
 - (m) make available to each potential Investor in the Bonds this Prospectus (as supplemented as at the relevant time, if applicable), the KID and any information booklet provided by the Issuer for such purpose, and not convey or publish any information that is not contained in or entirely consistent with this Prospectus; and
 - (n) if it conveys or publishes any communication (other than this Prospectus or any other materials provided to such financial intermediary by or on behalf of the Issuer for the purposes of the Public Offer) in connection with the Public Offer, it will ensure that such communication (A) is fair, clear and not misleading and complies with the Rules, (B) states that such financial intermediary has provided such communication independently of the Issuer, that such financial intermediary is solely responsible for such communication and that none of the Issuer, the Charity and the Manager accepts any responsibility for such communication and (C) does not, without the prior written consent of the Issuer, the Charity or the Manager (as applicable), use the legal or publicity names of the Issuer, the Charity or the Manager or any other name, brand or logo registered by an entity within their respective groups or any material over which any such entity retains a proprietary interest, except to describe the Issuer as issuer of the relevant Bonds on the basis set out in this Prospectus;
- (2) agrees and undertakes to indemnify each of the Issuer, the Charity and the Manager (in each case on behalf of such entity and its respective directors, officers, employees, agents, affiliates and controlling persons) against any losses, liabilities, costs, claims, charges, expenses, actions or demands (including reasonable costs of investigation and any defence raised thereto and counsel’s fees and disbursements associated with any such investigation or defence) which any of them may incur or which may be made against any of them arising out of or in relation to, or in connection with, any breach of any of the foregoing agreements, representations, warranties or undertakings by such financial intermediary, including (without limitation) any unauthorised action by such financial intermediary or failure by such financial intermediary to observe any of the above restrictions or requirements or the making by such

financial intermediary of any unauthorised representation or the giving or use by it of any information which has not been authorised for such purposes by the Issuer, the Charity or the Manager; and

- (3) agrees and accepts that:
- (a) the contract between the Issuer, the Charity and the financial intermediary formed upon acceptance by the financial intermediary of the Issuer's and the Charity's offer to use this Prospectus with its consent in connection with the Public Offer (the "**Authorised Offeror Contract**"), and any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract, shall be governed by, and construed in accordance with, English law;
 - (b) subject to (e) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Authorised Offeror Contract (including any dispute relating to any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract) (a "**Dispute**") and the Issuer, the Charity and the financial intermediary submit to the exclusive jurisdiction of the English courts;
 - (c) for the purposes of (3)(b) and (d), the financial intermediary waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any dispute;
 - (d) to the extent allowed by law, the Issuer, the Charity and the Manager may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions; and
 - (e) the Charity, and the Manager will, pursuant to the Contracts (Rights of Third Parties) Act 1999, be entitled to enforce those provisions of the Authorised Offeror Contract which are, or are expressed to be, for their benefit, including the agreements, representations, warranties, undertakings and indemnity given by the financial intermediary pursuant to the Authorised Offeror Terms.

PUBLIC OFFERS: ISSUE PRICE AND OFFER PRICE

The Bonds will be issued by the Issuer at the Issue Price of 100 per cent. The Issue Price has been determined by the Issuer in consultation with the Manager. The offer price at which the Authorised Offerors will offer the Bonds to an Investor will be the Issue Price or such other price as may be agreed between an Investor and the Authorised Offeror making the offer of the Bonds to such Investor. The Issuer is not party to arrangements between an Investor and an Authorised Offeror, and the Investor will need to look to the relevant Authorised Offeror to confirm the price at which such Authorised Offeror is offering the Bonds to such Investor.

IMPORTANT INFORMATION RELATING TO THE USE OF THIS PROSPECTUS AND OFFERS OF BONDS GENERALLY

This Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Bonds in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Prospectus and the offer or sale of Bonds may be restricted by law in certain jurisdictions. The Issuer, the Charity, the Trustee, the Servicer and the Manager do not represent that this Prospectus may be lawfully distributed, or that any Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Charity, the Trustee, the Servicer or the Manager which is intended to permit a public offering of any Bonds or distribution of this Prospectus in any jurisdiction other than the United Kingdom, Jersey, Guernsey and the Isle of Man. Accordingly, no Bonds may be offered or sold, directly or indirectly, and neither this

Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Prospectus or any Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of this Prospectus and the offering and sale of Bonds. In particular, there are restrictions on the distribution of this Prospectus and the offer or sale of Bonds in the United States, the United Kingdom, the EEA (which includes, for these purposes, the United Kingdom), Jersey, Guernsey and the Isle of Man – see Section 9 (“*Subscription and Sale*”) in this Prospectus.

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (i) has sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (iii) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including Bonds with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- (iv) understands thoroughly the terms of the Bonds and is familiar with the behaviour of any relevant indices and financial markets; and
- (v) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Bonds are legal investments for it, (2) Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Bonds under any applicable risk-based capital or similar rules.

The Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended, (the “**Securities Act**”). Subject to certain exceptions, the Bonds may not be offered, sold or delivered within the United States or to, or for the account of, US persons (see Section 9 (“*Subscription and Sale*”) in this Prospectus).

In certain circumstances, investors may also hold interests in the Bonds through CREST through the issue of CDIs representing interests in Underlying Bonds. CDIs are independent securities constituted under English law and transferred through CREST and will be issued by CREST Depository Limited pursuant to the global deed poll dated 25 June 2001 (as subsequently modified, supplemented and/or restated). Neither the Bonds nor any rights attached to the Bonds will be issued, settled, held or transferred within the CREST system other than through the issue, settlement, holding or transfer of CDIs. CDI Holders will not be entitled to deal directly in the Bonds and, accordingly, all dealings in the Bonds will be effected through CREST in relation to the holding of CDIs. You should note that the CDIs are the result of the CREST settlement mechanics and are not the subject of this Prospectus.

For these purposes, “**Exchange Event**” means that (i) an Event of Default has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system satisfactory to the Trustee is available or (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Bonds represented by the Global Bond in definitive form and a certificate to such effect signed by two Directors of the Issuer is given to the Trustee. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Global Bond) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in part (iii) of the definition of “**Exchange Event**” above, the Issuer may also give notice to the Registrar requesting the exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

In the event that the Global Bond is required, in accordance with its terms, to be exchanged for definitive Bonds, such amendments shall be made to these Conditions, the Trust Deed and the Agency Agreement to reflect the exchange into definitive form as the Trustee may approve or require.

Subject as set out below, title to the Bonds will pass upon registration of transfers in the register of holders maintained by the Registrar (the “**Register**”) in accordance with the provisions of the Agency Agreement. The Issuer, the Trustee and the Paying and Transfer Agents will (except as otherwise required by law) deem and treat the registered holder of any Bond as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of the Global Bond, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Bonds is represented by the Global Bond held on behalf of Euroclear and/or Clearstream, Luxembourg, each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Bonds (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Bonds standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Trustee and the Paying and Transfer Agents as the holder of such nominal amount of such Bonds for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Bonds, for which purpose the registered holder of the Global Bond shall be treated by the Issuer, Trustee and any Paying and Transfer Agent as the holder of such nominal amount of such Bonds in accordance with and subject to the terms of the Global Bond and the expressions “**Bondholder**” and “**holder of Bonds**” and related expressions shall be construed accordingly.

Bonds which are represented by the Global Bond will be transferable only in book-entry form in Euroclear and Clearstream, Luxembourg in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system in which the Bonds may be cleared from time to time and approved by the Issuer, the Agent and the Trustee.

In determining whether a particular person is entitled to a particular nominal amount of Bonds as aforesaid, the Trustee may rely on such evidence and/or information and/or certification as it shall, in its absolute discretion, think fit and, if it does so rely, such evidence and/or information and/or certification shall, in the absence of manifest error, be conclusive and binding on all concerned.

The Retained Bonds (if any) will be purchased by and held by or for the account of the Issuer following issue and may be sold or otherwise disposed of in whole or in part by private treaty at any time, and shall cease to be Retained Bonds to the extent of and upon such sale or disposal.

Any Retained Bonds shall, pending sale or disposal by the Issuer, carry the same rights and be subject in all respects to the same Conditions as the other Bonds, except that such Retained Bonds will not be treated as outstanding for the purposes of determining quorum or voting at meetings of Bondholders or of considering the interests of the Bondholders save as otherwise provided in the Trust Deed. Bonds which have ceased to be Retained Bonds shall carry the same rights and be subject in all respects to the same Conditions as the other Bonds.

- (c) by an assignment by way of security of the Issuer's rights, title and interest, present and future, arising under the Agency Agreement, the Account Agreement (excluding so far as it relates to the Expense Reserve Account or the Issuer Profit Account) and the Services Agreement, in each case to the extent it relates to the Bonds; and

The Security shall become enforceable upon (i) the Bonds becoming due and repayable pursuant to Condition 13.1 or (ii) subject to Condition 10.3, any failure for any reason of the Issuer to repay the Bonds when due.

6. ORDER OF PAYMENTS

6.1 Pre-Enforcement

Prior to the enforcement of the Security, the Issuer shall apply the monies standing to the credit of the Series Charged Account, on each Interest Payment Date up to, and including, the Expected Maturity Date (and, if the Bonds are not redeemed in full on the Expected Maturity Date, each Interest Payment Date up to, and including, the Legal Maturity Date) and such other dates on which payment is due in respect of the Bonds in the following order of priority (the “**Pre-Enforcement Priority of Payment**”):

- (e) take any action which would lead to the dissolution, liquidation or winding-up of itself (including, without limitation, the filing of documents with the court or the service of a notice of intention to appoint an administrator) or to the amendment of its constitutional documents or to the impairment of the rank, validity and effectiveness of any security created pursuant to the Master Trust Deed; or
- (f) prejudice its eligibility for its corporation tax liability to be calculated in accordance with regulation 14 of the Securitisation Regulations.

8. INTEREST

8.1 Rate of Interest

Each Bond bears interest on its outstanding nominal amount from (and including) the Interest Commencement Date at a rate of 5.00 per cent. per annum (the “**Rate of Interest**”). Interest will be payable semi-annually in arrear on each Interest Payment Date and the amount of interest payable in respect of the Bonds on each Interest Payment Date up to (and including) the Expected Maturity Date will be £2.50 per Bond of Specified Denomination.

8.2 Accrual of interest

Interest shall cease to accrue on each Bond from the due date for its redemption unless payment of principal on such Bond is improperly withheld or refused. In such event, interest will continue to accrue at the Rate of Interest as provided in the Trust Deed.

8.3 Calculation of broken interest amounts

If interest is required to be paid in respect of any accrual period which is less than a full Interest Period, the amount of interest payable in respect of such accrual period shall be calculated by applying the Rate of Interest to the aggregate outstanding nominal amount of the Bonds represented by the Global Bond, multiplying such sum by the Day Count Fraction and rounding the resultant figure to the nearest one penny, half of a penny being rounded upwards.

“**Day Count Fraction**” means the actual number of days in the period from (and including) the date from which interest begins to accrue (the “**Accrual Date**”) to (but excluding) the date on which it falls due divided by twice the actual number of days from (and including) the Accrual Date to (but excluding) the next following Interest Payment Date.

8.4 Adjustment of Rate of Interest

If payment of principal is deferred in accordance with Condition 10.3, the Rate of Interest will be increased by an additional 1.00 per cent. per annum (such Rate of Interest as increased pursuant to this Condition 8.4 the “**Adjusted Rate of Interest**”) from, and including, the Expected Maturity Date to, but excluding, the Legal Maturity Date. The Issuer shall give notice of such increase to the Bondholders in accordance with Condition 16.

8.5 Deferral of interest in respect of withholding tax

To the extent that the Charity is required to pay interest to the Issuer under the Loan Agreement subject to a deduction or withholding for or on account of any tax and, as a result of such deduction or withholding, the amount standing to the credit of the Series Charged Account as being available to the Issuer on an Interest Payment Date after deducting the amounts referred to in paragraph (a) of the Pre-Enforcement Priority of Payment (such amount being the “**Interest Residual Amount**”) is insufficient to satisfy in full the aggregate amount of interest which is due in respect of the Bonds on such Interest Payment Date (including amounts which have previously been deferred under this Condition 8.5), there shall instead be due and payable on such Interest Payment Date by way of interest on the Bonds the Interest Residual Amount.

Any shortfall equal to the amount by which the aggregate amount of interest paid on the Bonds on any Interest Payment Date in accordance with this Condition 8.5 falls short of the aggregate amount of interest which is due in respect of the Bonds on such Interest Payment Date (an “**Interest Deferred Amount**”) shall become due and payable on the next following Interest Payment Date, subject to this Condition 8.5. This Condition 8.5 shall cease to apply on the earlier of (i) the Legal Maturity Date; (ii) the date on which the Bonds are redeemed and (iii) the date on which the Issuer is wound up, at which time all Interest Deferred Amounts shall become due and payable. To the extent that the Issuer is or may be entitled to a refund of tax so deducted or withheld, it must use reasonable endeavours to obtain such refund.

For the avoidance of doubt this Condition 8.5 shall not apply to any shortfall or insufficiency in the amounts available to satisfy in full the aggregate amount of interest which is due in respect of the Bonds other than arising as a result of a withholding or deduction for or on account of tax in respect of amounts due from the Charity to the Issuer under the Loan Agreement.

9. PAYMENTS

The holder of the Global Bond shall be the only person entitled to receive payments in respect of Bonds represented by the Global Bond and payment by or on behalf of the Issuer to, or to the order of, such holder of the Global Bond will discharge the Issuer’s obligations in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Bonds represented by the Global Bond must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by or on behalf of the Issuer to, or to the order of, the holder of such Global Bond.

None of the Issuer, the Trustee, the Origination Manager, the Loan Management Servicer, the Administration Services Provider or the Paying or Transfer Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Global Bond or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

9.5 Payment Day

If the date for payment of any amount in respect of any Bond is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay.

For these purposes, “**Payment Day**” means any day which (subject to Condition 12) is a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London.

9.6 Interpretation of principal and interest

Any reference in these Conditions to principal in respect of the Bonds shall be deemed to include, as applicable:

- (a) the Final Redemption Amount of the Bonds;
- (b) the Sterling Make-Whole Redemption Amount of the Bonds; and
- (c) any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Bonds.

10. REDEMPTION AND PURCHASE

10.1 Redemption at maturity

Subject to Condition 10.3, unless previously redeemed or purchased and cancelled as specified below, each Bond will be redeemed on 17 December 2030 (the “**Expected Maturity Date**”) in Sterling by the Issuer at their principal amount outstanding (the “**Final Redemption Amount**”) together with accrued but unpaid interest to (but excluding) the Expected Maturity Date.

No payments of principal under the Bonds shall be made prior to the Expected Maturity Date except on an early redemption of the Bonds in accordance with Condition 10.2 or upon the Bonds becoming due and payable in accordance with Condition 13.

10.2 Redemption following prepayment of the Loan at the option of the Charity

If, in accordance with the Loan Agreement, the Charity elects to prepay the Loan as and when permitted to do so at a time prior to the repayment date specified in the Loan Agreement, then the Issuer will redeem all, but not some only, of the Bonds on the date which is two Business Days after the Optional Loan Prepayment Date and, for the avoidance of doubt, all Retained Bonds (if any) shall be cancelled.

In these Conditions, “**Optional Loan Prepayment Date**” means any date on which the Charity prepays the Loan under the Loan Agreement.

Each Bond redeemed pursuant to this Condition 10.2 will be redeemed in Sterling by the Issuer at the Sterling Make-Whole Redemption Amount.

In these Conditions “**Sterling Make-Whole Redemption Amount**” means an amount which is equal to the higher of (i) 100 per cent. of the outstanding principal amount of the Bonds to be redeemed and (ii) the outstanding principal amount of the Bonds to be redeemed multiplied by the price, as reported to the Issuer and the Trustee by the Financial Adviser, at which the Gross Redemption Yield on such Bonds on the Reference Date is equal to the Gross Redemption Yield (determined by reference to the middle market price) at 11.00 a.m. on the Reference Date of the FA Selected Bond, plus 0.50 per cent., all as determined by the Financial Adviser plus, in each case, any accrued interest on the Bonds to, but excluding, the Optional Loan Prepayment Date.

The Issuer will give not less than 15 nor more than 30 days’ notice to the Trustee and the Agent and, in accordance with Condition 16, the Bondholders (which notice shall be irrevocable), prior to the date of redemption of the Bonds pursuant to this Condition 10.2.

10.3 Deferral of principal

In the event that the Charity elects not to pay in full the amount of principal otherwise due on the Loan on the Expected Maturity Date in accordance with the terms of the Loan Agreement (the “**unpaid principal**”), the total principal amount otherwise due and payable on each Bond that is referable to the unpaid principal under the Loan (as calculated by a Financial Adviser) shall be deemed not to be due and payable on the Expected Maturity Date and such amount shall instead be deferred in accordance with this Condition 10.3 (the “**Deferred Principal**”).

Amounts in respect of Deferred Principal shall become due and payable on 17 December 2032 (the “**Legal Maturity Date**”). Interest shall continue to accrue on Deferred Principal in accordance with Condition 8 until the date on which such Deferred Principal is paid.

Notice of the application of this Condition 10.3 (including the amount of any unpaid principal and the subsequent receipt of any unpaid principal) shall be given by the Issuer to the Trustee, the Registrar, the Paying Agents, any stock exchange on which the Bonds are for the time being listed and, in accordance with Condition 16, the Bondholders, as promptly as practicable in the circumstances.

10.4 Purchases

The Issuer may not at any time purchase Bonds other than Retained Bonds (if any).

The Charity may at any time purchase Bonds in the open market or otherwise at any price, provided that, following any such purchase, the Charity shall surrender the Bonds to or to the order of the Issuer for cancellation. A principal amount equal to the principal amount of the Bonds being surrendered shall be deemed to be prepaid under the Loan Agreement (but, for the avoidance of doubt, without triggering a redemption under Condition 10.2).

If the Charity purchases any Bonds pursuant to this Condition 10.4, the Issuer shall cancel all Retained Bonds (if any).

10.5 Cancellation

All Bonds which are redeemed, or purchased by the Charity and surrendered for cancellation, will forthwith be cancelled. All Bonds so cancelled shall be forwarded to the Agent and cannot be reissued or resold.

The Issuer may cancel any Retained Bonds held by it or on its behalf at any time following a request by the Charity, pursuant to the Loan Agreement, to cancel a corresponding amount of the undrawn portion of the Commitment (as defined in the Loan Agreement).

11. TAXATION

All payments in respect of the Bonds by or on behalf of the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“**Taxes**”), unless the withholding or deduction of the Taxes is required by applicable law. In that event, the Issuer or, as the case may be, the relevant Paying Agent shall make such payment after the withholding or deduction has been made and shall account to the relevant authorities for the amount required to be withheld or deducted. Neither the Issuer nor any Paying Agent shall be obliged to make any additional payments to Bondholders in respect of such withholding or deduction.

12. PRESCRIPTION

Claims in respect of principal and interest in respect of the Bonds will become prescribed unless made within 10 years (in the case of principal) and five years (in the case of interest) from the Relevant Date therefor.

For these purposes, the “**Relevant Date**” means a day on which such payment first becomes due, except that, if the full amount of the moneys payable has not been received by the Trustee or the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to Bondholders in accordance with Condition 16.

13. EVENTS OF DEFAULT AND ENFORCEMENT

13.1 Events of Default

The Trustee at its discretion may, and if so requested in writing by the holders of at least one-fifth in nominal amount of the Bonds then outstanding (excluding the Retained Bonds (if any)) or if so directed by an Extraordinary Resolution shall (subject in each case to being indemnified and/or secured and/or pre-funded to its absolute satisfaction), (but in the case of the happening of any of the events described in paragraphs (b) and (d) to (f) inclusive below, only if the Trustee shall have certified in writing to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Bondholders), give notice in writing to the Issuer that each Bond is, and each Bond shall thereupon immediately become, due and repayable at the Final Redemption Amount together with accrued but unpaid interest as provided in the Trust Deed (and the Security shall thereupon become enforceable) if any of the following events (each an “**Event of Default**”) shall occur:

- (a) if default is made (subject as provided in Condition 10.3) in the payment of any principal or interest due in respect of the Bonds or any of them and the default continues for a period of six days in the case of principal and five days in the case of interest; or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Conditions or the Trust Deed, insofar as they relate to the Bonds, and (except in any case where, in the opinion of the Trustee, the failure is incapable of remedy when no such continuation or notice as is hereinafter mentioned will be required) the failure continues for the period of 30 days next following the service by the Trustee on the Issuer of notice requiring the same to be remedied; or
- (c) if any order is made by any competent court or resolution passed for the winding-up or dissolution of the Issuer, save for the purposes of reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution; or
- (d) if the Issuer ceases or threatens to cease to carry on the whole or substantially all of its business, save for the purposes of reorganisation on terms previously approved in writing by the Trustee or by an Extraordinary Resolution, or the Issuer stops payment of, or is unable to pay, its debts (or any class of its debts) as they fall due, or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent; or
- (e) if (A) proceedings are initiated against the Issuer under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, liquidator, manager, administrator or other similar official, or an administrative or other receiver, liquidator, manager, administrator or other similar official is appointed, in relation to the Issuer or, as the case may be, in relation to the whole or a substantial part of the undertaking

or assets of any of them, or an encumbrancer takes possession of the whole or a substantial part of the undertaking or assets of any of them, or a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or a substantial part of the undertaking or assets of any of them and (B) in any case (other than the appointment of an administrator) is not discharged within 14 days;

- (f) if the Issuer initiates or consents to judicial proceedings relating to itself under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including the obtaining of a moratorium) or makes a conveyance or assignment for the benefit of, or enters into any composition or other arrangement with, its creditors generally (or any class of its creditors) or any meeting is convened to consider a proposal for an arrangement or composition with its creditors generally (or any class of its creditors); or
- (g) if (subject as provided in Condition 10.3) a default under the Loan Agreement is not remedied within 30 days of the occurrence thereof.

13.2 Enforcement

The Trustee may at any time, at its discretion and without notice, take such proceedings and/or other action or steps (including lodging an appeal in any proceedings) against or in relation to the Issuer as it may think fit to enforce the provisions of the Trust Deed, the Bonds and/or (to the extent that they relate to the Bonds or otherwise) any of the other Issuance Facility Documents and at any time after the Security becomes enforceable the Trustee may take the action specified in the Trust Deed to enforce the same, but it shall not be bound to take any such proceedings or other steps or action unless (i) it shall have been so directed by an Extraordinary Resolution or so requested in writing by the holders of at least one-fifth in nominal amount of the Bonds then outstanding (excluding the Retained Bonds (if any)) and (ii) it shall have been indemnified and/or secured and/or pre-funded to its satisfaction.

The Trustee may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction. Furthermore, the Trustee may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction or if, in its opinion based upon such legal advice, it would not have the power to do the relevant thing in that jurisdiction by virtue of any applicable law in that jurisdiction or if it is determined by any court or other competent authority in that jurisdiction that it does not have such power.

No Bondholder shall be entitled to (i) take any steps or action against the Issuer to enforce the performance of any of the provisions of the Trust Deed, the Bonds and/or (to the extent that they relate to the Bonds) the Issuance Facility Documents or (ii) take any other proceedings (including lodging an appeal in any proceedings) in respect of or concerning the Issuer unless the Trustee, having become bound so to take such action, steps or proceedings, (a) fails so to do within a reasonable period or (b) is unable for any reason so to do and the failure or inability shall be continuing.

13.3 Limited Recourse

Notwithstanding any other Condition or any provision of any Issuance Facility Document, all obligations of the Issuer to the Bondholders are limited in recourse to the Charged Assets. If:

- (a) there are no Charged Assets remaining which are capable of being realised or otherwise converted into cash;
- (b) all amounts available from the Charged Assets have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of the Trust Deed; and

- (c) there are insufficient amounts available from the Charged Assets to pay in full, in accordance with the provisions of the Trust Deed, amounts outstanding under the Bonds (including payments of principal, premium and interest),

then the Bondholders shall have no further claim against the Issuer in respect of any amounts owing to them which remain unpaid (including, for the avoidance of doubt, payments of principal, premium and/or interest in respect of the Bonds) and such unpaid amounts shall be deemed to be discharged in full and any relevant payment rights shall be deemed to cease.

In addition, none of the Bondholders or the other Secured Parties shall be entitled at any time to institute against the Issuer, or join in any institution against the Issuer of, any bankruptcy, reorganisation, arrangement, insolvency or liquidation proceedings or other proceedings under applicable bankruptcy or similar law in connection with any obligations of the Issuer relating to the issuance of the Bonds, save for lodging a claim in the liquidation of the Issuer which is initiated by another party or taking proceedings to obtain a declaration or judgment as to the obligations of the Issuer and provided that the Trustee may enforce the Security and appoint an administrative or other receiver in accordance with the provisions of the Trust Deed.

14. REPLACEMENT OF BONDS

Should any Bond be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Registrar upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer or the Registrar may reasonably require. Mutilated or defaced Bonds must be surrendered before replacements will be issued.

15. PAYING AND TRANSFER AGENTS

The names of the initial Paying and Transfer Agents and their initial specified offices are set out below.

The Issuer is entitled, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying Agent or Transfer Agent and/or appoint additional or other Paying Agents and/or Transfer Agents and/or approve any change in the specified office through which any Paying Agent or Transfer Agent acts, provided that:

- (a) there will at all times be an Agent and a Registrar; and
- (b) so long as the Bonds are listed on any stock exchange or admitted to listing or trading by any other relevant authority, there will at all times be a Paying Agent and a Transfer Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority.

Notice of any variation, termination, appointment or change in Paying Agents will be given to the Bondholders promptly by the Issuer in accordance with Condition 16.

In acting under the Agency Agreement, the Paying and Transfer Agents act solely as agents of the Issuer and, in certain circumstances specified therein, of the Trustee and do not assume any obligation to, or relationship of agency or trust with, any Bondholders. The Agency Agreement contains provisions permitting any entity into which any Paying and Transfer Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying and/or, as the case may be, transfer agent.

16. NOTICES

For so long as all the Bonds are represented by the Global Bond and such Global Bond is held in its entirety on behalf of Euroclear and/or Clearstream, Luxembourg, all notices regarding the Bonds will be deemed to be validly given if delivered to Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Bonds and, in addition, for so long as any Bonds are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Bonds on the first Business Day following the day on which it is so delivered to Euroclear and/or Clearstream, Luxembourg.

17. MEETINGS OF BONDHOLDERS, MODIFICATION AND WAIVER

17.1 Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of the Bondholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Bonds or any of the provisions of the Trust Deed. Such a meeting may be convened by the Issuer or the Trustee and shall be convened by the Issuer if required in writing by Bondholders holding not less than five per cent. in nominal amount of the Bonds for the time being remaining outstanding (excluding the Retained Bonds (if any)). The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in nominal amount of the Bonds for the time being outstanding (excluding the Retained Bonds (if any)), or at any adjourned meeting one or more persons being or representing Bondholders whatever the nominal amount of the Bonds so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Bonds or the Trust Deed (including modifying the date of maturity of the Bonds or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Bonds or altering the currency of payment of the Bonds), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Bonds for the time being outstanding (excluding the Retained Bonds (if any)), or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Bonds for the time being outstanding (excluding the Retained Bonds (if any)). The Trust Deed provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Trust Deed by a majority consisting of not less than three-quarters of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-quarters in nominal amount of the Bonds for the time being outstanding (excluding the Retained Bonds (if any)) or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Trustee) by or on behalf of the holders of not less than three-quarters in nominal amount of the Bonds for the time being outstanding (excluding the Retained Bonds (if any)), shall, in each case, be effective as an Extraordinary Resolution of the Bondholders. An Extraordinary Resolution passed by the Bondholders shall be binding on all the Bondholders, whether or not they are present at any meeting and whether or not they voted on the resolution.

17.2 Modification and Waiver

The Trustee may agree, without the consent of the Bondholders, to any modification of, or to the waiver or authorisation of any breach or proposed breach of, any of the provisions of the Bonds, the Trust Deed or the Agency Agreement or determine, without any such consent as aforesaid, that any Event of Default or Notification Event (as defined in the Trust Deed) shall not be treated as such, where, in any such case, it is not, in the opinion of the Trustee, materially prejudicial to the interests of the Bondholders so to do or may agree, without any such consent as aforesaid, to any modification which is of a formal, minor or technical nature or to correct a manifest error or an error which, in the opinion of the Trustee, is proven. Any such modification shall be binding on the Bondholders and any

such modification shall be notified to the Bondholders in accordance with Condition 16 as soon as practicable thereafter.

17.3 Trustee to have regard to interests of Bondholders as a class

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or determination), the Trustee shall have regard to the general interests of the Bondholders as a class (but shall not have regard to any interests arising from circumstances particular to individual Bondholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Bondholders.

18. INDEMNIFICATION OF THE TRUSTEE AND TRUSTEE CONTRACTING WITH THE ISSUER

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility and liability towards the Issuer and the Bondholders, including (i) provisions relieving it from taking action unless indemnified and/or secured and/or pre-funded to its satisfaction and (ii) provisions limiting or excluding its liability in certain circumstances. The Trust Deed provides that, when determining whether an indemnity or any security or pre-funding is satisfactory to it, the Trustee shall be entitled (i) to evaluate its risk in any given circumstances by considering the worst-case scenario and (ii) to require that any indemnity or security given to it by the Bondholders or any of them be given on a joint and several basis and be supported by evidence satisfactory to it as to the financial standing and creditworthiness of each counterparty and/or as to the value of the security and an opinion as to the capacity, power and authority of each counterparty and/or the validity and effectiveness of the security.

The Trust Deed also contains provisions pursuant to which the Trustee is entitled, *inter alia*, (a) to enter into business transactions with the Issuer and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer, (b) to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Bondholders, and (c) to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith.

19. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Bondholders to create and issue:

- (a) further Bonds having terms and conditions the same as the Bonds or the same in all respects save for the amount and date of the first payment of interest thereon, secured on the same assets (and any further loan that pursuant to which the proceeds of issue of such Bonds are on-lent to the Charity) and so that the same shall be consolidated and form a single Series with the outstanding Bonds; and/or
- (b) other bonds pursuant to the Issuance Facility on such terms and conditions as the Issuer may elect, subject to the terms of the Issuance Facility Agreements and provided that such other bonds are not secured upon the Charged Assets.

20. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of the Bonds under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

21. GOVERNING LAW

The Trust Deed, the Agency Agreement, the Bonds and any non-contractual obligations arising out of or in connection with the Trust Deed, the Agency Agreement and the Bonds are governed by, and shall be construed in accordance with, English law.

C

APPENDIX C

FORM OF THE BONDS

This following section sets out the legal form in which the Bonds will be issued, including that the legal title to the Bonds is expected to be held by a common depository on behalf of certain clearing systems and that investors will trade beneficial interests in the Bonds electronically in certain clearing systems.

FORM OF THE BONDS

General

Pursuant to the Agency Agreement (as defined in Appendix B (“*Terms and Conditions of the Bonds*”)), the Agent shall arrange that, where a further Tranche of Bonds is issued which is intended to form a single Series with the Bonds at a point after the Issue Date of the further Tranche, the Bonds of such further Tranche shall be assigned a common code and ISIN which is different from the common code and ISIN assigned to the Bonds until such time as such Tranche is consolidated with the Bonds to form a single Series, which shall not be prior to the expiry of the distribution compliance period (as defined in Regulation S) applicable to such Tranche.

Any reference herein to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system as may otherwise be approved by the Issuer, the Agent, the Registrar and the Trustee for the purposes of clearing the Bonds.

No Bondholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

CREST depository interests

In certain circumstances, investors may also hold interests in the Bonds through CREST through the issue of CDIs representing interests in Underlying Bonds. CDIs are independent securities constituted under English law and transferred through CREST and will be issued by CREST Depository Limited pursuant to the global deed poll dated 25 June 2001 (as subsequently modified, supplemented and/or restated). Neither the Bonds nor any rights attached to the Bonds will be issued, settled, held or transferred within the CREST system other than through the issue, settlement, holding or transfer of CDIs. CDI Holders will not be entitled to deal directly in the Bonds and, accordingly, all dealings in the Bonds will be effected through CREST in relation to the holding of CDIs. You should note that the CDIs are the result of the CREST settlement mechanics and are not the subject of this Prospectus.
